On September 23, 1974, an individual identifying himself as [REDACTED] telephonically contacted the Director's Office, at which time the call was transferred to the Research Section. [REDACTED] said that his office address is [REDACTED]

He said his home telephone number is [REDACTED]

[REDACTED] said that Patty's mother and father, on the West Coast, are very upset because some local authorities are spreading the word that "the FBI has a \$1 million bail on Patty Hearst." He said he tried to explain to Patty's parents that the bail is not set until after a person is arrested, and that any recommendations to the judge concerning bail after arrest are made by the prosecuting attorney and not the FBI. *ad*

[REDACTED] said that he felt that Attorney General William B. Saxbe has something to do with the bail rumor and most likely is trying to "get back" at [REDACTED]

[REDACTED] said that he has very high regard for the FBI and wanted us to be aware of the situation in case we had not heard anything about this matter. *REC-112 7-15200-3230*

This information was telephonically furnished to Supervisor Michael A. Morrow, Personal Crimes Unit, General Investigative Division on September 23, 1974.

Remarks:

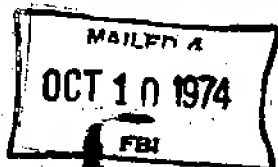

Q1880 is being returned separately with results of the latent fingerprint examination.

As previously pointed out by the Laboratory, the available hand printing for PATRICIA CAMPBELL HEARST and EMILY HARRIS is too limited for comparison purposes and the available writing of WILLIAM HARRIS was prepared over ten years ago and may not represent the current writing characteristics of HARRIS.

Q1880 Registration Card of the Christ of the Ozarks in the name "Patricia Hearst" bearing hand printing on reverse side beginning "Though it seems this might be a ..."

Result of examination:

Q1880 was not associated with material maintained in the Anonymous Letter File. Copies have been added thereto.

A definite conclusion was not reached whether the questioned hand printing on Q1880 was prepared by PATRICIA CAMPBELL HEARST, K32, EMILY HARRIS, K5, K6, K8, K9, K20 and K37, or WILLIAM HARRIS, K45, due to the lack of sufficiently comparable writing. However, nothing of particular significance was observed in comparing the available writing of WILLIAM HARRIS, K45, with the questioned hand printing on Q1880.

Q1880, which has been photographed, is being returned separately.

This memorandum sets forth current status of recent investigation being coordinated by the Los Angeles Office (LAO) and the San Francisco Office (SFO) in this case.

GRAND JURY MATTERS:

U. S. Attorney (USA) Robert L. Brosio, LA, advised he will appeal the stay granted by Associate Justice William O. Douglas to William Lewis, manager of KPFK Radio Station, LA. Lewis is the individual who refuses to turn over a Symbionese Liberation Army (SLA) tape, container and letter he obtained 6/7/74.

Black Muslims Retimah X, Jamellia Muntaz and Roland Tate appeared before a Federal Grand Jury at SF on 8/22/74, and refused to answer questions relating to possible harboring violations in this matter; they cited their rights under the Fifth Amendment. USA James Browning, SF, has advised the future course of legal action against these individuals has not been determined.

LAO and SFO continue to follow these Grand Jury matters closely with their respective USAs.

Memorandum Bates to Gebhardt
Re: HEARNAP;

FALSE IDENTITIES SURVEY:

A survey designed to detect any individual who applied for a U. S. passport under false pretenses since the SLA shootout (5/17/74) is well underway with the full cooperation of the State Department. State has requested strict confidentiality in this matter.

We continue to review all applicants for the State of California driver's license between the ages of 18 - 35 who have refused to submit to that state's thumb print requirement. Photographs of these individuals are compared with the remaining SLA fugitives. This program was pointed out to all Field Offices 9/26/74, for possible nationwide implementation.

Our Identification Division is searching known SLA fugitives' latents with all unidentified latents received in unknown subject cases as well as screening all incoming fingerprint cards received by special desks in that Division.

FRAUDULENT TELEPHONE CREDIT CARDS:

Survey efforts continue to determine if known SLA sympathizers or individuals contacting them by telephone have used fraudulent credit cards. This is done by comparing the identifying telephone information available regarding SLA sympathizers with information recorded by Pacific Telephone and General Telephone, both of California, pertaining to illegal credit card calls.

DISSEMINATION OF REVISED WANTED FLYER (WF) #475 (A AND B):

Memorandum Bates to Gebhardt
Re: HEARNAP:

[REDACTED]

The 10/4/74, issue of the "FBI Police Bulletin" contains a succinct summary of the SLA fugitives, and the reverse side is a reproduction of WF #475A. The 1,200 major police departments throughout the country receiving this publication are being encouraged to reprint this article in their own journals. Similar coverage is being planned for the November issue of the "Law Enforcement Bulletin."

Identification Orders (IOs) for Patricia Hearst (#4633) and Emily Harris (#4632) have been forwarded to all Offices for distribution.

NATIONAL NEWS COVERAGE:

[REDACTED]

[REDACTED]

Currently feature articles are being prepared for national publications in this case, i.e., "National Enquirer" (circularization 4 million) and "Argosy" (circularization 4 million). It is anticipated this wide circularization will serve as a vehicle for relaying more detailed information concerning the fugitives which may assist in locating and apprehending them.

Memorandum Bates to Gebhardt
Re: HEARNAP;

Intensive efforts continue to fully identify and interview past associates of the remaining SLA fugitives. This aspect of the case has surfaced several suspected associates of William and Emily Harris who have or have had affiliations with radical groups such as: Venceremos; Students for a Democratic Society; May Day Activists at Washington, D. C., 1971; Black Panther Party; Young Social Alliance; and Peace and Anti-Vietnam War Rallies of the early 1970s. The common denominator of association appears to be centered at Indiana University and/or University of California, Berkeley, wherein at one time or another each of these individuals had an opportunity to become acquainted through their radical philosophies.

The Department is being advised of all subsequent developments in this case on a continuous basis.

By teletype 10/9/74, LAO advised a discreet surveillance was conducted by that Office of Mr. and Mrs. Randolph Hearst centering about a dinner engagement they had with [REDACTED] at Gatsby Restaurant, LA, California, on 10/7/74. [REDACTED] is a well-known LA hoodlum who is attempting to locate Patricia Hearst through his own investigation. The Hearsts have advised the FBI of their contacts with him. After dinner, while the Hearsts were en route home, they were confronted at the LA International Airport by LA Police Department (LAPD) Criminal Intelligence Division officers [REDACTED]. At first, the Hearsts refused to identify themselves; however, once they did so they were allowed to proceed with their flight.

[REDACTED] LAPD, advised [REDACTED] was interviewed regarding his meeting with the Hearsts, and he advised he was only interested in assisting the Hearsts locate their daughter.

MICKEY COHEN:

LOS ANGELES AGENTS RECONTACTED MICKEY COHEN AT HIS APARTMENT IN LOS ANGELES ON OCTOBER 10, 1974.

COHEN REITERATED HE HAS BEEN IN CONTACT WITH [REDACTED] BUT DECLINED TO FURNISH ANY OTHER NAMES OR DESCRIPTIONS.

COHEN DID ADVISE HOWEVER THAT HE HAS TALKED WITH TWO BLACK MALES FROM CLEVELAND, OHIO, WHO HE CONTACTED THROUGH HIS SOURCES IN CLEVELAND. COHEN CLAIMED HE DID NOT KNOW THE NAMES OF THESE BLACKS OR IF HE DID KNOW THE NAMES HE DID NOT RECALL THEM BUT HE FELT ONE OF THE BLACKS COULD POSSIBLY HAVE BEEN DELANO DE FREEZE, BROTHER OF DONALD DAVID DE FREEZE.

COHEN RELATED THESE MEN FLEW OUT TO LOS ANGELES TO TALK WITH HIM AND GAVE HIM THE IMPRESSION THEY KNEW THE WHEREABOUTS OF PATRICIA HEARST AND COULD PUT HIM IN TELEPHONIC CONTACT WITH HER. COHEN STATED HE DECIDED AGAINST THE TELEPHONIC CONTACT BECAUSE HE FELT ANY ATTEMPT TO CONTACT OR RESCUE HEARST COULD ENDANGER HER LIFE DUE TO HER OWN RESISTANCE AGAINST APPREHENSION OR VIOLENT OPPOSITION FROM THOSE WHO ARE WITH HER.

WHEN ASKED IF COHEN THINKS HE KNOWS THE WHEREABOUTS OF PATRICIA HEARST AT THIS TIME, HE INDICATED THAT IN HIS MIND HE BELIEVES HE KNOWS WHERE SHE IS. HE STATED SHE IS NOT IN LOS ANGELES OR SAN FRANCISCO, INDICATING SHE IS IN OR NEAR CLEVELAND, OHIO.

HE ADMITS THE SIGNIFICANCE OF CLEVELAND CALL OUT TO
A CONVERSATION WITH HIS CONTACTS DURING WHICH SOMEONE MEN-
TIONED CLEVELAND. CLEVELAND AND THE PERSONS CONCERNED IN THE CASE
WENT OUT SAYING NOTHING. HE LATER CONTACTED THE PERSONS CONCERNED
AND TOLD HIM THERE WAS NO SIGNIFICANCE TO
CLEVELAND INSOFAR AS HE KNEW.

IN FACT, HAVE SIGNIFICANCE IN THIS INVESTIGATION.

DECLINED TO ELABORATE ON THE SCOPE OF HIS WORK

[REDACTED] STATED HE MET WITH MR. AND MRS. HEARST AT GATSBY'S RESTAURANT IN WEST LOS ANGELES ON OCTOBER 7, 1974, AND TOLD THEM THAT HE FELT HE KNOWS HEARST'S WHEREABOUTS. THEY ASKED HIM TO COOPERATE WITH THE FBI. [REDACTED] RELATED HE WAS DISAPPOINTED AT LEARNING THE HEARST'S HAVE NOT PREPARED LEGAL DEFENSE FOR PATTY SHOULD SHE BE RETURNED AND HE TOLD THEM HE WOULD NOT CONTINUE WITH HIS INVESTIGATION TO LOCATE HER UNTIL THEY

PAGE FIVE

ARRANGED FOR HER LEGAL DEFENSE IN SUCH A WAY THAT SHE WOULD NOT HAVE TO GO TO PRISON.

MCOWEN STATED HE HAS PAID BETWEEN \$1,500 AND \$3,000 IN EXPENSES OUT OF HIS OWN POCKET DURING THIS INVESTIGATION AND DOES NOT EXPECT REPAYMENT. HOWEVER, THIS INVESTIGATION HAS TAXED HIS HEALTH CONSIDERABLY AND HE DOES NOT FEEL HE CAN CONTINUE. HE RELATED IF HE SHOULD DROP THIS MATTER COMPLETELY, HE WOULD NOT TELL EITHER THE HEARST'S OR THE FBI WHAT HE KNOWS OF PATTY'S WHEREABOUTS OR THE IDENTITY OF PERSONS HE HAS BEEN IN CONTACT WITH.

MCOWEN WAS NONETHELESS COOPERATIVE WITH THE AGENTS AND INTERESTED IN ANY INFO OR GUIDANCE THEY OFFERED IN THIS INVESTIGATION. HE AGREED TO LOOKING AT PHOTOGRAPHS OF PERSONS THE FBI BELIEVES HE MAY HAVE CONTACTED AND AGENTS ARE OF THE OPINION THAT HE MIGHT IDENTIFY THE TWO BLACK MEN FROM CLEVELAND SHOULD HE SEE THEIR PHOTOGRAPHS.

MCOWEN RELATED AFTER SPEAKING WITH AGENTS ON THESE TWO OCCASIONS, HE IS NOT SURE THAT HE IS NOT BEING "SET UP FOR A RIP OFF". HOWEVER, HE FEELS THAT ONE OF THE MEN FROM CLEVELAND IS COOPERATING WITH HIM BECAUSE HE FEELS [REDACTED] CAN AID HIM IN HIS OWN ASPIRATIONS. [REDACTED] SEEMS TO THINK THESE INDIVIDUALS HAVE ENOUGH FEAR OR RESPECT OF HIM THAT THEY WOULD GIVE CONSIDERABLE THOUGHT TO THE REPERCUSSIONS OF "RIPPING HIM OFF".

HE STATED IF THIS SHOULD OCCUR, HE WOULD EXPECT TO TAKE CARE OF IT IN HIS OWN WAY.

HAD NO IDEA WHERE THEY COULD GO SINCE HE IS ONLY ACQUAINTED WITH THE 84TH STREET AREA. CINQUE ALLOWED [REDACTED] TO LEAVE BUT TOLD HIM TO RETURN LATER BECAUSE HE HAD AN IMPORTANT MESSAGE FOR HIM TO DELIVER.

[REDACTED] INDICATED CINQUE GAVE NO INDICATION OF WHAT THAT MESSAGE WAS AND THAT HE, [REDACTED], RETURNED TO HIS RESIDENCE [REDACTED]

[REDACTED] SOMETIME BETWEEN 9:00 AND 10:00 P.M., LOCKED THE DOOR AND DID NOT RETURN TO SEE CINQUE. HE STATED WHEN HE AROSE THE FOLLOWING MORNING, POLICE AND FBI AGENTS HAD ALREADY SEARCHED 833 WEST 84TH STREET.

AS THE BUREAU HAS BEEN ADVISED, IN THE PAST, AN APPELLATE COURT RULING ORDERED THAT THE TRIAL OF THE TWO CAPTIONED INDIVIDUALS BE HELD IN ANOTHER COUNTY OTHER THAN ALAMEDA AND CONTRA COSTA. ON OCTOBER 10, 1974, THE CALIFORNIA STATE SUPREME COURT REFUSED TO OVER TURN THE APPELLATE COURT'S DECISION. THE STATE JUDICIAL COUNCIL WILL NOW SUBMIT TO THE JUDGES ASSIGNED THESE CASES A CHOICE OF THREE OTHER COUNTIES WHERE THE TRIALS COULD BE HELD WITHOUT PREJUDICE TO THE DEFENDANTS. THE DISTRICT ATTORNEY'S OFFICE IN ALAMEDA COUNTY ESTIMATES THAT SUCH A MOVE WILL COST ALAMEDA COUNTY TAX PAYERS AS MUCH AS \$500,000.

BARBARA: Marilyn has written a story of the Patty Hearst case called "Exclusive" and there is information in it that is new and her own point of view is new. I think we should ask first of all before I sound like a television system, why you, how come you know more than anybody else, the police, the FBI?

MARILYN: There is a simple answer, you said "Investigative Reporter," that is redundant, a reporter should be an investigator but unfortunately we have all copped out, we now will cover press conferences. They were all sitting down at the Hearst home in Hillsborough, you know I didn't really have to be brilliant to figure out that Patty was not there. So I never went to the Hearst home, I went out to look for her.

BARBARA: You went to the places where the (?) were and the FBI and the police didn't?

MARILYN: The FBI was very worried about its public image, the Agents in the street were trying to do a good job but unfortunately, bureaucracy got in the way. The police departments were worried the FBI would get there first. Nobody cooperated with anybody and I ended up with just about everybody talking to me and a lot of help from my son, Jeff. He went into the communes, etc.

BARBARA: What do you know that nobody else knows. What do you know now that we don't know?

MARILYN: Ok. First I know for a fact that Patty Hearst was not only a willing participant in the bank robbery on April 15th but she was one of the leaders. We have some pictures that have never been shown to the public before. This first one shows a man down in the corner on the right hand side of your screen. That is the man that was shot. He was entering the bank. Patty in this particular picture has turned her gun on him she then lunges at him, Nancy Ling comes from around the corner of the door and shoots the man.

BARBARA: Where did you get these pictures?

MARILYN: Never ask sources, Barbara, you know that. OK this is the last picture.

BARBARA: You always have to ask, you may not get answers but you always have to ask.

MARILYN: You can ask but you won't get an answer. This is the last picture. It shows that the last two out of the bank during the holdup were Patty Hearst and Donald DeFreeze. All the others had already left so if she really wanted to escape she could have then.

7-15200-3257
ENCLOSURE
6-E

BARBARA: That answers the question about could she have gotten out or was she being held.

MARILYN: Right. This last one, which is upside down, there we go, This is very important because at the time that the FBI released photographs they said Patty's right hand was tied to her side and that she couldn't have participated in the bank robbery. They named her a material witness. In this photograph taken during the middle of the robbery, her left hand is clearly up in the air and she is signaling to Camilla Hall to leave the bank. She gave the signals, when they should enter and they leave.

BARBARA: Now the big mystery about Patty Hearst is what made her this way? Is she a girl who has been very washed? Was she always a radical at heart? Who is Patty Hearst? Tell us what you feel?

MARILYN: Patty Hearst is silly putty. She is whatever anybody wants her to be. She was in love with Steve Weed (her fiance) so she left home. She did the big dramatic bit at 17, I'm going out on my own. I'm going to be independent. But in typical Patty fashion, she was independent by taking 6 of Daddy's credit cards to live on. So you know then when the SLA got hold of her, she fell for Willie Wolfe who is a great deal like Steven Weed, you know they are sorta like nothing tablets.

BARBARA: Do you think she does everything when she falls in love?

MARILYN: Yes, she's a very romantic girl, she's very accomodating, she's not strong willed. She will follow whoever happens to be next to her and Willie Wolfe was just...

BARBARA: Even to go into terrorist activity?

MARILYN: If it gets her a lot of attention, a lot of publicity, and Patty has always loved a lot of attention. A very spoiled girl.

BARBARA: People look at their own children and say could this be my child?

MARILYN: I think any child that would be spoiled, any child that would leave home with credit cards, any child who was allowed to change schools whenever she wanted, if she didn't like it, any child that went to a private school where 200 other students wore uniforms and she wouldn't and was allowed to get away with it. Yeah, it could be their child.

MAN: What kind of a fellow was Steven Weed? Was he some ~~Swengoli~~ who could mow her or was he a weakling too?

MARILYN: No. Steven Weed reminds me of pabulum. And that's about the only way I can say it. Just a total nonentity. Steve Weed was the type that right after the kidnaping, as we got into it in the book, he stayed at the Randolph and Catherine Hearst home for a week and his main complaint to me was I'm going to have to leave, Marilyn, because you know they don't even make their own cookies they have them delivered by a bakery. That was what he was hung up on.

BARBARA: Marilyn, when you talk about the SLA, you say although they had claimed to be a political movement with Black support, indeed they have no black support.

MARILYN: Donald DeFreeze was the house black. That was it. He was the cook.

BARBARA: Most of them were white?

MARILYN: They were all white. There were two black men in on the kidnaping, Thero Wheeler and Donald DeFreeze, Wheeler split immediately after the kidnaping. They went from black neighborhood to black neighborhood. DeFreeze literally went door to door knocking on doors saying, "Hi there, my name is Cinque, would you like to join my revolution?"

BARBARA: So there is not black support?

MARILYN: No there is not.

BARBARA: You also say they are not a political organization that their aims and motivations are not political. What is it?

MARILYN: I think it is nothing but greed. I think it is nothing but attention. You see, I will not call gangsters politicians and therefore I don't think gangsters should hide behind politics. Neither do I think the gangsters in Washington should hide behind politics. These people said that they were political but they did nothing to change the political system. All they did was murder a black educator who did a great deal to help the third world people.

BARBARA: They tried, I'm doing the other side, they tried to get food for the poor.

MARILYN: No they didn't, they set that up in such a way that it couldn't help but be anything but a "rip off" and that is what it was. \$2 million went to pimps and prostitutes. Yes, they

were rejected by the radical groups of Berkeley. They were such losers, they tried to go to a lettuce boycott and they went to the wrong store. This was sorta the story of their life, they were losers..

MAN: Do you think ultimately they are going to be losers? What are the chances do you think of Patty Hearst ever showing up again?

MARILYN: Well, Gene, I don't think it's like television and Efrem Zimbalist. I think that Patty probably will get caught. The same way the police and the FBI catch all criminals. They over park or they run a stop light.

MAN: That is how she's going to be found?

MARILYN: Yes, that's how they were found in Los Angeles. They left parking tickets in the van.

BARBARA: It is said that there are nine members of the Symbionese Liberation Army is that . . .

MARILYN: Originally, there were 32 that we thought might be associated or at least fringe supporters, then it went down to the hardcore nine; 6 of course were killed, there are now some others that they feel may be helping them with money. Those others come out of a group called Venceremos that was very much in do with springing prisoners in California. The Venceremos group has at least two women active in it that have sizable trust funds. And they feel that that may be where the support money comes from. One thing that not too many people know, that I will be happy to share with you is the last hot lead that any of us had was the attorney for George Jackson, the late George Jackson, got a phone call from a man who did not identify himself but said I am representing Patty and the Harrises in San Jose and would you find us a place to hide.

BARBARA: When was this?

MARILYN: This was about two weeks ago.

BARBARA: Do you have the feeling that they will be found soon?

MARILYN: Depends how soon they run through that red light, Barb. Police don't track people down, they stumble across them.

BARBARA: What did you learn the most, what's the most important thing that you think we should know from this whole bizarre episode which occupied so much of our lives?

MARILYN: Well, I think that the first thing that we have to deal with is there are changes that are needed in the system and a lot of us tend to ignore that. As long as there is any cause for change in the system, these radicals will get a toe hold.

BARBARA: You say that they are not there that they are really a bunch of...

MARILYN: Yes, there's a limited fringe in every movement, including the radicals, the SLA is their limited fringe. I think the other thing we have to learn from it is the news media. And that the news media has to learn that they can't be victimized and we were. We paid more in ransom than anybody. Prime time television where we aired these communiques and the rhetoric went on for 23 minutes, full pages in newspapers.

BARBARA: What should we have done?

MARILYN: We should have treated them like we treat any other bunch of gangsters. We didn't cover Dillinger that way.

BARBARA: Except it was such a romantic story because it was a girl, an heiress, and so . . .

MARILYN: Alright. Bonnie and Clyde there was a girl too but we didn't treat them as though they were the second coming of the GOP and that's what we've got to do. We've got to get back to covering gangsters like gangsters, wherever they are.

BARBARA: What are you working on now you nice, delicate lady, what do people have to be afraid of now?

MARILYN: Organized crime in California. It's rather the unknown, unseen factor out there and we have a great deal of it. I just finished doing a special interview with Micky Cohen who has been around for many years and was one of Al Capone's henchmen in which he gets very specific on how he operated in California and more important whose operating now.

BARBARA: Want to name a name or two?

MARILYN: Yes, in fact we did a story last week on KPIX where we showed 3 surveillance film of a testimonial dinner for a monster with our mayor entering and leaving taken by the police department.

BARBARA: I can see why people have mixed feelings about you.

MARILYN: You too Barbara.

Specimens received 9/16/74

- Q1875 Miscellaneous scraps of paper (Your Item #2)
- Q1876 Miscellaneous scraps of paper (Your Item #12)
- Q1877 Miscellaneous scraps of newspaper (Your Item #9)

Result of examination:

The Q1875, Q1876 and Q1877 pieces of paper were reassembled or grouped together in the most likely order. These groupings of items were designated Q1875a through Q1875f, Q1876a through Q1876d and Q1877a through Q1877y.

A definite conclusion was not reached whether any of the questioned writings on the submitted pieces of paper were prepared by any of the writers of the known or purported known writing on items previously submitted in this case and case captioned "Symbionese Liberation Army (SLA) EM" due to the limited amount of the questioned written notations and the presence of unexplained variations. However, similarities were observed in comparing portions of the questioned writing on Q1875a, Q1876a, Q1876b, Q1876c, Q1877h, Q1877k and Q1877m with the available known writing of NANCY LING PERRY, on Kc4, K10, K19, K22 and K31 in this case and K4, K7 and Koll in the SLA case. Also, similarities were observed in comparing portions of the questioned writing on Q1876b with the available writing of PATRICIA MICHELLE SOLTYSIK, K7, K28 and Kc30. Similarities were observed in comparing portions of the questioned writing on Q1876b and Q1876d with the available writing of CAMILLA HALL, K23, K26, K27 and K33 through K36.

The submitted evidenced is attached. Photographs were made of the groupings of these pieces of paper and these photographs are also attached for your assistance.

WHAT I CONSIDER AN UNUSUAL SITUATION DIRECTLY ACROSS THE STREET FROM MY ABOVE ADDRESS AT [REDACTED]

THE ADDRESS AT [REDACTED] WAS SOLD THIS PAST SPRING BY A YOUNG LAWYER AND HIS FAMILY, WHO MOVED TO NORTH CAROLINA. THE PLACE REMAINED UNOCCUPIED FOR AT LEAST TWO MONTHS, THEN MY NEIGHBOR [REDACTED] - AT [REDACTED] INFORMED ME THE PLACE HAD BEEN RENTED FOR \$400 A MONTH TO TWO UNMARRIED COUPLES.

IN THIS DAY AND AGE I WAS NOT PARTICULARLY DISTURBED BY THIS ALLEGED NEWS. HOWEVER, I BECAME CURIOUS WHEN I DISCOVERED THAT EACH OF THE FOUR OCCUPANTS DRIVES HIS AND HER OWN CARS, EACH CAR BEARING LICENSE PLATES OF FOUR SEPARATE JURISDICTIONS. MY CURIOSITY WAS FIRST AROUSED WHEN I DISCOVERED THAT THE CARS WERE TAKING TURNS IN PARKING IN FRONT OF MY HOUSE TWO AT A TIME, SOMETIMES AS LONG AS THREE OR FOUR DAYS WITHOUT MOVING. I WAS ALSO CURIOUS AS TO WHY TWO ALWAYS PARKED IN FRONT OF MY PLACE, WHEN THERE WAS AMPLE SPACE AT THEIR OWN RESIDENCE.

I HAVE SEEN ONLY TWO OF THE OCCUPANTS OF [REDACTED] WHO COME AND GO AT IRREGULAR INTERVALS FROM DAY TO DAY AND SOME

PAGE THREE WFO 7-1201

FREQUENTLY DO NOT MOVE AT ALL FOR TWO OR THREE DAYS. THIS RAISED A QUESTION OF WHETHER ANY IS EMPLOYED; AND IF NOT, AS TO WHERE THE MONEY IS COMING FROM TO PAY THE RENT AND UTILITY BILLS. THE TWO I'VE SEEN CERTAINLY ARE NOT A REFLECTIONS OF AFFLUENCE.

THE MOVEMENTS OF THE TWO I'VE SEEN ARE RAPID AND SOMEWHAT FURTIVE. THE YOUNG MAN I CAUGHT A GLIMPSE OF AT A DISTANCE IS PROBABLY IN HIS 20S, SLIGHT BUILD, ABOUT 130 TO 140 LBS., BLACK TOUSLED HAIR, DROOPING MOUSTACHE, SLOPPY DRESS, DRIVES A DARK GREEN OR BLUE PLYMOUTH OF ANCIENT VINTAGE WITH DENTED FRONT GRILLE, BEARING D. C. PLATES [REDACTED]

THE YOUNG WOMAN I SAW AT SOME DISTANCE OF 50 FEET OR MORE APPEARED FAINTLY DISTURBED WHEN SHE DISCOVERED I HAD SEEN HER. HER MOVEMENT WAS SO RAPID I HAD NO OPPORTUNITY TO GET A GOOD LOOK AT HER FEATURES. SHE WAS WEARING WHAT APPEARED TO BE A LIGHT TAN COLORED COAT, BUT I DID NOTICE SHE HAD SHOULDER LENGTH HAIR THAT WAS VERY BLACK AND WAS EITHER DYED OR A WIG. I WOULD GUESS THAT SHE WAS IN HER 20S. SHE DRIVES A DATSUN, BEARING CALIFORNIA PLATES [REDACTED]

PAGE FOUR WFO 7-1201

MY WIFE SAW THIS SAME YOUNG WOMAN ABOUT A WEEK AGO. MY WIFE WAS BEHIND A LARGE EVERGREEN IN OUR FRONT YARD, WORKING OUT OF SIGHT. SHE TURNED WHEN SHE HEARD FOOTSTEPS AND SAW THE YOUNG WOMAN ABOUT TO ENTER HER CAR PARKED IN FRONT OF OUR HOUSE. THE YOUNG WOMAN APPEARED STARTLED, SMILED WEAKLY WITH AN EQUALLY WEAK HELLO. MY WIFE SAID SHE ALSO WAS DRESSED SLOPPILY, BUT THOUGHT (WORD THOUGHT SHOULD BE UNDERLINED) SHE LOOKED VERY MUCH LIKE PATRICIA HEARST.

THE OTHER TWO CARS ARE A HONDA, BEARING OHIO LICENSE [REDACTED] AND ANOTHER DATSUN, BEARING MARYLAND [REDACTED]

MY NEIGHBORS - [REDACTED] MAY BE ABLE TO GIVE YOU BETTER DESCRIPTIONS AND PERHAPS MORE INFORMATION AS TO THEIR ACTIVITIES. I DOUBT THEY HAVE MUCH IN THE WAY OF NAMES.

IN VIEW OF THE SEARCH FOR PATRICIA HEARST I PASS THIS INFORMATION ON FOR WHATEVER IT IS WORTH.

RE: POSSIBLE SIGHTING OF PATRICIA CAMPBELL HEARST, SAN FRANCISCO, CALIFORNIA, 10/2/74

At about 5:00 a.m. on 10/2/74, a young female displayed a Social Security card bearing the name of PATRICIA CAMPBELL HEARST to obtain admission to the lobby of Central Travel Lodge Motel, 1707 Market Street, San Francisco, California. She requested a call be placed to the FBI and lifted a telephone in the lobby. While the switchboard was placing the call, the young lady replaced the telephone and hurriedly left the motel. In her brief conversation with the clerk on duty, she advised him that she was the daughter of WILLIAM RANDOLPH HEARST. It is noted the victim in this matter is the daughter of RANDOLPH and not WILLIAM RANDOLPH HEARST. The clerk viewed pictures of HEARST and EMILY HARRIS and stated he was of the opinion that the young lady exhibiting the Social Security card was neither HEARST nor Mrs. HARRIS.

Enclosed for the Bureau is a latent fingerprint lift taken from the telephone receiver in the motel lobby. The latent fingerprint section is requested to compare this lift with latents of PATRICIA HEARST AND EMILY HARRIS. If the latent is not identical it may be disposed of at the Bureau.

PREDICATION

This investigation is predicated on information indicating the Symbionese Liberation Army (SLA) is engaged in activities which could involve violations of Title 18, United States Code, Sections 2383 (Rebellion or Insurrection), 2384 (Seditious Conspiracy), and 2385 (Advocating the Overthrow of the United States Government).

On February 15, 1974, SF T-1, a confidential source who has provided reliable information in the past, advised WILLIAM TAYLOR HARRIS was possibly a member of the SLA.

An SLA document captioned "Declaration of Revolutionary War and the Symbionese Program", dated August 21, 1973, states "...Therefore, we of the Symbionese Federation of the SLA...Do now by the rights of our children and people and by force of arms and with every drop of our blood, declare revolutionary war against the fascist capitalist class. We support by self-determination and independence within the United States and the world. And hereby offer to all liberation movements, revolutionary workers groups, and peoples organizations our total aid and support for the struggle for freedom and justice for all people and races..." The SLA has claimed credit for the November 6, 1973, assassination of Dr. MARCUS FOSTER, Oakland, California, School Superintendent, and the February 4, 1974, kidnaping of PATRICIA CAMPBELL HEARST, daughter of newspaper publisher-owner RANDOLPH A. HEARST, in furtherance of its revolutionary objectives.

II. ACTIVITIES

A. Venceremos Organization

Formed in December, 1970, the Venceremos Organization (VO), also known as Venceremos, is a militant Marxist-Leninist-Maoist organization composed of third world and white revolutionaries operating in the San Francisco Peninsula area. The publicly stated goal of the VO is to build a united front against the imperialist United States leading to the overthrow of the United States Government by force and violence, armed struggle, and urban guerrilla warfare. The VO has publicly stated that all members must know how to operate and service weapons and have weapons available.

- San Francisco Bay Area media on September 28, 1973 quoted Venceremos leaders that the organization had disbanded and was no longer in existence.

Source advised WILLIAM and EMILY HARRIS had been attending Marxist-Leninist-Maoist study groups with individuals who were known to the source to have formerly been members of the VO.

SF T-3
1/22/74

Source furnished a list of names and telephone numbers, which appeared to the source to be a type of telephone tree used by the VO during mid-1973. The names "BILL and EMILY" and the HARRIS' telephone number appeared on the list.

WILLIAM WOLFE and five other individuals, all of whom were identified as members of the Symbionese Liberation Army (SLA), died in a fire following a gun battle with law enforcement officers on May 17, 1974, at Los Angeles, California.

B. Black Culture Association

The Black Culture Association (BCA) was a "self-help" organization formed to assist black inmates to rehabilitate themselves. The aims of the BCA appeared to be bonafide and most members seem sincere in seeking help. There is evidence that attempts were made to infiltrate the BCA on the part of some militant individuals as well as some outside visitors, who came to the prison to attend meetings. Members of the SLA used the BCA meetings to make contact with prisoners.

WILLIAM TAYLOR HARRIS made application to attend BCA meetings at the California Medical Facility at Vacaville, California.

The male identifies himself as "TEKO", and expounds revolutionary rhetoric, and explains the SLA moved from San Francisco to Los Angeles to avoid encirclement by

law enforcement agencies on the San Francisco Peninsula. TEK0 advises he was falsely accused of shoplifting at Mel's Sporting Goods Store in Inglewood, California. TEK0 concludes by stating, "The military political leader of the SLA and five top cadre have been killed by the fascist, however the SLA is not dead, and will not die as long as there is one living fighting member of any oppressed class, race, sex or group left on the face of this earth. The pig has won the battle, but the war of the free is not over. Our dear comrade HO Chi-minh once wrote from an imperialist prison 'Today the locust fights the elephant, but tomorrow the elephant will be disemboweled'".

INVESTIGATION PERTAINING TO THE SHOOTING
INCIDENT AT MEL'S SPORTING GOODS STORE,
11425 SOUTH CRENSHAW BOULEVARD, INGLEWOOD,
CALIFORNIA, MAY 16, 1974

At approximately 5:15 PM on May 16, 1974, [REDACTED]

[REDACTED] advised two individuals entered Mel's Sporting Goods Store, 11425 South Crenshaw, Inglewood, California, at 4:30 PM, and attempted to shoplift. Reports were sketchy, but the two individuals were believed to be white, one female and one male. A clerk at the store had attempted to apprehend the couple, when a third individual fired approximately 50 shots from an automatic weapon. All three individuals escaped, and officers were conducting a search. [REDACTED] advised investigating officers believed these individuals may have been associated with the SLA.

On May 17, 1974, CARROLL WILLIAM HUET, Co-Owner of Mel's Sporting Goods Store, advised on May 16, 1974, he assisted two fellow employees subdue a suspected shoplifter on the sidewalk in front of the store. He

identified a photograph of WILLIAM TAYLOR HARRIS as being identical to the suspected shoplifter. HUET advised fellow employee TONY SHEPHARD succeeded in getting a handcuff on one of HARRIS' wrists, and employee GARY MASON was attempting to subdue HARRIS' female companion when they learned HARRIS was armed. HUET succeeded in twisting the gun from HARRIS' grasp. At that time HUET heard a volley of shots and realized someone was shooting at them. HARRIS and his companion escaped as a result of the shooting.

On May 17, 1974, ANTHONY F. SHEPHARD, 11724 Haas Avenue, Hawthorne, California, advised he was working at Mel's Sporting Goods Store the previous day, and had attempted to subdue a male shoplifter and his female accomplice. He identified a photograph of WILLIAM TAYLOR HARRIS as being identical to the male individual with whom he had struggled, and stated he was 100 per cent sure of this identification. These individuals escaped in a red and white Volkswagen van.

On May 16, 1974, Patrolman [REDACTED] Inglewood Police Department, advised a Colt .38 caliber revolver had been taken from the white male suspected of shoplifting at Mel's Sporting Goods Store. This gun had been purchased on October 13, 1973, by EMILY MONTAGUE HARRIS at Siegle's Guns, Oakland, by EMILY HARRIS.

On May 16, 1974, KENNETH CLAUDE PIERRE, 2635 West Imperial, Inglewood, California, advised late that afternoon he and his sister, MARVA LEE DAVIS were driving in his 1970 black vinyl over yellow Pontiac. They were driving south on Ruthelen Street near 115th Street, Los Angeles, when he became aware of a red Volkswagen van which was attempting to pass him. PIERRE permitted the van to pass and then noted the van came to a stop. A white male and a white female exited the van and walked toward PIERRE's vehicle. The male ordered PIERRE and his sister out of the Pontiac stating, "I don't want to kill you". The male then spoke to his female companion stating, "I'm going to kill that son of a bitch". PIERRE did not know to whom these remarks referred. The male and female got into PIERRE's Pontiac and the male drove it along side the van. PIERRE then observed one of more pairs of hands pass two pistols and packages from the van to the Pontiac. The male individual was described by PIERRE as being 25 to 27 years old, 5'10" tall, 150 to 160 pounds, with dark brown shoulder length hair and a small goatee.

SF 100-76890

PWS:rva

The female was described as 5'4" tall, 130 pounds, with dark red hair.

On May 16, 1974, MARVA LEE DAVIS, 11522 Ruthelen Street, Los Angeles, related the same account as her brother, KENNETH CLAUDE PIERRE, adding that as the male and female approached the Pontiac, they were armed with shoulder weapons and identified themselves as being with the SLA. She advised a photograph of WILLIAM TAYLOR HARRIS resembled the white male.

On May 21, 1974, THOMAS LEON PATIN, JR., 2049 West 115th Street, Hawthorne, California, advised on May 16, 1974 at approximately 4:00 to 4:30 PM, he was standing with his father in his driveway. A yellow Pontiac stalled in the street in front of his driveway. A white female attempted to start the car unsuccessfully, and a white male armed with a carbine jumped out of the car and ran toward the driveway. The male advised, "We're from the SLA and we need a car. We need this car. Give me the key". He was making reference to a 1963 Nova Station Wagon owned by PATIN's father. The keys to this vehicle were relinquished, and two white females then approached the PATINs, both armed with carbines. The male and two females then departed in the station wagon. PATIN identified a photograph of WILLIAM TAYLOR HARRIS as possibly being identical to the male, although he had the impression the male had lighter colored hair than HARRIS' photograph depicted. He stated the two females resembled EMILY HARRIS and PATRICIA HEARST.

ABDUCTION OF THOMAS DEAN MATTHEWS,

OF MAY 16, 1974

On May 16, 1974, THOMAS DEAN MATTHEWS, 10871
Elm Street, Lynwood, California, was abducted from his
residence by individuals identified as WILLIAM TAYLOR HARRIS,
EMILY MONTAGUE HARRIS and PATRICIA CAMPBELL HEARST. The
following signed statement was furnished by MATTHEWS, and
relates to his abduction:

Tom

"May 20, 1974

"I, Tom Matthews, furnish the following free and voluntary statement to SA's [REDACTED] and [REDACTED]

[REDACTED] of the FBI. Also present is SA [REDACTED]

[REDACTED], District

Attorneys.

"SA [REDACTED] has told me that this statement may be used in a court of law. I understand that the nature of this inquiry relates to my kidnaping on May 16, 1974, from my personally owned vehicle, a 1969 Ford van, California license 75999 L, in Lynwood, California.

"At 7:00 p.m., on May 16, 1974, my brother, Bob Matthews, told me that there was a lady that was looking at my van, a 1969 Ford van blue in color, bearing California license 75999 L. I went to the door and during that time she came up to the door and she said she was interested in buying my van. I recall that she is a white female, 25 to 30 years old, 5'6" tall, medium build, short brown hair, longer in back, wearing dark brown or black shiny leather jacket with hiking boots. I observed a photograph of Emily Harris from a photo spread of approximately 18 photographs, demonstrated by SA Thiel at the Lynwood PD, Lynwood, Calif., on 5/17/74. I positively identified Emily Harris as being the above described white female who approached me regarding the purchase of my van on the night of 5/16/74.

"She asked for a test drive and I said, 'all right'. We both got into the van, she in the driver's seat and I in the passenger's seat. She started up the van and drove west on Pendleton Street and turned right (north) on Pine Street. She stopped just as she made the turn and said, 'There's two of my friends and maybe they want to come along', referring to the two individuals seated in the vehicle parked across the street which was a 1964 to 1965 light blue four-door Ford Falcon station wagon. The two individuals, a white male and a white female, exited the station wagon and approached the van on the passengers side. The white male was wearing a red waist-length heavy coat, light blue denim pants, and Army boots and his jacket was bulged out on the left side. The white female followed behind him and was wearing green plaid pants, black sweater, brown hiking boots and a black jacket. She had black hair that was really curly and fluffed out like an afro.

"I turned and unlocked the side door of the van located behind the passenger seat and the white male opened my door. He opened up his coat and showed me a weapon located under his right arm. This weapon resembled an automatic rifle approximately two foot long with a banana clip inserted and a barrel about four inches beyond the stock of the weapon. I feel that the weapon was an automatic because the clip was

inserted. He stated, 'We're with the SLA and we need to borrow your car.' He told me to get into the back and both the white male and female got into the back with me. He told me, 'if I did anything stupid, they would have to hurt me'. Then he stated, 'Do you know who this is?', referring to his female partner that entered the van with him. I said, 'No, I don't', as I didn't realize who she was. He said, 'She is Tanya', and they both grinned. At this time, we were sitting in the rear of the van and they were sitting across _____ me on the floor of the van approximately five feet away from me and I clearly recall that the girl referred to as Tanya as a white female, 20 to 25 years old, slender build, blue eyes, small perfect teeth, small mole on right side of chin, wearing a dark brown or black wig, afro type. I knew it was a wig as she constantly shifted the wig on her head.

"I observed a photograph of Patricia Campbell Hearst from a photo spread of approximately eighteen photographs, demonstrated by SA [REDACTED] in an FBI vehicle parked in front of my residence on night of 5/18/74. I positively identified Patricia Hearst as being the white female who entered my van and was introduced to me as 'Tanya'.

"I also recall the other individual as a white male, 25 to 30 years old, 5'8" tall, 155 to 160 pounds, short bleached blond hair (no part), brown Fu Manchu mustache and goatee, green dress

long sleeve shirt with small birds imprinted on the shirt.

"I observed a photograph of William Taylor Harris from a photo spread of approximately 18 photographs, demonstrated by SA Thiel in an FBI vehicle parked in front of my residence on night of 5/18/74. I tentatively identified the photo of William Harris as being the same as the above described individual.

"The white male tentatively identified as William Harris asked, 'Will your parents be suspicious as you'll be with us until midnite'. I said, 'Every once in a while I did spend the night away from home without telling them'.

"Harris stated, 'We will have a lot of time to talk'. He started talking and I asked, 'What is the SLA really trying to do' and he replied, 'They wanted to overthrow the government'. 'The government had already been overthrown with the assassination of President Kennedy'. I asked, 'Why did you rob the bank?' He replied that they needed the money as it wasn't easy for what they were doing'. He stated, 'They declared war on the United States and were carrying on gorilla warfare to achieve this purpose'.

"The girl named 'Tanya' who I identified as Patty Hearst stated, 'she was a voluntary participant in the bank robbery in San Francisco, California'. The fact that her gun was at her side was that she carried her gun in that position, and could have used it at any time if necessary as it was loaded.

Also, she said she was not physically restrained in any way from using the weapon. She said, 'They planned out the bank robbery so carefully that they wouldn't have to turn their guns more than a certain amount of degrees'. Harris stated, 'If you have enough people and did it quick enough that they could rob a bank'. Patti then stated, 'that they had to rob the bank within a minute and a half in order away safely'.

"Harris asked Emily if she could find a place where he could get a hacksaw to remove the handcuff which was attached to his left wrist under his jacket. I assumed that we were in the vicinity of a Broadway Store because Emily asked William if he knew if a Broadway Store would have a hacksaw. William replied that he thought that they would. She parked the van and entered the store, exact location unknown, and the curtains were pulled behind the driver and passenger seats and the direction of travel could not be observed. Emily returned with no hacksaw and stated that they didn't have one. Emily then started driving around again and Patty Hearst picked up a weapon that was sitting next to her, which I had not observed before and was near her right leg. The weapon appeared to be identical to the one in possession of William Harris when he approached the van initially, that was an automatic rifle about two feet long and containing a banana clip. She picked up the weapon and

emptied the chamber by pulling back on a lever and a cartridge flipped out. The cartridge had not been fired. Then she removed the clip from the weapon and inserted the cartridge into the clip.

"Patty then pulled out a revolver with a brown handle and black barrel and loaded a couple bullets into the empty cylinders. She then showed me one of the bullets and stated, 'We use cyanide bullets and some people say that they are not powerful enough to kill some one but they are very strong and will kill'. Patty then handed the revolver to William and he put it at his right side. Previously, Patty had laid the rifle at her left side.

"Emily then drove the van to another store, location and name unknown, but did not purchase a hacksaw. She then drove to another store, later identified as Zody's as she returned with a paper sack bearing the Zody's on the side and containing a hacksaw, Nestle's Crunch candy bar and one other food item. She handed the bag to William and he removed the hacksaw and set it at his side.

"Emily then drove around and discussed with William when they were to go to the drive in movie. He said it was too early as it was just getting dark and to continue to drive around.

"William stated, 'It was really stupid that we got caught in the sporting goods store in Inglewood for just shoplifting

From a news broadcast from the radio in the van, they heard that the thing that they had been shoplifting was just a pair of socks. William then stated, 'It was a bandolier that he was attempting to steal.' He said he stole the bandolier because it would be too obvious if he were to purchase it. Emily Harris then stated, 'The reason he got caught was because it was a gun store and there was more security and if she knew it was a gun store, they probably wouldn't have entered the store'. William then stated that he shouldn't have let the guy handcuff him and he tried to reach for his gun but was too late and therefore lost his gun. Patty Hearst then stated, 'It was very lucky that she wasn't reading the newspaper during the struggle in front of the store'. Patty stated when she saw his head pop up, she grabbed the gun and fired over the people's head. She indicated that she fired one full clip of ammunition and grabbed the other gun but didn't need to use it. She stated that it was a good feeling to see her two comrades come across the street unharmed. She was proud and thought she did a good job in firing the weapon as she did.

"Patty then started talking and said that it was a boni fide kidnapping when they kidnapped her in February. She said that all the time that she was blindfolded and held captive, she listened to the radio broadcasts of her father's attempts to get her back. She thought that he wasn't doing

everything in his power to get her back. She implied that she had accepted the SLA ways because of her feeling that her father had not done everything possible to get her back.

"Patty stated that it was a bunch of bull shit that her mother wouldn't believe that she had joined forces with the SLA. She stated that in regards to the long SLA tape regarding the bank robbery and her boyfriend, that she was tempted to call her dad a fucker because her father was taking the money from the smaller fund and it was just a tax write-off. The food distribution program wasn't being run properly because they were handing out lower grade food. One instance they were to hand out dried black-eyed peas but it was really hog feed.

"William then instructed me to lie down on the floor and they put a blanket and the pillows over me. We then entered a drive in movie theater location unknown, and once inside they uncovered ___ so I could watch the movies which were Tomasina and Bushrod and the New Centurions. We entered the theater at approximately 8:30 p.m. and as soon as we got there, Emily got out and went to the snack bar. She returned with food and said she was the only white in ___ place and didn't see any sign of anybody.

"William said the handcuffs were really hurting him and he ___ trying to decide how to cut them. He asked me to help

and I told him that it would be easier to cut the pin out which I did.

"He asked me about school and I told him that I was a baseball player. We talked a lot about baseball. Alternately, Emily and William went to the snack bar at half an hour intervals and one time, Patty accompanied Emily. Once it was near midnite, they started to decide on what they were going to do and they decided to stay until one o'clock. Emily and William Harris implied that they were to make a contact with one or more persons at the snack bar around midnite. From twelve to one o'clock, they whispered among themselves as to what they were going to do and where they were going to stay if the contact didn't show. It didn't matter if they met them tonite as they had other rendezvous planned.

"Around one o'clock they decided to leave and Emily asked, 'Are we going to go to the place we talked about', and William replied, 'No, we are going to the other place.' Patty told me to cover myself up which I did and we exited the theater. We drove around for 15 to 30 minutes and Patty said it would be 2 hours before they released me. They got to the other place, no one got out but the conversation between them indicated that they could not stay there.

"We then drove for about 30 to 45 minutes with no freeway travel and came to second place and both Emily and William Harris got out and checked out the place. They returned after five minutes and William said she wasn't home and they couldn't stay there either. We sat there for a couple of minutes and then someone said lets go to the hill and spend the night.

"We then drove for about 30 to 45 minutes with 50 per cent freeway travel. They talked about getting another car as they thought that my car was hot. At one point just before stopping, we drove over a rough section of road which I thought was a dirt road. A couple times during the trip Patty tapped me on the head and asked if I was alright of which I replied, yes.

"Once we parked, Patty told me I could take the blanket off which I did and observed a brick wall and ivy along side the van. William told the two girls to get some sleep and the same to me as it was approximately three a.m.

"I awoke at 6:30 a.m. and heard them discussing how they were going to get another car. The girls purposed that they pose as hitchhikers to get another car. Once they decided to act as hitchhikers, he said it was too early as it was only 6:30 a.m. Patty was trying to locate a spot

to carry her handgun and finally they decided for her to carry it in back. At about 6:45 a.m., the two girls got out of the van and checked out the two vans behind us. About 10 minutes later they returned with another car. While they were gone, William wrapped up the two automatic weapons in my beige blanket but removed the clip from one of the weapons. He also wrapped the bandolier which contained about 20 shot gun shells in the blanket. He offered me some gas money but I refused the offer. When the girls returned, they parked in front of the van. He exited the van and said that I was really cooperative and I wouldn't have any trouble getting home. He told me to stay ten minutes after they left.

"I waited for about five minutes and then drove to my home in Lynwood, California. The only time that I really feared for my life was when they first got into my van and William Harris showed me the weapon and said that if I did anything stupid that he would have to hurt me.

"When Patty was loading her gun earlier, William stated that it was a M-1 gun that they had converted into a machine gun.

SENSITIVE AND DELICATE AS TO ANY INNOCENT PERSONS. AND I AM THE LAST TO DO OR TO SEE AN INJUSTICE DONE TO THE INNOCENT.

I RECENTLY READ IN THE POST THAT MONTGOMERY COUNTY (MARYLAND) HAD BECOME A REFUGE FOR MEMBERS OF WHAT HAS BEEN COMMONLY CALLED THE S.L.A. UPON READING IT I CALLED TO MIND WHAT I CONSIDER AN UNUSUAL SITUATION DIRECTLY ACROSS THE STREET FROM MY ABOVE ADDRESS AT [REDACTED]

THE ADDRESS AT [REDACTED] WAS SOLD THIS PAST SPRING BY A YOUNG LAWYER AND HIS FAMILY, WHO MOVED TO ^NORTH CAROLINA. THE PLACE REMAINED UNOCCUPIED FOR AT LEAST TWO MONTHS, THEN MY NEIGHBOR - [REDACTED] AT [REDACTED] INFORMED ME THE PLACE HAD BEEN RENTED FOR \$400 A MONTH TO TWO UNMARRIED COUPLES.

IN THIS DAY AND AGE I WAS NOT PARTICULARLY DISTURBED BY THIS ALLEGED NEWS. HOWEVER, I BECAME CURIOUS WHEN I DISCOVERED THAT EACH OF THE FOUR OCCUPANTS DRIVES HIS AND HER OWN CARS, EACH CAR BEARING LICENSE PLATES OF FOUR SEPARATE JURISDICTIONS.

PAGE THREE

MY CURIOSITY WAS FIRST AROUSED WHEN I DISCOVERED THAT THE CARS WERE TAKING TURNS IN PARKING IN FRONT OF MY HOUSE TWO AT A TIME, SOMETIMES AS LONG AS THREE OR FOUR DAYS WITHOUT MOVING. I WAS ALSO CURIOUS AS TO WHY TWO ALWAYS PARKED IN FRONT OF MY PLACE, WHEN THERE WAS AMPLE SPACE AT THEIR OWN RESIDENCE.

I HAVE SEEN ONLY TWO OF THE OCCUPANTS OF [REDACTED] WHO COME AND GO AT IRREGULAR INTERVALS FROM DAY TO DAY AND SOME FREQUENTLY DO NOT MOVE AT ALL FOR TWO OR THREE DAYS. THIS RAISED A QUESTION OF WHETHER ANY IS EMPLOYED; AND IF NOT, AS TO WHERE THE MONEY IS COMING FROM TO PAY THE RENT AND UTILITY BILLS. THE TWO I'VE SEEN CERTAINLY ARE NOT A REFLECTION OF AFFLUENCE.

THE MOVEMENTS OF THE TWO I'VE SEEN ARE RAPID AND SOMEWHAT FURTIVE. THE YOUNG MAN I CAUGHT A GLIMPSE OF AT A DISTANCE IS PROBABLY IN HIS 20'S, SLIGHT BUILD, ABOUT 130 TO 140 LBS., BLACK TOUSLED HAIR, DROOPING MOUSTACHE, SLOPPY DRESS, DRIVES A DARK GREEN OR BLUE PLYMOUTH OF ANCIENT VINTAGE WITH DENTED FRONT GRILLE, BEARING D. C. PLATES [REDACTED]

THE YOUNG WOMAN I SAW AT SOME DISTANCE OF 50 FEET OR MORE APPEARED FAINTLY DISTURBED WHEN SHE DISCOVERED I HAD SEEN HER. HER MOVEMENT WAS SO RAPID I HAD NO OPPORTUNITY TO GET A GOOD LOOK AT HER FEATURES. SHE WAS WEARING WHAT APPEARED TO BE A LIGHT TAN COLORED COAT, BUT I DID NOTICE SHE HAD SHOULDER LENGTH HAIR THAT WAS VERY BLACK AND WAS EITHER DYED OR A WIG. I WOULD GUESS THAT SHE WAS IN HER 20'S. SHE DRIVES A DATSUN, BEARING CALIFORNIA PLATES [REDACTED]

MY WIFE SAW THIS SAME YOUNG WOMAN ABOUT A WEEK AGO. MY WIFE WAS BEHIND A LARGE EVERGREEN IN OUR FRONT YARD, WORKING OUT OF SIGHT. SHE TURNED WHEN SHE HEARD FOOTSTEPS AND SAW THE YOUNG WOMAN ABOUT TO ENTER HER CAR PARKED IN FRONT OF OUR HOUSE. THE YOUNG WOMAN APPEARED STARTLED, SMILED WEAKLY WITH AN EQUALLY WEAK HELLO. MY WIFE SAID SHE ALSO WAS DRESSED SLOPPILY, BUT THOUGHT (WORD THOUGHT SHOULD BE UNDERLINED) SHE LOOKED VERY MUCH LIKE PATRICIA HEARST.

THE OTHER TWO CARS ARE A HONDA, BEARING OHIO LICENSE [REDACTED]

AND ANOTHER DATSUN, BEARING MARYLAND

IN VIEW OF THE SEARCH FOR PATRICIA HEARST I PASS THIS
INFORMATION ON FOR WHATEVER IT IS WORTH.

ADMINISTRATIVE

It is considered highly likely that the Q1652 through Q1848 cartridges were placed in the trash because the individuals discarding them had no weapons in their possession which would chamber and fire 7.65mm Mauser and 7mm Mauser cartridges. A listing of such weapons is set forth in this report.

For your assistance, nothing was observed in comparing the typewriting on Q1863 with the typewriting on Q63 through Q65, previously submitted in the SLA case, to indicate these items were prepared by the same typewriter.

MAN:smg

San Francisco has received numerous sighting reports regarding the three fugitives in this matter and these have been promptly handled and all have been negative to date. Interviews of individuals who, while they know the HARRISEs or PATRICIA HPARST but have no knowledge of their whereabouts, are not being set forth. The results of these interviews are, however, being maintained in the case file.

LEADS

All leads in this case are set out by teletype or other expeditious means and none are being set out in this report.

Information copies of this report are being furnished to offices designated and three copies of this report are being furnished to Los Angeles in the event it becomes necessary to disseminate one to the U. S. Attorney in that division.

JUDITH ELIZABETH LAWRENCE -
FALSE IDENTITY
PATRICIA MICHELLE SOLTYSIK

It may be noted that on May 17, 1974, a number of pieces of identification were located in a green suitcase in a house occupied by members of the SLA at 833 West 84th Street. Among this identification was a Department of Motor Vehicles (DMV), Division of Driver's License Instruction Permit, No. CY567663, in the name of JUDITH ELIZABETH LAWRENCE, 1437 Bancroft, Berkeley. This permit shows an issue date as December 20, 1973.

Investigation by the San Francisco Division has located JUDITH ELIZABETH LAWRENCE, nee Pritchett, as being a legitimate individual residing in Concord, California, and through interview and investigation, it has been determined that she has never resided at 1437 Bancroft and does not know any of the Subjects in this matter.

It is further noted that a California Driver's License in the name of JUDITH ELIZABETH LAWRENCE of 1437 Bancroft, Apartment D, Berkeley, No. N4372068, bears a photograph of a white female who appears to be identical to PATRICIA SOLTYSIK.

The following investigation was conducted by
SC [REDACTED] b7c

AT SACRAMENTO, CALIFORNIA:

On August 14, 1974, [REDACTED] Driver's License Section, Department of Motor Vehicles (DMV), furnished a copy of driver's license N4372068 in the name of JUDITH ELIZABETH LAWRENCE, 1437 Bancroft Number D, Berkeley, California. b7c

She was described as 5 feet 2 inches, 120 pounds, brown hair, brown eyes, date of birth April 24, 1948, previously licensed in the State of Ohio. Records indicated that this license was issued on December 20, 1973 out of the Oakland DMV Office.

[REDACTED] b7c advised that license R254868 in the name of JUDITH ELIZABETH PRITCHETT, 7529 Noy Avenue, Oakland, California, had been issued on November 9, 1971 and this individual was described as 5 feet 7 inches, 130 pounds, brown hair, green eyes, date of birth April 24, 1948. She also advised that PRITCHETT's maiden name had been JUDITH ELIZABETH LAWRENCE and that when the license N4372068 had been issued it had been matched to the license R254868 by mistake and had been sent out under that number to the Bancroft Address in Berkeley, California.

She stated that it was later determined that these two individuals were not identical and the license that had been issued on December 20, 1973 in the name JUDITH ELIZABETH LAWRENCE of 1437 Bancroft Number D, Berkeley, California, had been given the new number N4372068.

not delivered and was held for ten days, after which it was
returned to the sender. [REDACTED] disclosed that his records
do not show to which apartment this letter was addressed.

He states he cannot recall whether the name J.
LAWRENCE or JUDITH LAWRENCE was ever on any of the mail-
boxes at 1437 Bancroft. He also stated that the name
[REDACTED] was taken off the box at Apartment D, 1437 Ban-
croft, on June 11, 1974. He displayed a letter which he is
currently holding which is addressed to [REDACTED]
care of [REDACTED] 1437 Bancroft Street, Berkeley, Ca.

On June 19, 1974, Mrs. JUDITH ELIZABETH PRITCHETT, nee Lawrence, 4034 Salem Avenue, Concord, telephone 685-4833, was interviewed by SA [REDACTED] who identified himself to PRITCHETT as a Special Agent of the FBI through use of the Special Agent credentials. b7c

PRITCHETT stated that she has no knowledge of how anyone in the Symbionese Liberation Army (SLA) obtained a drivers license under her name or her birth certificate. She noted that the handprinting on the letter to the Contra Costa County Recorder closely resembles her style of printing. She also noted that her mother's name, NORMA JEAN MAYNARD, has not been used by her for some time and she opined that whoever used this name had access to other records executed by her. She noted that when she applied for employment at the University of California at Berkeley (UCB), she may have used her mother's maiden name. She said that her mother is divorced from her father and is remarried.

PRITCHETT stated that she had been employed at UCB from March, 1967 to August, 1968. She returned to apply for a job at UCB in January, 1972, and was told by DAVID MATSUMOTO, 102 Sproul Hall, UCB, that her previous employment application form had been lost.

PRITCHETT stated that she is not acquainted with NANCY LING PERRY, EMILY HARRIS, ANGELA ATWOOD or [REDACTED] b7c. She furnished samples of her signature and handprinting, as well as three pages from her college notebook which were written in her handwriting.

The following investigation was conducted
by the Los Angeles Division:

[REDACTED] both interviewed on June 17, 1974 by Bureau
Agents and [REDACTED] Berkeley, California
Police Department, at [REDACTED]

[REDACTED] a
student at San Francisco State this past year, furnished
the following information:

In approximately September, 1973, she returned
to Berkeley taking Apartment D, 1437 Bancroft, Berkeley,
and has been living there alone since that time. Recently,
she came to [REDACTED]

[REDACTED] and is currently living
in the apartment while she is gone.

[REDACTED] was shown photographs of known
SLA members and denies knowing any of them other than
NANCY LING PERRY, whom she met in the Summer of 1972 while
both were employed at a fruit stand operated by RUDOLPH
HENDERSON, also known as "Fruity RUDY". [REDACTED]
claims last saw NANCY LING PERRY in about September, 1973,
and PERRY may have known she was living at the Bancroft
Street address.

[REDACTED] stated she did not know anyone by
the name of JUDITH ELIZABETH LAWRENCE and could not recall
having ever received mail addressed to such a person.
She was advised that on December 3, 1973, a copy of a birth
certificate for JUDITH ELIZABETH LAWRENCE was mailed to
Apartment D, 1437 Bancroft, Berkeley. Further, that Cali-
fornia Driver's License issued December 20, 1973 to JUDITH
ELIZABETH LAWRENCE was also mailed to that address and these
documents had been found in the house occupied by the SLA
in Los Angeles.

[REDACTED] maintained she had never heard
of LAWRENCE and to her knowledge, had never received or
delivered these documents to anyone. She denied that anyone,
either male or female, had stayed in her apartment overnight
other than [REDACTED] who had done so infrequently.

SF 7-855

MAH:smg

To her knowledge, name JUDITH LAWRENCE never appeared on her mailbox and she states this name was never listed by her with the Post Office as an individual who would be receiving mail at that address. If this has occurred, it was completely without her knowledge.

She was shown an individual photograph of PATRICIA SOLTYSIK and a photograph appearing on the California Driver's License mailed to Bancroft Street address in the name of JUDITH LAWRENCE. She did not know this person.

[REDACTED] b7c
[REDACTED] used to reside at [REDACTED] Street, Oakland, and lived there for approximately eight months, at which time she met NANCY LING PERRY, who lived in the apartment complex. She considered PERRY merely a passing acquaintance and knew PERRY was employed at a juice stand in Berkeley, California area near the University of California. She estimated she saw PERRY on approximately 15 occasions and last saw her in about June, 1973.

[REDACTED] stated [REDACTED] also met NANCY LING PERRY and although not absolutely sure, thought that NANCY LING PERRY had visited the Bancroft Street address once or twice.

[REDACTED] denies any knowledge of any additional member of the SLA, other than PERRY, and could not identify any one else from photographs.

[REDACTED] and [REDACTED] were reinterviewed in the presence of [REDACTED] Palm Springs Police Department, August 9, 1974.

SF 7-855
MAH:smg

██████████ related when she returned to Berkeley, California for school, Fall, 1973, she saw NANCY LING PERRY at a fruit stand operated by RUDOLPH HENDERSON, also known as "Fruity RUDY", and later when she obtained her apartment at 1437 Bancroft, Berkeley, she gave PERRY her address and telephone number. 67c

In December, 1973, shortly before the Christmas Holidays, ██████████ received telcall from NANCY LING PERRY stating PERRY was having a letter sent to ██████████ address under another name. ██████████ told PERRY she had received such a letter, name of addressee not now recalled, and volunteered to pick up PERRY who did not have transportation. ██████████ picked up PERRY at approximately six o'clock p.m. in front of the garage where "Fruity RUDY" stored his juice carts on Durant Avenue near Telegraph in Berkeley.

██████████ brought NANCY LING PERRY back to her apartment and gave her the letter. PERRY talked of nothing special and did not explain why she was receiving mail under another name at that address.

██████████ arrived shortly thereafter and recalled PERRY stayed only a short time. ██████████ then drove PERRY to Shattuck Avenue in Berkeley and PERRY told her to drop her off as she would hitchhike.

██████████ does not know how NANCY LING PERRY could have received the second letter at her address and had no explanation for this.

██████████ went to Desert Hot Springs, California for Christmas vacation, where they stayed approximately four days, returning about January 1, 1974. ██████████ stayed with ██████████ in Oakland and when ██████████ returned from Palm Springs about January 10, 1974, he stayed in ██████████ apartment on Bancroft Street while ██████████ stayed with ██████████ as he wanted to be alone so he could write.

SF 7-855

MAH:smg

Specific dates were not recalled, however, shortly after news publicity broke about the SLA, the killing of MARCUS FOSTER, and NANCY LING PERRY being involved, [REDACTED] received a telephone call at her Bancroft Street apartment from a female who said something to the effect that this is "Horny Toad" or "This is a message from Horny Toad. I want you to burn the mail order food because it is poison". NANCY LING PERRY used to have a horny toad for a pet and [REDACTED] immediately thought the message was from PERRY and the SLA. The voice, however, did not sound like PERRY, and she did not know who made the call. [REDACTED] immediately thought of a letter she had received from PERRY during the Summer of 1973, so she burned this letter, which she does not feel had any information of value to this case.

[REDACTED] while staying at [REDACTED] apartment during approximately January, 1974, received a call for [REDACTED] which he referred to [REDACTED] in Oakland where she was staying with [REDACTED]. A second call was received in Oakland at [REDACTED] number and [REDACTED] took the call. The caller was again female and stated something to the effect "this is Horny Toad, have any of the nasty biology people been to see you." She replied "no", and the caller asked her if she was still working for "Fruity RUDY". [REDACTED] told the caller that "Fruity RUDY" had fired her that day; thereafter, the call was terminated and [REDACTED] again felt it was a message from PERRY, and she was inquiring as to whether or not the FBI had contacted her.

[REDACTED] stated it was common knowledge that NANCY LING PERRY was going with "Fruity RUDY", and when publicity broke about her involvement with the SLA, RUDY was quite nervous.

[REDACTED] deny further contacts and state they will immediately call [REDACTED] if they receive other calls or contacts which could be construed as coming from the SLA.

Following the shooting on May 17, 1974 at 1466 East 54th Street, Los Angeles, there was located on CAMILLA HALL's body a letter which was partially burned. There follows a transcription of this letter which is as accurate as possible, due to the condition of the original letter.

"Dear Mom & Dad

"How are you? I've been thinking about you a lot & hoping that all is well with you. I get a lot of strength from our love & it really helps keep me going. I'm sending this through Phil & Candy bec. I know you are probably being watched very carefully by now. My name has been in the papers & TV etc (the FBI missed me by a matter of days in Berk) but we're staying several jumps ahead of them at all times by using our creativity & determination to survive & carry on the business of the revolution. I want you to remember that I'm w/ really good people & that we've trained ourselves in a great many ways bec. we realize the importance of the people's forces surviving & gaining victory after victory (you know I never do anything half-assed). Our attitude is very positive & our courage comes from our love for the people & hatred for the enemy. You know well that I have worked for change all my conscious life. I went through many stages of development, attacking the enemy in many different fronts only to see change co-opted into reformism. I exhausted all the possibilities before finally deciding that this was the only way to actually get the revolution going in realistic terms. It has become increasingly obvious (or rather, I used to be incredibly naive) that the ruling class & the corporate state have no intention of giving up any power voluntarily (witness the contortions Nixon has gone through to stay in

power) & that the capitalist system is an evil that must be destroyed. We are actively engaged in battling the enemy wherever we find it - the enemy within as well as the enemy without. The "putrid disease of bourgeois mentality" is in all of us & we are constantly working to rid ourselves of it so we can be better soldiers & fighters for the people.

"I don't know what kind of press coverage we've gotten in your area or what kind of distortions they've been (illegible) people w/, but I strongly recommend that you check into underground news sources to get a better idea of what's really happening. The Barb has published all our communiques as well as people's responses to our actions & it would be very helpful to you in understanding all this to subscribe to it. It's \$10 a year & their address is Berkeley Barb, PO Box 1247, Berk Calif 94701. Ask them to send you all back issues beginning Jan 1974. Have them send it to you at school Dad, rather than to the house. I also recommend that you do some reading on revolutionary struggles around the world & writing of political prisoners in this country. Our support comes from oppressed people (illegible) will notice how so-called radical leaders have stumbled all over each other trying to get (illegible) other side of the fence to denounce us - bec. we threaten their organization & prestige. They have all become reformists, revisionists, & are eager to protect their interests. The truth is that they are scared shitless bec. we have put them in a situation that calls for

action to fulfill the courage of their convictions. Our support is from the people & will continue to grow w/ each victory as we prove to the people that revolution can indeed happen & will indeed be successful. We intend to be around for quite a while & to live to see the victories. I know you trust my sincerity even if you haven't yet come to agree w/ the course of action I have committed myself to. I am young & strong & willing to dedicate that & my courage & intelligence & love to this work. I feel really good about what I'm doing & want you to also.

"I should warn you that the FBI can "bug" you through your phone w/out ever stepping foot in your house - they can turn your telephone into a microphone that picks up even whispers up to 20 feet - even if the phone is on the hook. So you should discipline yourselves to not talk about me in the kitchen or study. Also watch your mail closely to see if any of it is delayed or tampered with. I'm putting scotch tape around this

--	--

 & you should be able to tell if it's been messed with. I'm sure you're beginning to understand better why it is difficult to write you & still maintain my security. Please try to understand that I won't be able to communicate w/ you again for quite a while for security reasons. Security not only involves me but my comrades. We all face the same problems of wanting to communicate w/ our loved ones but of not being able to do so "for security reasons". So don't feel you're

alone - there are lots of other parents & friends & lovers going through the same thing. I trust your courage & (illegible) to understand these things & keep them (illegible) your heart.

"Enclosed is a poem I wrote after hearing newscasters talk about my sudden, mysterious, & coincidental disappearance from my quiet little Berkeley bungalow.

"I sent Phil & Candy \$5 & a note w/ this saying that I was on the road & hadn't been able to get anything together for your birthday Mom & would they please buy you some pretty flowers & hand deliver them w/ this letter to you. I'm sorry I can't promise to be able to do this on our special family days but know what I remember them & send you my love on many many more days than just those.

"Be strong

On August 30, 1974, [REDACTED] was contacted at Moffett Field Naval Air Station and advised that he has made a complete search of all possible places where the receipt to the sale of the rifle could be and has been unable to locate the receipt.

He advised he will contact this office if he ever does locate the receipt. He believes that he probably threw the receipt away and every two years he cleans out items like this.

Date of transcription August 5, 19741

[REDACTED] advised that in about mid-July of 1972, he was given two guns by [REDACTED] to sell at the San Jose Flea Market, inasmuch as he was attempting to sell other items at the same time. He recalls one of the items that [REDACTED] gave him was a .30 caliber carbine rifle and the other item a .45 caliber Army pistol. [REDACTED] said that he did sell the rifle for approximately \$75 to a white male. He further described this individual as approximately age 35-40, height 5'8", weight 200-220 pounds (overweight with a "pot belly"), large arms, hair brown, receding in the front, possibly had tattoos on his upper arms, did not wear glasses, and was from Oakland, California. b7c

[REDACTED] said that when he sold the gun, he obtained from the buyer identification in the form of a California Driver's License which he recalled was in black and white and had a photograph, a BankAmericard, and a Gold Account Card from the First National Bank.

These three items were used as identification, inasmuch as the buyer gave him a check in the amount of \$75 for a rifle made out to [REDACTED]

He recalls having this individual fill out the receipt for the sale of the rifle, giving his name and address, but he could not recall the name of this individual.

[REDACTED] said at the time he sold the rifle a second person was with the buyer, and he described this individual as a white male, age about 27 - 28, hair color not recalled but fairly long and ratted, height 5'6", build thin.

[REDACTED] was shown numerous photographs of individuals believed to be connected with the Symbionese Liberation Army and he picked out the photograph of WILLIAM LAWTON WOLFE as resembling the friend who was along with the buyer of the rifle.

He advised he had received a call from ATF about one month ago inquiring into the sale of the above carbine, and he had checked his old records and found that he has no sales records of guns prior to about 1967 and could, therefore, find nothing regarding the above sale. [redacted] was interviewed and provided the following information:

[redacted] stated he is a gun collector and as such has a large gun collection. In order to facilitate this collection he, from time to time, attends gun shows in various parts of California for the purpose of selling and/or trading weapons. In this regard [redacted] advised he remembers attending a gun show at the San Mateo, California, fairgrounds in February 2-3, 1973 sponsored by an individual known as [redacted] a gun collector from the San Mateo area. The fee for a table at the gun show was \$15.00. [redacted] said he had approximately 25 to 30 weapons on display for sale and/or trade and that he specifically remembers on the Saturday of the show in the late afternoon being approached by a young girl wearing a field jacket. The girl he remembered as having short light brown hair and walking directly to his table and purchasing a .30 caliber carbine manufactured by the Winchester Company for \$85.00 cash. [redacted] said he thought this to be unusual at the time as most people browse through gun shows and "dicker" with respect to the sale price and at least examine the gun before purchase which he does not remember the girl doing. As is his practice he would have obtained her driver's license number and data therefrom but stated he cannot locate this record after an extensive search of his files.

[redacted] was asked if he would make available his records of purchase for the pertinent period and he refused stating he did not feel it was the FBI's business to whom he sold guns. When asked how he specifically remembered the sale he stated he remembered due to his home having been burglarized on the weekend of the sale and the fact that his wife had to return to Los Angeles by Sunday morning. He stated he reported the burglary to the Los Angeles Police Department (LAPD) as the residence he was in at the time was [redacted]

Regarding the show in general [redacted] said he observed many people there with cameras taking photographs and he assumed some of them were Alcohol, Tobacco, and Firearms personnel and others were citizens and policemen from the local area.

b7c When asked, [REDACTED] said he could not definitely say the weapon he sold to the girl noted above was in fact a carbine bearing Serial Number 1248504. He stated he has had and has sold many carbines and could not be more specific regarding his recollection of the serial number and since he could not find the record of sale would not be definitely able to say this was the transaction in which he sold that particular rifle.

[REDACTED] said he could not remember how long he had the carbine with Serial Number 1248504 but did remember purchasing it through a local throw-away type newspaper, The Valley Green Sheet, in 1971. He added if he had not been unlucky enough to have been arrested by the LAPD with this weapon, no one would have known he had possessed it.

[REDACTED] said he had little recollection of the individual purchasing the carbine and doubted very seriously if he could recognize her again from a photograph or in person.

At this point [REDACTED] asked if he were considered a suspect in the conversion of this carbine from semi-automatic to automatic condition. He stated if this were the case he would be willing to take a polygraph examination if he could be limited to this facet only as he did not wish to discuss this general situation under the conditions of a polygraph examination.

[REDACTED] was assigned to Section B, Table 79, and received a refund of \$5 because of payment for the space.

[REDACTED] stated that there was a hold-back on sale of carbines at this show because of the problems of revolutionaries purchasing such weapons. He stated he should have a slip showing the sale of instant weapon by [REDACTED] if it were sold at this show, however, he does not have such a slip. [REDACTED] stated his records reveal that only three carbines changed hands at this show, one of which was sold by [REDACTED] and that all three weapons were sold to people in police activity or connected with police recommendation.

[REDACTED] stated that he has no master list of venders or exhibitors at this show, however, would be able to advise as to whether any individual were either a vender or a displayer. He further stated that he has no photographs taken from the show, however, he was very familiar with most exhibitors and recognizes many of the attendees at the show and would be willing to look at any photographs which might be available.

[REDACTED] **EDDIE C. SPARKMAN**, age 50, Apartment A6, Town and Country Apartments, 444 South Ashland Avenue, Lexington, Kentucky, advised that he has been buying, selling and trading guns since he was 12 years of age. His hobby is trap shooting and hunting and almost all of his guns are long barreled guns. He has known [REDACTED] Union, Kentucky, all his life and used copies of his gun license to ship guns back from California to his brother **PAUL SPARKMAN** in Mallie, Kentucky. His brother is also a trap shooter and hunter.

In 1971 and 1972, SPARKMAN sold most of his guns to pay for a divorce from his former wife, **AUDREY** while in Modesto, California, before moving back to Kentucky.

He has never purchased five nine millimeter handguns at any time, hardly ever buys new guns and does not even recall being in Jelly's Bait Shop in Stockton, California. He has been in several gun shops in Stockton, California, looking at guns but has never bought any guns in Stockton, California.

All the members of the club and some outsiders have tables at these sessions and trade and sell their guns. He recalls this man had mostly handguns but traded SPARKMAN a Winchester Model 12 pump, 12 gauge trap grade shotgun, 30 inch full choke barrel, serial number 1770325 for SPARKMAN's colt 45 pistol and his M-1 carbine plus \$100. Miscellaneous:

By communication dated July 30, 1974, San Francisco requested FBI Offices in states surrounding California to check with law enforcement agencies and check law enforcement computers for any record of the above weapons. This check was negative in results.

By communication dated August 12, 1974, the Los Angeles Office advised that ATF had conducted additional investigation regarding this matter, and pertinent parts of this investigation are set forth below:

On July 26, 1974, ATF Agent [REDACTED] ATF Strike Force, San Francisco, California, reported that a confidential source had furnished the following information:

[REDACTED] and [REDACTED] were close associates and [REDACTED] with [REDACTED] the more accomplished of the two men. Both men claimed the ability to convert semi-automatic firearms to full automatic. [REDACTED] boasted of possessing a large number of fully-automatic weapons.

The confidential source further advised that the H&R Surplus Company, P.O. Box 151, Hamtramak, Michigan, shipped large quantities of M-1 and M-2 .30 caliber U.S. carbine parts to [REDACTED] Street, Oakland, California, during 1972 and 1973. That house was then reportedly occupied by the following people:

[REDACTED]

That house was reportedly vacated during January, 1973.

On August 5, 1974, ATF Agent [REDACTED] Detroit, Michigan, reported that [REDACTED]

ATF Agent [redacted] Los Angeles, California, who helped to prepare the detailed firearms report on the recovered SLA .30 caliber U.S. Carbines modified to fire full automatic advised that some of the above shipped M-2 .30 caliber U. S. Carbine parts are consistent with those parts used in the full automatic modification on the four carbines recovered from the SLA confrontation, specifically M-2 Magazine Catches, M-2 Sears and one M-2 Trigger Housing were found in recovered carbines.

On July 23, 1974, ATF Agent [redacted] presented the above facts to U. S. Attorney (USA) JAMES BROWNING, in charge of the Federal Grand Jury investigating the SLA in San Francisco. USA BROWNING was interested in this information and requested that ATF, Detroit, attempt to obtain additional information from the H&R Surplus Company.

In addition, ATF Agent [redacted] reported that he and Inspector [redacted] Intelligence Detail, San Francisco, California Police Department were present at a gunshow held on February 3, 1973 at San Jose, California where known Venceremos Organization (VO) people purchased quantities of ammunition and firearms.

He stated upon reflection regarding this matter, he believes the person making these alterations would have to be an extremely good mechanic, an expert gunsmith, and an engineer, in that there was definite engineering used in the altering of the guns, and he stated he knows of no legitimate gunsmith in the area who possesses all these qualifications. He stated there may be gunsmiths who operate on a sub rosa basis, but he does not know who they are, as he deals entirely with legitimate people. He stated he has no suggestions as to how to find out who these individuals could be.

The original of the Affidavit was given to the San Francisco Municipal Court's Office, where they were stamped and assigned a search warrant number. BRUNO B. FARDIN, Clerk of the Court, assigned search warrant number 1194 to the documents.

"On 7/12/74, I went to the Chief Special Agent's Office at 150 Hayes Street in San Francisco, Room 400. At that time I received from [REDACTED] a copy of the message unit calls from the telephone number 755-9084. On February 6, 1974, February 18, 1974, and again on February 18, 1974, message unit phone calls were made to the city of Oakland to telephone number 531-8081. This phone number is the telephone number of [REDACTED]

"I contacted [REDACTED] and learned that the suspects TONI WILSON and CANDI JACKSON contacted [REDACTED] to inform them that their phone had been put in. At that time they gave [REDACTED] their phone number. They returned a phone call on February 18th to indicate that the rent for February would be late. They recalled the [REDACTED] again on February 18, 1974, to get their address. Apparently, the two female suspects had lost the [REDACTED] address.

"The copy of the PT&T phone bill will be attached to the case along with the Search Warrant, Affidavit for Search Warrant, and Return of Search Warrant document.

"On 7/15/74, I will return to the San Francisco Municipal Court and return the original of the Search Warrant along with the original of the Return of the Search Warrant."

62c [REDACTED] The following investigation was conducted by SA [REDACTED] on July 24, 1974:

The records of Pacific Gas and Electric (PG&E) reflect that TONI WILSON had service at 37 Northridge Drive, Daly City, from the middle of January, 1974 to May 17, 1974, and the final bill was forwarded to the same address indicating

67c to PG&E that TONI WILSON owned the address. In making application for the service, the records indicate that she worked for the San Francisco School District as a substitute teacher, her husband's name was MARK, and that prior address was listed as 415 Orange Avenue, Anaheim, California. SA [redacted] telephonically contacted the Los Angeles Office regarding the Anaheim address and they advised later in the day on July 24, 1974, that there is no such address in Anaheim.

It was determined that as of January 30, 1974, TONI WILSON of 37 Northridge Drive in Daly City had telephone number 755-9084. This service was discontinued May 2, 1974. At the time of obtaining the service, TONY WILSON indicated employment as a salesman at Fireman's Fund, 3333 California Street, San Francisco, telephone 929-2000, Fxt. 0973.

67c [redacted] Pacific Gas & Electric, Security, San Francisco, advised that in regard to the house at 37 Northridge Drive in Daly City that service was initiated there by a TONI WILSON on January 24, 1974. This person gave her former address as 415 Orange Street, Anaheim, California, and her occupation as being a substitute teacher with the San Francisco School District.

Investigation by the Los Angeles Division reflects that there is no such address as 415 Orange Street in Anaheim.

Neighborhood Investigations

Additional neighborhood investigations were conducted in the vicinity of 37 Northridge Drive, however, no one was located who had any positive information regarding the residents of 37 Northridge Drive.

67c In view of the fact that [redacted] stated that when he saw the two girls who rented the house at 514 Winchester Drive in Daly City, they appeared to be walking. The possibility existed they may have had another house in the immediate vicinity. Consequently, a door-by-door neighborhood investigation was conducted in the appropriate area of Winchester Drive, however, no information of a positive nature was obtained.

b7c [redacted] were interviewed at their residence by Special Agents [redacted]. At the beginning of the interview, both Agents identified themselves by use of official credentials. [redacted]

[redacted] were advised that the nature of the interview concerned 37 Northridge Drive, Daly City, California, and any connection this property may have with the Symbionese Liberation Army (SLA).

[redacted] advised that he purchased the property at 37 Northridge Drive in April, 1973. He stated he put the property up for sale on or about April 17, 1974 and received a firm offer for its purchase on April 30, 1974. He stated it took until May 23, 1974 for the loan to go through and that the new owners actually did not move in until May 23, 1974.

[redacted] stated they purchased the above property not only as a possible tax shelter, but for the convenience of [redacted] who had recently been divorced and was attempting to locate a rental property. [redacted] stated they rented the property for a short time to [redacted]. Shortly after this, [redacted] left the Bay Area and moved to the Hawaiian Islands. [redacted] stated that he had had other problems with tenants at this property and on January 20, 1974, he placed a rental ad for the Northridge Drive property in the "Industrial City Newspaper", a throw-away paper distributed in San Mateo County. [redacted] stated that on January 20, 1974, he and his wife were working on the property at 37 Northridge Drive preparing it for rental.

when two white females, giving the names TONI WILSON and CANDI JACKSON, contacted them at the property in regard to the rental. He stated he and his wife were working inside the house and that he noted both girls got out of a small automobile, dark in color, possibly either dark blue or black. He stated the car was parked across the street and that TONI had apparently been driving, as she got out of the car first. He was unable to describe the make of this car, as he just barely noticed it pointing out he did not desire to state any particular make as he did not pay that much attention. He only recalls that it was a very small, dark car. He continued that he received the impression that the car did not belong to either TONI or CANDI, as when he was going through rental negotiations with them he pointed out that the lock on the garage was broken and wanted to call this to their attention if they intended to store their car there. He stated one of them told him that the car they were driving did not belong to them and that they did not own a car but planned to buy one.

b7c [REDACTED] described these two girls as follows:

Both girls stated they were Trans World Airlines (TWA) stewardesses. One of the females stated that she had been furloughed from TWA. [REDACTED] advised that he had contacted TWA and learned that TWA did in fact have female employees with the last names of WILSON and JACKSON, however, they could not locate a TONI WILSON or CANDI JACKSON. 67C

[REDACTED] stated that they rented the property at 37 Northridge Drive to WILSON and JACKSON on January 20, 1974. The rent for the house was \$265 per month plus a \$50 cleaning fee. [REDACTED] stated the girls paid him a total of \$400 in cash at the time of the rental of the house. [REDACTED] further advised that WILSON and JACKSON gave a previous address which he has since lost and gave the real estate firm of Grubb and Ellis in San Francisco as a reference. He stated he recalls contacting the Grubb and Ellis Company and believes Grubb and Ellis verified that WILSON and JACKSON did live in either the Sunset or Richmond District of San Francisco. WILSON and JACKSON advised that they previously had lived in an apartment managed or owned by the Grubb and Ellis Company.

[REDACTED] furnished a copy of a rental agreement, dated January 20, 1974, signed by TONI WILSON and CANDI JACKSON. Attached to the rental agreement is a handwritten note dated January 30, 1974, which states, "JIM, thanks for the note and home information. We are certainly enjoying the house. It's becoming more and more comfortable as we each add our own little things. We should be getting our phone this week and we'll give you a call to tell you the number. Thanks for your offer of help - CANDI" [REDACTED] advised that the girls did in fact telephone him with their new number, 755-9084. [REDACTED] recalls receiving two or three telephone calls, probably in February, from WILSON or JACKSON.

[REDACTED] and his wife advised that they both went to 37 Northridge Drive near the end of January, 1974 to make a minor appliance repair. When they arrived at the property, they observed a white male in his early twenties installing a heavy security-type lock on the front door of the residence. This lock was the type security lock requiring a key both to enter and exit the house. The MAZZARIELLOs described this white male as being in his early twenties, 5'6", heavy, curly, dark blonde hair, blonde, bushy mustache and wearing mod glasses. TONI WILSON introduced this male individual by name as her boyfriend, however, [REDACTED] could not recall the name. TONI stated that they would furnish a key to [REDACTED] for the new lock. [REDACTED] stated he never received the key. WILSON and JACKSON explained that they were having the security lock installed because they had never lived in a house, had always lived in an apartment and felt the need for greater security.

The spread included several different pictures of EMILY and WILLIAM HARRIS and PATRICIA MICHELLE SOLTYSIK.

67C [redacted] stated he could not positively identify any of these individuals as identical to WILSON, JACKSON or the boyfriend. [redacted] advised that the picture of PATRICIA MICHELLE SOLTYSIK closely resembled TONI WILSON, however, she could not make a positive identification. [redacted] stated that WILSON, JACKSON and the boyfriend are the only three individuals they ever saw at the 37 Northridge Drive property during the WILSON-JACKSON tenancy. At the showing of the photographs, [redacted]

[redacted] entered the room and [redacted] advised that their sons had seen WILSON and JACKSON on one occasion. After [redacted] viewed the photographs, [redacted] picked the photograph of PATRICIA SOLTYSIK as a very good likeness for TONI WILSON. The sons could make no other identification.

[redacted] stated that he had made arrangements to receive the rent checks by mail and did not return to the property during February. [redacted] stated that he returned from a business trip to Australia on about March 3, 1974. Upon his return, [redacted] was told by his wife that the rent had not been received from either JACKSON or WILSON. [redacted] attempted to contact WILSON and JACKSON by telephone on several occasions between March 3, and about March 15, 1974, however, he was unable to locate them by telephone.

On about March 15, 16, or 17, 1974, [redacted] went to the property at 37 Northridge Drive and noted that the house appeared to be abandoned. There was mail stashed in the mailbox and no signs of anyone being at the property. [redacted] stated he could not enter the front door with his key because of the new security lock and after attempting to open various windows in the house, found a kitchen window unlocked. [redacted] entered the house through the unlocked kitchen window after forcing his way through tightly drawn cloth which he later found had been nailed to the inside of the window frame. [redacted] then examined the inside of the property and found that all windows, including a frosted

67C glass window in the bathroom, had been tightly covered by tacking the drapery material to the window frames and where drapery material was not available, other heavy cloth was tacked to the windows. [REDACTED] found spoiled food left in the refrigerator and two one gallon wine jugs in the kitchen sink. [REDACTED] advised that the house had hardly any furniture and was in an unkempt condition, however, it did not appear that anyone had used the house extensively other than in the master bedroom. [REDACTED] noted that in the master bedroom there appeared to be hundreds of small holes in the walls which he later determined were made by BBs. In addition to the BB holes in the walls, [REDACTED] stated that in the master bedroom there were heel prints on the walls up to a level of about five or six feet. In addition to this, the master bedroom closet, which is approximately four feet by six feet, had the lock reversed on the door to prevent it from being opened from the inside. [REDACTED] further stated that some kind of a shelf or device had been fastened to a wall inside the closet since there were holes in the wall and evidence that something had been "ripped or torn from the wall". [REDACTED] also advised that it appeared a large lock had been placed on the inside of the master bedroom door since a hole had been made in the door casing and the door indicated a lock had been placed there and removed before the occupants left the house.

[REDACTED] also searched the attached garage at 37 Northridge Drive where he found a 1964 Chevrolet station wagon, Bel Air, white over light green, which was abandoned in the garage. He advised that the station wagon had figured curtains in the side and rear windows. [REDACTED] stated this automobile bore California license plate MJU 792 and had been backed into the garage. He stated he recalled the car being backed into the garage because he was angry that someone would position a vehicle in the garage so the gas tank of the vehicle was next to the hot water gas fired heating tank. He stated the hood of the car was raised. A heater hose was laying on the floor of the garage and oil had dripped on the floor of the garage. It appeared that the heater had been removed from this vehicle and one of the heater hoses was folded over and clamped in the engine area of the car.

b7c Upon making the discovery that the house and car appeared to have been abandoned, [REDACTED] stated that he called TWA to check on WILSON and JACKSON, however, he received a recorded message stating that the Personnel Office had been moved to Kansas City. [REDACTED] stated that on about March 20, 1974, after trying to decide what to do about the abandoned car, he checked with the Walnut Creek Police Department to see if there was a stolen report on the car. When finding this was negative, [REDACTED] stated he checked with the Department of Motor Vehicles (DMV) and learned the automobile was registered to PAUL ASHFORD, 514 Winchester Drive, Daly City, California.

In regards to the automobile, [REDACTED] stated that he thought probably the car belonged to the boyfriend he had observed at the property earlier and on April 15, 1974, he wrote a handwritten letter to PAUL ASHFORD, 514 Winchester Drive, Daly City, notifying him that he had the automobile and desired that ASHFORD make arrangements to recover the car. The letter was returned by the Post Office undelivered. On May 29, 1974, [REDACTED] had his secretary prepare a typewritten letter to ASHFORD which [REDACTED] sent registered mail to 514 Winchester Drive, Daly City, requesting ASHFORD make arrangements to recover the car. The letter was returned by the Post Office on May 31, 1974 undelivered.

[REDACTED] advised that he and his wife decided to sell the property and on about April 17, 1974 started painting and refurbishing the property in preparation for its sale. He stated in addition to his wife, his brother-in-law helped paint the property and they noticed that the small holes in the walls had been made by BBs being shot into the wall. In addition to this, they observed that a wooden beam at the end of a long hallway in the bedroom area had been shot full of BBs. [REDACTED] stated that the entire house was re-painted, however, he did not paint the inside of the master bedroom closet. [REDACTED] stated that in addition to the covering of the windows previously mentioned, the master bedroom had soiled spots on the walls which appeared to have been made by either two mattresses or sleeping bags placed on the floor in that bedroom. There were no beds or other furniture in the house with the exception of two cane-type chairs which had been left in the living room. The carpeting in the master bedroom was very dirty and dozens of BBs were removed from this carpeting when cleaning.

b7c [redacted] advised at this point that the carpeting had been cleaned in the entire house just previous to WILSON and JACKSON renting the property and all of the carpeting remained in a clean condition other than the master bedroom. The only other furniture left in the house was a glass top table and two broken chairs. The two broken chairs have since been discarded, however, the [redacted] have at their residence the glass top table and the two chairs which were left in the living room.

[redacted] stated that at about the time they were cleaning and painting the property for sale, [redacted] suggested that he contact law enforcement authorities about the strange condition of the house. However, [redacted] stated that since he had so many "kookie renters" before WILSON and JACKSON, he decided that they were just two more "kookie individuals".

[redacted] removed the above-described station wagon from the Northridge address about April 18, or 20, 1974, and drove it to his residence in Oakland. [redacted] had engaged the services of Dad's Locksmith and Hardware, 5270 Mission Street, San Francisco, to make a key for the security lock on the front door of the residence and a key for the 1964 Chevrolet station wagon. Subsequent to that time, he has had numerous contacts with DMV in an effort to secure title to the vehicle but, to date, has been unable to obtain title.

[redacted] stated he did not give serious thought to the tenants or the property after it was sold in late April until his wife obtained employment at [redacted] about June 1, 1974 [redacted]

[redacted] stated it was about June 1, 1974 that she [redacted]

[redacted] advised that she was discussing the strange circumstances of the Northridge address and the abandoned vehicle with [redacted] when [redacted]

[redacted] stated that she had a close friend, one [redacted] who was doing research for a newspaper reporter.

[redacted] stated the newspaper reporter was [redacted] and [redacted] was writing a book on the kidnaping of PATRICIA HEARST and would probably be interested in some strange circumstances [redacted]

b7c because it might be connected with the SLA. [REDACTED] stated that about the middle of June, [REDACTED] telephoned her for an appointment and subsequently came to [REDACTED] where she interviewed [REDACTED] about 37 Northridge Drive and the abandoned Chevrolet station wagon. [REDACTED] stated she was doing research for [REDACTED] a "San Francisco Chronicle" newspaper reporter who was writing a book on the HEARST kidnaping.

[REDACTED] stated that on about July 1, 1974, [REDACTED] telephoned [REDACTED] and requested an appointment. [REDACTED] came to the [REDACTED] residence one evening around the first of July and interviewed [REDACTED] for about two hours regarding the abandoned property on Northridge Drive and particularly about the abandoned station wagon. [REDACTED] stated that [REDACTED] advised him that he has done hundreds of hours of personal investigation into the HEARST kidnaping and had traced the possible trail of PATTY HEARST from her kidnaping to Los Angeles. [REDACTED] stated to [REDACTED] that he believes from his investigation that 37 Northridge Drive, Daly City, was an SLA safe house and that the abandoned Chevrolet station wagon could have been used to transport PATTY HEARST on the night of her kidnaping. [REDACTED] asked [REDACTED] if the station wagon had colored figured curtains in the rear and side windows. [REDACTED] also told [REDACTED] that other SLA houses had been peppered with BB shots apparently from target practice. [REDACTED] stated that this was his first knowledge of any connection between the BB shots and the SLA or any other information which might have connected his property with the SLA.

[REDACTED] stated that he furnished [REDACTED] with all of the information he had mentioned above regarding the condition of the property at 37 Northridge Drive and the abandoned station wagon. [REDACTED] told [REDACTED] that he is writing a book about the HEARST kidnaping which he hopes to have off the press by about the end of July, 1974. [REDACTED] stated he planned to include the above information in his book.

[REDACTED] further advised that he was contacted by [REDACTED] and [REDACTED] of the Berkeley Police Department on about July 6, 1974 and he furnished all of the above information to the Berkeley Police Officers. In addition to this, [REDACTED] stated that the Berkeley Police Department had taken the 1964 station wagon to the Hall of Justice for "processing" on July 8, 1974. The vehicle has been returned to [REDACTED] and was observed

[REDACTED] was interviewed at her residence by SAs [REDACTED] who identified themselves as Special Agents of the FBI by the show of Bureau credentials.

[REDACTED] advised interviewing agents that around the last two weeks of December, 1973, [REDACTED] who then lived at [REDACTED] who presently resides at [REDACTED] and her husband [REDACTED] asked her to sell his car for him. [REDACTED] stated that this particular car, which is a 1964 Chevrolet Station Wagon, white over light green in color, originally was purchased by her father in August or September of 1972 and was purchased specifically for the use of [REDACTED]. She stated that [REDACTED] wanted her to sell the car because he was working, was a student, and had no telephone, but it would be more convenient for her to answer the inquiries of perspective buyers since she was at her residence during the daytime.

[REDACTED] stated that they placed an advertisement about the car in the "San Francisco Chronicle", Classified Ad Section of the newspaper on or about January 8, 1974. She advised that on January 14, 1974, about 1:00 p.m. in the afternoon, she received a telephone call from a person who stated he was interested in purchasing an automobile in answer to her ad. [REDACTED] provided the caller her home address and explained that the automobile was located there for his examination. She stated that about 2 or 3:00 p.m. the same date, the following described individuals arrived at her residence inquiring about the vehicle:

Individual No. 1:

White male adult, 22-25 years, 5'7" - 5'8" tall,

stocky build, medium-length reddish brown hair, light colored eyes, clean shaven, no mustache or beard, wearing light colored corduroy Levi pants, a dark 3/4 length jacket comparable to a Navy pea jacket, and a watch cap.

Individual No. 2:

White female adult, 22-25 years, 5'4" - 5'5" tall, 120 pounds, tanned skin, wearing a "awful looking" deep red medium-length wig which [REDACTED] described as sort of an over to the side bouffant hairdo which is presently out of style. The individual was further described as wearing light corduroy Levi pants and a grayish-green ski-type parka jacket. b7c

[REDACTED] advised that neither of the above two individuals spoke with any accent nor offered any identification or gave any background about themselves. [REDACTED] further advised that during her conversation with the white female, she did make some reference that she worked "like a secretary". [REDACTED] believed her employment was in the East Bay Area and the white female indicated that they were either moving from the East Bay to Daly City or from Daly City to the East Bay. [REDACTED] could not recall exactly which one. She stated that the white male seemed nice enough but possessed a very cold-type personality, and he acted as though he were doing his wife a favor by purchasing a car for her, and that the white female seemed very excited and flighty about getting a car.

[REDACTED] stated that after the initial contact with the couple, the white male wanted to examine the car so she accompanied him to the front of her residence where the automobile was located. She stated that Individual No. 2 stayed in the house with [REDACTED] child, who is about two years old. She stated when she and the male individual got to the street, she asked him where his car was located. He stated that he had a hard time locating her house, and that there was no parking nearby, and that it was parked down the street. [REDACTED] advised that she felt it was strange since there was parking available in her drive-way.

3

SP 7-855

RLS:smg

b7c [REDACTED] stated that the male individual examined the vehicle thoroughly and asked various questions about the maintenance of the car, whether it had a spare tire, and if the starter motor was working properly, to which she answered these questions. He then requested a test drive of the vehicle to which she accompanied him, driving around the block.

When they returned to the residence a short time later, he stated he would take the car, however, since the asking price was \$500, he inquired if she would take \$450. She advised the individual that she would have to confer with her husband, and that she would have to telephone him at his place of employment. She stated they called her husband at work to which they agreed on the price of \$450 as the purchase price on the vehicle.

[REDACTED] stated that the male individual possessed only \$20 bills, and that she had no change available in the house. She advised him that he could change the 20's at a Safeway Store which is located four blocks east and one block north of her residence at the [REDACTED]

She advised that the couple returned in approximately 20 minutes, and she recalled that the time was approximately 5:00 p.m., and that it was getting dark. She stated that she peered out of her bedroom window which looks over the frontage of the house, and she observed the two individuals alighting from a light colored, standard size car, make unknown. She advised that the female appeared to be quite excited, that she was jumping up and down.

[REDACTED] advised that she and the male individual began to complete the sales transaction by the filling out of the "pink slip" and the exchange of money, and the individual asked her to assist him in filling out the "pink slip" and transfer of the vehicle's papers into his name. [REDACTED] felt this was strange that he did not know how to complete filling out the paper transaction if he had been a resident of California for any length of time. She advised that she did not give the individual a receipt for his money nor a bill of sale. [REDACTED] advised that after the

sales transaction, the male individual drove the purchased vehicle and the female drove the other vehicle, which she could not fully describe to interviewing agents.

b7c [redacted] advised interviewing agents that on the same date of the sale, which was January 14, 1974, she sent a Western Union Telegram to [redacted] advising him of the sale of his vehicle. [REDACTED] was interviewed at his office by SAs [REDACTED] who identified themselves as Special Agents of the FBI by the showing of Bureau credentials.

[REDACTED] who is the owner of an apartment located at 514 Winchester Drive, Daly City, advised interviewing agents that he has owned this property for approximately five to six years, and that he is a contractor who buys old homes and remodels them.

[REDACTED] stated that approximately one week prior to January 12, 1974, he ran a rental advertisement in the "San Francisco Examiner" for the apartment located at 514 Winchester Drive, Daly City, and that on Thursday, January 10, 1974, he received a telephone inquiry from an unknown female and he made arrangements to meet her in front of the afore-mentioned apartment house at 2:00 p.m. on Friday, January 11, 1974.

[REDACTED] advised that he had arrived at the apartment prior to anyone else's arrival. He stated that about 2:00 p.m. on January 11, 1974, he observed a white colored foreign made vehicle pull up in front of the address. [REDACTED] noted that he was positive this vehicle was not a Volkswagen because of his dislike of this make of vehicle.

[REDACTED] stated that two white female adults alighted from the vehicle, and he noted there was a third party who stayed in the car, however, he was unable to advise if the third party was male or female. He said that the females identified themselves as JOANNE JAMES and JUDITH LAWRENCE. He advised after they looked at the apartment, they decided to take it. One of the girls, who identified herself as JOANNE JAMES, pulled out a roll of \$100 bills "big enough to choke a horse" from her pocket. [REDACTED] advised that

that according to the size of the roll and the size of the bill's denominations, he figured there must have been at least \$2,000 in the roll and maybe more.

He advised that even though JAMES paid for the housing, she stated the house could not be listed in her name and insisted that it be put in JUDITH LAWRENCE's name. [REDACTED] advised that this action on their part aroused his suspicion, and he asked for some identification from them. They produced some type of driver's licenses, and [REDACTED] did not notice much about them except to state he would have noticed if they had been out-of-state licenses. [REDACTED] noted that he copied the spelling of JUDITH LAWRENCE's name onto a rent receipt dated January 12, 1974, which was taken from the name on her driver's license. [REDACTED] stated that at the time that they looked at the apartment on January 11, 1974, his brother's furniture was still in the apartment, and the girls wanted to rent the furniture also. [REDACTED] agreed to leave the furniture, however, he would have to obtain a \$50 deposit fee for any damages, plus of \$50 cleaning fee. In addition, he collected a total of \$350 rent fee for the apartment which would cover the first and last month's rent. The girls agreed to the price, however, they objected to the \$50 cleaning fee, but subsequently agreed to pay all fees and rental for the property.

[REDACTED] offered to help them move into the apartment, however, the girls declined his offer, saying that one of them had a boyfriend with a truck who would help them move in. [REDACTED] stated that he needed to do some repair work on this same apartment, and that he returned to the apartment on January 14, 1974, at which time he had difficulty in arousing anyone inside after loud knocking on the door. After his persistence in knocking, the female LAWRENCE responded and permitted him to conduct the repairs on the bathroom walls. [REDACTED] stated that when he entered the residence, he noticed some suitcases in the apartment, and that the girl who identified herself as JOANNE JAMES did not appear to be around. He further noticed that once he had made entrance inside the house, that LAWRENCE seemed to be extremely nervous about his presence, as though she felt "I was going to rape her".

3
SF 7-855
RLS:smg

[REDACTED] noted that when he went to the garage of the apartment, he noticed a lot of mud on the floor and when he called it to the attention of LAWRENCE, she exclaimed that, "It must have fallen from under the fender of the boyfriend's truck".

[REDACTED] made additional trips back to the apartment during the week of January 14, 1974. He advised that every time LAWRENCE answered the door after [REDACTED] loud banging on the door, on each day thereafter, LAWRENCE would finally permit him to enter. He stated that LAWRENCE would always try to see if [REDACTED] would let it go until later of if it was necessary that it be done, would it be possible for the boyfriend to do the repairs. [REDACTED] refused and conducted the repairs and as stated previously, LAWRENCE seemed extremely nervous with his presence. He further noticed on these days that JOANNE JAMES was not present. He assumed that she was out working as a substitute teacher as she advised him the day they rented the apartment.

[REDACTED] advised that during the following week, he went to the apartment at 514 Winchester Drive and noticed it was apparent to him that the girls had moved out but had left some of their belongings. Shortly thereafter (date not recalled), he received a call from one of the females requesting that he meet them in front of the 514 Winchester Drive apartment at 2:00 p.m. in the afternoon. When [REDACTED] met the girls, he noticed that they were walking from Crocker Street from the direction of Mission Street turning onto Winchester toward the apartment where he had been waiting for them. He stated that the girls informed him that they were going to have to give up the house. LAWRENCE indicated that her mother, who lived "Back East", was very sick, and that she would have to move to her mother's home.

The two females requested that [REDACTED] return the \$175 for the last month's rent. [REDACTED] then reminded them of the 30-day notice agreement, and that the notice would go weeks into the second month, therefore, he would not be able to return their money unless he could rent the apartment. LAWRENCE and JAMES became quite upset and stated

"We have ways of getting the money". [REDACTED] stated that they would have to take him into court to get the money back. [REDACTED] advised he went into the house and noted evidence of damage to his house. Heavy plywood had been nailed over the kitchen window, as well as over the glass in the front door. He further noted that heavy spikes had been driven through the rear kitchen door which leads down a stairway to the ground level. He additionally noted other damage and nails driven through a door leading to the ground level garage. When [REDACTED] brought the damage to the attention of JAMES and LAWRENCE, one of them made up some excuse to which he does not now recall. He advised JAMES and LAWRENCE that if he could rent the apartment soon, he would return the remaining \$175 for the month of February. [REDACTED] stated he placed another rental advertisement in the "San Francisco Examiner" and "San Francisco Chronicle" listing the house. b7c

On January 29, 1974, he rented the house to a [REDACTED] a Negro female youth who lives in the City of San Francisco. [REDACTED] decided for some reason or another not to take the house after she had rented it. Her money was then returned. [REDACTED] stated LAWRENCE and JAMES constantly were calling him on the telephone (no indication made from a pay telephone) to determine if they were going to get their money back. They accused him of not attempting to rent the apartment to which he brought their attention to the newspaper ads. He stated he attempted to obtain a telephone number or a forwarding address from the girls, but they declined to furnish it.

[REDACTED] advised that on or about February 13, 1974, he received a call from JOANNE JAMES, who made arrangements to meet him in front of the 514 Winchester address at 2:00 p.m. in the afternoon. When he met her, he noted she was again walking from Crocker Street from the direction of Mission Street. She was by herself, and she advised that LAWRENCE had returned "Back East". Upon learning that the 514 Winchester apartment had not been rented, she demanded the key to the house be returned to her. She indicated that she had legal possession of the house until March 13, 1974. [REDACTED] subsequently returned the key to her and left.

5
SF 7-855
RLS:smg

[REDACTED] stated he made several trips back to this apartment, observing that no one had apparently moved back into it. 674

He stated he did not hear from either of the girls until March 18, 1974, when he was called by one of the girls, and he agreed to meet them in front of the 514 Winchester Drive address at 2:00 p.m. He observed the girls again walking from Mission Street up Crocker Street onto Winchester, as on previous meetings. [REDACTED] agreed to return their money of \$50, at which time they agreed to drive with him to the Bank of America, Buri Buri Branch, South San Francisco. This was the only time JAMES and LAWRENCE accepted a ride from him, as previous offers by [REDACTED] were turned down by JAMES and LAWRENCE who stated they desired to walk.

When they arrived in the bank, [REDACTED] gave LAWRENCE a Bank of America Check, No. 1470, on his account, No. 3438, in the amount of \$50. He stated he then left the girls in the bank. [REDACTED] noted that upon return of the cancelled check, he observed that LAWRENCE had endorsed the check which also reflected the additional notations:

"C.X. 567663, 915 Evergreen Street, Daly City"

(It is noted that the 900 Block of Evergreen is a non-existent address).

[REDACTED] reiterated his contacts with JAMES and LAWRENCE in front of the 514 Winchester address that they always were walking from the same direction, and that they had to walk up approximately four or five blocks up an incline on Crocker Street to Winchester Drive. He noted that each time he observed them at the meetings, they appeared to be physically relaxed and did not once appear to be out of breath. For this reason, he speculated they were either living or visiting friends in the area. He further noted that the time of their meetings at 514 Winchester was designated to be 2:00 p.m. in the afternoon, at their request.

6

SP 7-855

RLS:smg

[REDACTED] further apprised the interviewing agents that on the date JOANNE JAMES contacted him, on or about February 13, 1974, that he had arrived prior to her arrival in front of the apartment house. He stated that 514 Winchester Drive is the second house from the corner of Winchester and Crocker and that on that meeting day, he walked to that corner and peered down Crocker Street to Mission Street. He stated he could not observe anyone walking on the sidewalks nor any approaching vehicles. He in turn walked back to his pick-up in front of the apartment house, which is approximately 100 feet from the intersection of Crocker and Winchester. He entered his pick-up and lit a cigarette. At that moment, he observed JOANNE JAMES round the corner as always at Crocker and Winchester. b7c

[REDACTED] pointed out the distance from Winchester to Mission Street on Crocker Street that it would have taken her at least five minutes to walk the distance. He again indicated his belief that they either came out of a house or had parked a car around the block.

She advised that the interim license number was obtained from documentation proffered by said JUDITH LAWRENCE, and that the address of 915 Evergreen, Daly City, was obtained from an unrecalled secondary source; she is certain it was not on the interim drivers license, however, she is uncertain as to the source of this time. Further, she does not recall the transaction nor the person, however, she is positive she accepted the check, as blockstamp notations contained on the check were put there by her. Further, she is certain the check was cashed on either the 19th or the 20th of March, 1974.

Lab. No. PC-10215 PR JA

D-017407261 ET

Specimens received 7/8/74

ITEMS REMOVED FROM 833 WEST 84TH STREET, LOS ANGELES, CALIFORNIA:

Q1570-Q1571 Two cartridges (1)

Q1572-Q1584 Thirteen cartridges removed from clip (1)

- X46 .22 Long Rifle caliber, High Standard pistol, Model SK-100 "Sport King," Serial Number 509306
- X47 Realistic cassette recorder, Model CTR-26, Serial Number 11355847 (2)
- X48 Realistic cassette recorder, Model CTR-26, Serial Number 11361888 (3)
- X49 Realistic power cord and transformer Model 14-856 (4)
- X50 Microphone (5)
- X51 Ear plug (6)
- X52-X53 Two unused "Scotch brand C-120" cassettes
- X54 Polaroid Land camera, Model SX-70, Serial Number L305215523
- X55 Unexposed Polaroid film pack

Result of examination:

The results of the examination of the cassette and cassette recorder are being reported separately.

Specimens Q1570 and Q1571 are .30 Carbine caliber cartridges of Winchester-Western manufacture which have been loaded with copper-jacketed, hollow soft-pointed bullets. No distinguishable mechanism marks were noted on these cartridges.

No cyanide was identified in the white residues on the nose area and in the hollow points of the Q1570 and Q1571 cartridges.

Specimens Q1572 through Q1584 are .30 Carbine caliber cartridges which have been loaded with copper-jacketed, soft point bullets. Marks present on the primers of the Q1572 through Q1584 cartridges were identified as having been produced by the same source as marks present on the primers of the Q187 and Q199 cartridge cases and Q206 cartridge recovered inside the Hilbornia Bank described in Laboratory Report PC-K6938 PR JA, dated April 29, 1974 and the Q1045 cartridge case from the hallway closet at 1827 Golden Gate Avenue described in Laboratory Report PC-K7449 PR, dated May 24, 1974. This source is most likely a primer seating tool utilized in the reloading of these cartridges and cartridge cases.

The "LC 32" headstamp present on specimen Q1572, the "LC 33" headstamp present on specimens Q1573 through Q1575 and the "LC 34" headstamp present on specimens Q1576 through Q1584 indicate the cartridge case portions of these specimens were originally manufactured for military use by the Lake City Ordnance Plant, Independence, Missouri.

There are presently no specimens maintained in the National Unidentified Ammunition File which could have been fired by the K46 pistol. Test bullets and cartridge cases obtained from specimen K46 are being placed in the Reference Fired Specimen File where they will be available for future comparison purposes.

The Polaroid SX-70 Land Camera (K34) cannot be identified with individual photographs exposed in an individual camera. Specimens Q173 through Q1519 and Q1520 previously submitted were exposed in a camera like K34.

The K35 Polaroid film pack bears the number 07407261 and the notation "Use Before June 1974." The developing pod attached to one of the photographs is numbered 31A3009. These numbers on one of the previously submitted Polaroid prints, Q1519. There were no numbers remaining on other previously submitted Polaroid prints, Q173 and Q1520.

All the above-listed specimens are being retained in the Laboratory for future comparison purposes.

 Portion of blue ammunition box (Your F-4-C) (Item 33)
 Rubber magazine cover (Your F-4-F) (Item 34)

***Specimens received 7/26/74 under cover of letter dated 7/23/74 (PC-L0661 PR): ITEMS RECOVERED AT APARTMENT #6, 1827 GOLDEN GATE AVENUE:**

- Q1620** Cartridge (Your B-1-N) (Item 1)
- Q1621-Q1640** Twenty shotshell casings (Your F-5-E) (Item 2)
- Q1641-Q1642** Two shotshell casings (Your F-5-F) (Item 3)
- Q1643-Q1645** Three cartridge cases (Your F-5-J) (Item 4)

Result of examination:

The results of the requested latent fingerprint examinations are being reported separately.

The ammunition boxes and pieces of ammunition boxes present in specimens Q1602, Q1603, Q1611 and the "Also Submitted" items were reassembled. It was determined that the following ammunition boxes were represented by these specimens:

Seven Remington "Express" 12-gauge shotshell boxes which each contained twenty-five 2 3/4 inch plastic shotshells loaded with No. 1 Buck.

One Omark, Cascade Cartridge Incorporated "Blazer" cartridge box which contained five hundred .22 Long Rifle caliber cartridges.

One Winchester cartridge box which contained fifty .30 Carbine caliber cartridges loaded with 110-grain, hollow soft-pointed bullets.

One military cartridge box bearing printing, "LC Lot 12205," which contained fifty .30 Carbine caliber cartridges loaded with copper-jacketed bullets manufactured at the Lake City Ordnance Plant, Independence, Missouri.

One Smith and Wesson cartridge box which contained fifty .38 Special caliber cartridges.

Specimen Q1614 is an unfired .22 Long Rifle caliber copper coated, hollow-pointed lead bullet. Toolmarks present on the nose of this bullet suggest that it was pulled out of its cartridge case by a serrated-jawed tool, such as a pair of pliers. Specimen Q1614 bears only extremely limited marks of value for identification purposes should a suspect tool be recovered.

Specimen Q1613 appears to be a brass ornament. Its light weight, brass composition and odd diameter would render it an undesirable substitute for a bullet.

Present in specimen Q1602 are three .30 Carbine caliber stripper clips which are used to facilitate the loading of .30 Carbine caliber magazines. The "Also Submitted" rubber magazine cover is used to cover and protect the open end of such a magazine.

Specimen Q1620 is a .30 Carbine caliber cartridge which was identified as having been loaded into and extracted from the same weapon as the Q15 through Q18 cartridge cases recovered at the abduction scene, the Q201 through Q204 cartridges recovered inside the Hibernia Bank, the Q213 and Q214 cartridge cases recovered outside the Hibernia Bank and the Q216A cartridge recovered in the 1973 Ford LTD. The "PC 42" headstamp indicates the cartridge case was originally manufactured for military use by Peters Cartridge Company, Kings Mill, Ohio.

Specimens Q1643 through Q1645 are .30 Carbine caliber cartridge cases. The primers of these cartridge cases have not been fired and therefore bear no firing pin impressions. Toolmarks present on the sides of the Q1643 through Q1645 cartridge cases were identified as having been produced by the same tool as marks present on the Q1041 through Q1043 and Q1045 cartridge cases found in the hallway closet at 1827 Golden Gate Avenue. The marks present on these specimens are located on their sides and appear to have been produced by a serrated-jawed tool, such as a pair of pliers. These marks were possibly placed on these specimens when the bullets were being unseated and removed from the cartridge cases. These specimens bear marks of possible value for identification purposes should a suspect tool be recovered.

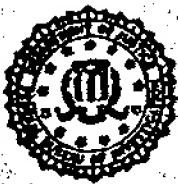

Marks present on the primer of the Q1643 cartridge case were identified as having been produced by the same source as marks present on the primers of the Q197 and Q199 cartridge cases and Q206 cartridge recovered inside the Hibernia Bank, the Q1045 cartridge case found in the hallway closet at 1827 Golden Gate Avenue and the Q1572 through Q1584 cartridges recovered at 833 West 84th Street, Los Angeles, California. These marks appear to have been produced by a reloading tool, such as a primer seating tool.

Specimens Q1621 through Q1640 are 12-gauge unfired shotshell casings which have been opened and had their shot removed. Printing on these specimens indicates they were originally loaded with 00 Buck. Although the Q1621 through Q1640 shotshells are all of Winchester-Western manufacture, four different types of shotshell are represented which indicates these shotshells originated from at least four different shotshell boxes.

Specimens Q1641 and Q1642 are 12-gauge Remington-Peters "Express" unfired shotshell casings which have also been opened and had their shot removed. Printing on these specimens indicates they were originally loaded with No. 1 Buck. These specimens could have originated from any of the seven Remington "Express" 12-gauge shotshell boxes represented by specimens Q1602, Q1603, Q1611 and the "Also Submitted" items.

Specimens Q1621 through Q1642 bear no marks of value for identification with a weapon.

All of the above-listed specimens are being retained in the Laboratory for future comparisons.

#4: Please compare the cartridge (Q-05) with previously submitted expended .30 cal cartridges recovered from the scene of the kidnapping on February 4, 1974; from the scene of the Hibernia Bank Robbery in San Francisco on April 15, 1974; and from the shootout in Los Angeles on May 17, 1974. Please inform us which, if any, of these cartridges bear similar firing pin, breech or extractor markings. If it can be determined what weapon of those recovered to date fired this cartridge, please identify the weapon.

#5: Please compare the ambient noise in the recordings submitted herewith (Q-14) with the SLA tape communications which formed the basis for your Memorandum of March 19, 1974, concerning the probable characteristics of the recording location. The house and area in question manifest many of the characteristics offered in this memo, a copy of which is attached. It should be noted, however, that the tests were made in the daytime. Were the recordings to be made at night, the ambient noise would include far less air and vehicular traffic.

Your assistance in this matter is sincerely appreciated. If there are any questions concerning this evidence, feel free to communicate directly with the assigned investigator, [redacted] at (415) 644-6839.

Very truly yours,

C. C. PLUMMER

Q1651
Guest Check No. 106562, Sierra 76 Auto/
Plaza, Sparks, Nevada, 8/3/74

On August 3, 1974, [REDACTED] b7c
Sparks, Nevada Police Department, advised at approximately
12:26 PM, [REDACTED] was dispatched to the Sierra 76
Auto/Truck Plaza, 200 East McCarran Boulevard, Sparks.
[REDACTED] determined that one [REDACTED] a waitress at the
truck plaza, had waited upon a white female who "resembled
PATTY HEARST". [REDACTED] told [REDACTED] the female was about 5'3"
tall, had brown hair worn shoulder length and styled in ringlets.
The female was polite and well mannered and spoke as if she
were well educated. She was wearing a jacket, levis and
carried a brown suede purse with white cut stripes.

The female was accompanied by a black male about 6'
tall who wore his hair in a short Afro style, had a mustache
and was wearing a blue shirt and levis.

The female said she was "a little hungry but an
English muffin would do as she was traveling."

When the check was paid it was noted that written
on the back of the check was the following: "We liked the
lyrics, but it was hard to dance to. Give our love to SID.
Tell SID we drove 55 and stayed alive. Reply to TANIA HEARST
care of BEBE REBOZO, Key West, Florida."

[REDACTED] said SIDNEY DOAN was the owner-operator of the
truck plaza. It was not immediately determined how the
individuals knew SID was the owner of the truck plaza.

REPORT of the

FEDERAL BUREAU OF INVESTIGATION WASHINGTON, D. C. 20535

To: SAC, SAN FRANCISCO (7-855)

Date: September 19, 1974

Re: HEARNAP

FBI File No. 7-15200

Lab. No. PC-L1162 PR

Specimens received 8/15/74

Q1652-Q1831	One hundred eighty cartridges in 36 stripper clips contained in 12 boxes from trash in basement of 1827 Golden Gate Avenue, San Francisco (1)
Q1832-Q1836	Five cartridges in stripper clip from trash in basement of 1827 Golden Gate Avenue, San Francisco (1)
Q1837-Q1848	Twelve cartridges from trash of basement of 1827 Golden Gate Avenue, San Francisco (1)
Q1849-Q1861	Thirteen pellets from 1808 Oakdale Street, San Francisco (2)

Result of examination:

Specimens Q1652 through Q1847 are 7.65mm Mauser cartridges which have been loaded with 185-grain, copper-jacketed boat-tail bullets. The "ORBEA" headstamps on these cartridges indicate they were manufactured for military use by Cartucheria Orbea, Argentina. Principal weapons adapted to chamber and fire the 7.65mm Mauser cartridge consist of the following: M30 Remington, M54 Winchester, M70 Winchester, M1889 Belgian Mauser, M1890 Turkish Mauser, M1891 Argentine Mauser, M1893 Turkish Mauser, M1903 Turkish Mauser, M1909 Argentine Mauser, M1935 Belgian Mauser, M1936 Belgian Mauser rifles, and various Maxim machineguns.

Specimen Q1848 is a 7mm Mauser cartridge of Remington-Peters manufacture which has been loaded with a 175-grain copper-jacketed, "soft point" bullet. Principal weapons adapted to chamber and fire the 7mm Mauser cartridge consist of the following: Commercial Mausers (D.W.M.), FN Mausers, Husqvarna Mausers, Johnson Semi-auto, Mannlicher-Schoenauers, Mexican Mausers, #5 Remington Rolling Block, M30 Remington, M77 Ruger, M54 Winchester, M70 Winchester,

M1892 Spanish Mauser, M1893 Spanish Mauser, M1894 Brazilian Mauser, M1895 Chilean Mauser, M1895 Mexican Mauser, M1895 Spanish Mauser, M1897 Remington R/B, M1898 Mauser, M1902 Remington R/B, M1908 Mondragon semi-Auto, M1936 Mexican Mauser rifles and Chilean Madsen MG, Mexican Mendoza LMG, M1941 Johnson LMG, M1944 Johnson LMG machineguns.

Inked printing on the 12 boxes containing the Q1652 through Q1831 cartridge reads: "SAN FRANCISCO GUN EXCHANGE, 75 FOURTH ST. YU 2-6097, WARNING-KEEP OUT OF THE REACH OF CHILDREN." These cartridges are Argentine military surplus and were probably sold by the San Francisco Gun Exchange.

Numerous microscopic marks are present on the Q1652 through Q1848 cartridges. However, it cannot be determined if all these markings were produced by the accompanying stripper clips or if some of these markings were possibly produced by the mechanism of a weapon(s). Nothing was found to indicate that any of the above were reloads.

Specimens Q1849 through Q1861 consist of thirteen copper and brass-plated B-B shot which bear no marks of value for identification with a weapon.

All of the above-listed specimens are being temporarily retained in the Laboratory for future comparison purposes.

Result of examination:

Q1863 was not associated with material maintained
in the Anonymous Letter File. Copies have been added thereto.

The typewriting on Q1863 corresponds to Laboratory standards for a Smith-Corona (SCM) pica style of type, spaced ten characters per horizontal inch. Q1525, previously submitted in this case, and Q63 through Q65, previously submitted in case captioned "Symbionese Liberation Army (SLA) EM" were found to correspond to this Smith-Corona (SCM) style of type. However, due to the lack of a sufficient number of individual identifying characteristics, a definite conclusion was not reached whether these items were prepared by the same typewriter. Typewriting differences were observed in comparing the typewriting on Q1863 with the typewriting on Q1525 which indicates these items may have been prepared by different typewriters.

Q1863 contains no watermarks, indented writing of significance or other characteristics to aid in definitely determining its source.

Post Card Addressed to [REDACTED]

The following described handwritten post card was discovered in the post office box of the Okmulgee County Sheriff's Office, Okmulgee, Oklahoma, on August 6, 1974, addressed to [REDACTED] presently confined Okmulgee County Jail [REDACTED]

"Hi, thought you'd never get through. Anyway, thanks for the letter! We're camped here in Illinois trying to get back. It's 4:30 A.M. and man the streets are silent. I'll try to get you a Berkeley connection. Do you know Steve Weed? Our staff psychiatrist says you are criminally insane and should stay in Okmulgee. I don't know if all my fites have been fair. (Last sentence not clear)", signed "NANCY of the SLA, Box 999, Central Honduras".

The face of this post card bore a postmark of Evanston, Illinois, 602, 2 August 74, with return address of South Los Angeles, U.S.

Result of examination:

Q1865 was not associated with material maintained in the Anonymous Letter File. Copies have been added thereto.

A definite conclusion was not reached whether the questioned writing on Q1865 was prepared by any of the writers of the known or purported known writing submitted in this case and in case captioned "Symbionese Liberation Army (SLA) EM", due to the presence of unexplained variations and the lack of sufficiently comparable writing. However, nothing of particular significance was observed in this comparison.

Q1865, which has been photographed, is attached.

in the details, several phases of investigation have been pursued and concluded with negative results including the following:

Checks of classified sections of all Los Angeles, California, area newspapers concerning automobile sales and dwelling rentals during pertinent period.

Contacts of gun shops and sporting goods stores in the Los Angeles area.

Checks of utilities company "turn ons and turn offs" for pertinent period.

Checks of stolen vehicle reports and recoveries by local police agencies during May 1974.

Block-by-block contact of all business establishments in Hollywood, California, based upon apparent familiarity with the area by HEARST and the HARRISEs during the kidnappings of SUTTER and MATTHEWS 5/16-17/74, and further based on the fact that the Hollywood area is the last area where the fugitives are known to have been.

Checks of toll calls made from phone booths in the area of Griffith Park, Los Angeles, based upon SUTTER's information that several calls were made while he was held by the fugitives, and he was subsequently released in that area.

Personal contacts by Bureau Agents of rangemasters at firearms ranges in the Los Angeles Division.

LA 7-1627

Contact of all Los Angeles sources and furnishing same with photographs and physical descriptions of the fugitives.

Quadrant searches in areas of 833 West 84th Street and 1466 East 54th Street, Los Angeles, California.

Re-interviews conducted of past associates, contacts and relatives of slain SLA members in the Los Angeles area.

Extensive neighborhood investigation in the area surrounding radio station KPFK, 3728 Cahuenga Boulevard, Los Angeles, California, in an effort to determine identity of individuals delivering tape-recorded message of WILLIAM HARRIS, EMILY HARRIS and PATRICIA HEARST on or about 6/7/74.

Recontact of HEARST family members currently residing in the Los Angeles area.

Personal contact by Bureau Agents of park rangers and park supervisors at various parks within the area, based upon the SLA's apparent interest in such areas.

Quadrant searches in residential areas of Hollywood, California, in an effort to identify an apartment complex described by FRANK RICHARD SUTTER as having been visited by the HARRISEs and HEARST on 5/17/74, while SUTTER was their captive. It should be noted that numerous buildings meeting the general description of that described by SUTTER were observed and SUTTER has personally observed each of those buildings and surrounding terrain. In each instance, he has emphatically stated they are not identical to the complex he saw on 5/17/74.

In addition to the above, numerous alleged sightings of the three fugitives have been reported and each one given immediate coverage to determine authenticity.

During the period immediately following the shooting incident at 1466 East 54th Street, Los Angeles, California, several Bureau Agents knowledgeable in the field of black extremist organizations arrived in Los Angeles from various divisions. Investigation was conducted within the black

LA 7-1627

community in an effort to determine possible harboring of the fugitives by black organizations. Valuable sources within the black community were developed through this operation. All Agents have returned to their respective divisions.

A listing of Indiana University (IU) Club of Los Angeles, California, members has been obtained. Members who attended IU between 1960 and 1972 are being contacted and interviewed by Los Angeles concerning their possible association with WILLIAM TAYLOR HARRIS and EMILY MONTAGUE HARRIS (nee Schwartz) and ANGELA ATWOOD while at IU and their possible knowledge of other individuals who may know the HARRISEs.

Investigation has reflected a possible tie by SLA members with ex-Venceremos Organization (VO) members in the San Francisco Bay and Los Angeles, California, areas.

Formed in December 1970, the VO, aka Venceremos, is a militant Marxist-Leninist-Maoist organization composed of a third world and white revolutionaries operating in the San Francisco Peninsula area. The publicly stated goal of the VO is to build a united front against the imperialist U. S. leading to the overthrow of the U. S. Government by force and violence, armed struggle and urban guerrilla warfare. The VO has publicly stated that all members must know how to operate and service weapons and have weapons available. San Francisco Bay area media on 9/28/73, quoted Venceremos leaders that the organization had disbanded and was no longer in existence.

LA 7-1627

In October 1972, a corrections guard at the Correctional Institution for Men (CIM), Chino, California, was murdered and another guard wounded during the escape of one RONALD WAYNE BEATTY. Four VO members were subsequently arrested, tried and convicted for their implication in that escape. During the trials of those four individuals, a Chino Defense Committee (CDC) composed of VO members was formed. Four members of that committee reside at 300 North Bonnie Brae, Los Angeles, California. They are ENID MARGOT HUNKELER, MICHAEL ALEXANDER HOLMAN, BARBARA HYLAND and VIRGINIA FALLER.

When RUSSELL LITTLE and JOSEPH MICHAEL REMIRO were arrested for the murder of Oakland School Superintendent MARCUS A. FOSTER, the SLA headquarters in Concord, California, was set afire by NANCY LING PERRY. In the ruins of the fire were located the names of ENID HUNKELER, ALEXANDER HOLMAN and THOMAS DUNPHY. DUNPHY is a current resident of Riverside, California.

It should be further noted that investigation has indicated that WILLIAM TAYLOR HARRIS and EMILY MONTAGUE HARRIS were known associates of the VO in the San Francisco Bay area through WILLIAM HARRIS' membership in the Vietnam Veterans Against the War (VVAW).

It should be noted that when California State Prison officials learned of BARRON CHARLES BROADNAX' visits by EMILY HARRIS and his possible association with the SLA, he was transferred from CMC to facilities at San Quentin Prison, Tamal, California, where he still remains. BROADNAX appeared before the Adult Authority for parole consideration at CMC on 4/8/74, at which time he was denied parole because he had not served sufficient time on his sentence. Arrangements have been made with GEORGE HOLIDAY, Editor of the California Dental Association Journal, to publish an article concerning the three SLA fugitives. That article has been prepared by the San Francisco Division and subsequently approved by the Bureau. It contains a short text, photographs of the three fugitives and known dental charts for them. It appears the article will be printed in the September issue of the publication.

Los Angeles has conducted a survey of driver's licenses issued 8/16/73 and 12/27/73, by the California Department of Motor Vehicles. It is noted EMILY MONTAGUE HARRIS obtained California Driver's License on 8/16/73, under the name DOROTHY ANN PETRI with an address of 1834 Delaware, Berkeley, California. WILLIAM TAYLOR HARRIS obtained

California Driver's License on 12/27/73, under the name RICHARD FRANK DENNIS, 859-47th Street, Apartment D, Oakland, California. In the past, both EMILY and WILLIAM HARRIS had obtained California Driver's Licenses on the same date. The purpose of the Los Angeles survey of 10,000 California Driver's Licenses was to ascertain possibility WILLIAM HARRIS obtained a driver's license on 8/16/73, and in turn, possibility EMILY HARRIS obtained one on 12/27/73.

Los Angeles is presently conducting a survey of automobiles purchased through automobile dealerships in the Los Angeles, California, area, for a period covering 5/17/74, and 20 days thereafter based upon information supplied by California Department of Motor Vehicles.

On 5/16/74, following a shoot out at Mel's Sporting Goods Store, Inglewood, California, a 1970 red and white Volkswagen van bearing California temporary license 5303850 was recovered by the Los Angeles Office of the FBI. That van was subsequently determined to have been used by WILLIAM and EMILY HARRIS and PATRICIA HEARST. Initially, the van and its contents were examined for fingerprints and other items of an evidentiary nature. Soil samples were obtained at this time from the wheel wells but it was subsequently learned the vehicle had been painted in San Francisco shortly before its ownership by the SLA, thus those soil samples were considered inadequate.

In an attempt to develop information regarding the travels of this vehicle in the Los Angeles area prior to 5/16/74, Los Angeles contacted the State of California Department of Mines and Geology to determine if that agency would undertake a thorough examination of soil samples. [REDACTED] of that agency agreed to undertake such an examination and personally collected soil samples and rock samples from the wheel wells, tires and interior of the van. This examination will be conducted to develop characteristics unique to specific California areas. b7c

It should be noted that during the soil collection, the tires on this van were almost new and bore the Phillip's 66 brand. The San Francisco Division has determined these tires were on the van prior to acquisition by the SLA. Gasoline

LA 7-1627

samples were taken from the van's gas tank and were furnished to the Richfield Corporation and the Texaco Corporation for analysis to determine the manufacturer. After chemical analysis, both companies advised that they have been unable to determine the manufacturer but through these tests had determined that neither Richfield nor Texaco have produced the gasoline. Representatives from both companies stated that since the introduction of unleaded gasoline, the metal tracers formerly used in fuel and which were the most reliable gasoline identifiers were no longer available. The samples furnished to Richfield and Texaco substantially depleted the amount in the van's tank and thus no further examinations regarding fuel manufacturer are contemplated.

Contact has been maintained on a regular basis with the Los Angeles County Coroner's Office concerning their findings at 1466 East 54th Street, Los Angeles, California, on 5/17/74. As previously reported, that office has indicated a detailed and all inclusive report is being prepared and the date of completion unknown. Los Angeles will obtain that report upon completion and furnish appropriate copies to the Bureau and San Francisco under separate cover.

b7D [REDACTED], has been in contact with the Los Angeles Office almost daily and has been extremely cooperative regarding this investigation. It appears that any information concerning possible location of PATRICIA CAMPBELL HEARST and the HARRISEs which comes to his attention will immediately be furnished to the Los Angeles Division.

Since all leads are being set out by teletype or other expeditious means of communication, none are being set forth in this report.

It is recommended that caution be exercised in dissemination of this report since it contains information supplied by [REDACTED]

Hollywood, California, telephone number [REDACTED] furnished the following information:

At approximately 7:30 p.m., May 17, 1974, a young man and younger girl entered the lobby and asked about renting a room for three persons. She showed them room number 217 and told them she could move in a roll-away bed for the third person, not further identified. The young man said they had a camper van and that he did not want to leave it on the street. She told him that the door to the underground garage was too low to accommodate a van but he could park off the street adjacent to the north wall of the building. The young man then said, "We've got to get this van off the street". The young man was inspecting the apartment at this time and she noted that he wrapped a handkerchief around his hand as he adjusted the blinds to check the view from the window. He then said that they wanted the room only for two or three days. She advised him that the minimum rental was one week and he said something to the effect that "We will need it for only two or three days". At this point, the young man and the girl went into the bathroom and she could not hear all of their conversation. She did hear him say to the girl, "We've got to get the van off the street". The young man then said they would discuss it further and would let her know. They left indicating they were going to [REDACTED] b7c
[REDACTED] located about one block from this apartment building.

b7c [REDACTED] advised that she had been watching live television coverage of the police action concerning the Symbionese Liberation Army (SLA) members on East 54th Street for several hours just prior to the arrival of above individuals. She advised that their demeanor indicated they were running from something and that she was quite apprehensive during the time they were in the building, though at the moment she did not directly relate these individuals to the SLA. After they left, she walked to the front

of the lobby and observed through the window a van, dark colored, parked in the street in front of this address. She did not observe a license plate but noted that it was larger than a Volkswagen van, it had no windows on the van and that it was similar in general appearance to a newer Ford van. A few minutes later, she stopped an unidentified visitor passing through the lobby and asked him if he had seen a van parked in front of the building. This visitor told her that he had seen a gray van parked in front of the building and that he saw one person in it. She advised that the young couple did not return and when she later looked through the lobby window, the van had gone.

[REDACTED] furnished the following description:

[REDACTED] viewed a spread of photographs which spread includes one photograph of WILLIAM HARRIS. She was unable to identify HARRIS from the spread of photographs. She viewed a spread of seven photographs, all of WILLIAM HARRIS, and advised that the man who tried to rent a room from her appeared to be identical to a photograph of HARRIS wearing aviator glasses and mustache. She advised that she has seen PATRICIA HEARST's photograph so many times that an identification of her photograph would be less than valid. She advised that at the time the above people appeared, she was certain that they "were running" and accordingly, she was quite apprehensive and relieved when they left. She recalled that the girl seemed to avoid being in her direct view and that she continually "squinted" her eyes and frowned. She advised that she later concluded that the girl was attempting to disguise her appearance. She advised that after consideration of their appearance and actions she concluded that she had seen PATRICIA HEARST and accordingly, she called the Los Angeles FBI Office on the following morning.

[redacted] Sherman Oaks, California, provided the following information to [redacted] who identified himself as a Special Agent of the FBI.

Shortly after 3:00 p.m., on the afternoon of May 19, 1974, two white females inquired about renting an apartment in [redacted] complex. [redacted] states she first became aware of the two girls when they rang the front security door buzzer. [redacted] was able to monitor them on closed-circuit television and was reluctant to allow the two to enter the premises unattended. She personally went into the lobby and opened the door.

The two females asked about apartment availability and prices. [redacted] advised them she had two apartments available, both renting for well over \$300.00 per month. The two girls advised that the price was well above their means and departed.

[redacted] stated she was interested in discouraging the two girls from renting an apartment in the complex because she did not feel they would be accepted by other tenants because most of her tenants are wealthy, responsible citizens and the two girls did not appear to fit that category.

[redacted] stated that upon return to her apartment, she was troubled by the strange resemblance of one of the girls to PATRICIA HEARST. Upon arising on May 20, 1974, she observed photographs of PATRICIA HEARST and EMILY HARRIS and noted the photographs appeared identical to the two females who had contacted her the previous day. She contacted the local police at that time.

[redacted] was furnished several photographs of white females, among which was a group photograph with EMILY HARRIS kneeling in the front row. [redacted] identified that kneeling girl as one of the girls at her apartment

Based upon information obtained from [REDACTED]
[REDACTED] Sherman Oaks, California, a
quadrant search was instituted and all apartment managers
in that particular area were personally contacted by Bureau
Agents.

67c [redacted]
[redacted] Sherman Oaks, California, provided the following information to [redacted] whom she knows to be Special Agents of the FBI:

At approximately 5:00 p.m., May 19, 1974, a white male and white female appeared at her apartment complex and requested information concerning an apartment listed for rent on a sign in front of the complex.

[redacted] stated she immediately recognized the couple as PATRICIA HEARST and WILLIAM HARRIS, whose photographs she had seen many times on television and in newspapers. She stated she tried to retain her composure.

She advised the couple that the listed apartment was a two bedroom plus den and that it rented for \$330 per month and would not be available for occupancy until June 1, 1974.

The male stated the rental price was "no problem" and that they would like to inspect the apartment. [redacted] took the couple to the second floor apartment.

The male stated it appeared the den could be used as a third bedroom but failed to respond to a question from [redacted] as to the number of residents who would occupy the apartment.

[redacted] stated the couple looked especially at windows and doors of the apartment and were extremely security conscious. Both seemed satisfied with the interior of the apartment and its location relative to view and privacy.

[redacted] escorted the couple to the lobby area where the indoor swimming pool is located. The male asked if the pool was heated to which [redacted] responded in the affirmative. He then inspected the sauna bath area and recreation room, appearing interested in rear entrances and exits, checking those two doors carefully and looking out

each of them.

They were then shown the outside seating area which the male surveyed carefully, looking into the alley and rear of the building. He then asked about further areas open to the sun and was told there is a rooftop "sunning area" on the third floor and escorted them to that area.

The male appeared concerned about views from that area and walked around the perimeter frequently stopping and observing the surrounding terrain.

67C/ The male appeared satisfied and stated he would probably return or call concerning the apartment in the next two days and [REDACTED] furnished him a business card.

At one point, the male asked if the refrigerator currently in the apartment was included in the rental price. [REDACTED] advised it was not, however, the current occupant was interested in selling the unit. The male requested that [REDACTED] ask the current occupant the asking price of the refrigerator and have the information available when he called in the next two days. He further asked how much it would cost to move into the apartment. [REDACTED] stated she required first and last month's rental fee plus a \$50 cleaning deposit, plus the signing of a one-year lease. The total move-in cost amounted to \$710. The male appeared interested but stated he would look at one or two apartments before making a final decision, leaving [REDACTED] with the impression that it was almost certain that she would be recontacted.

[REDACTED] immediately returned to her second floor apartment when the couple left and from her balcony observed the pair leave in a dirty white van, make unknown.

[REDACTED] stated that she cannot recall the white female to have said anything during the entire time noting that the male did all the talking and no names, phone number or current residence was mentioned.

b7c [REDACTED] stated she was torn between immediately calling authorities or remaining silent and elected to remain silent because she feared for herself and her husband. She stated she was relieved that FBI Agents contacted her and that she now wished to cooperate fully with authorities.

She described the two individuals as follows:

Subject #1, believed by b7c [REDACTED] to be WILLIAM

b7c [REDACTED] and the dog entered the apartment house at 4520 Natick at approximately 4:40 p.m. The dog, after being given the command to search, searched for the scent of PATRICIA HEARST using a criss-cross method through the lobby. The dog went up three steps in the center of the lobby and went slightly to the left and dropped in the down position. 620 [REDACTED]
[REDACTED] Hollywood, California, was interviewed at her residence concerning information which she previously furnished to the Federal Bureau of Investigation, on June 6, 1974. She provided the following information:

Since being interviewed by Special Agents [REDACTED] on June 6, 1974, she has given additional consideration concerning her knowledge of [REDACTED]. The last time she saw [REDACTED] was on June 2, 1974. [REDACTED]

[REDACTED] did not furnish this information during previous interview on June 6, 1974, because she felt that [REDACTED] could probably disclose this information when located by the FBI through the telephone number that she furnished. [REDACTED] stated she was openly discussing this matter now because she felt [REDACTED] had probably already discussed this matter with interviewing Agents.

Since last interviewed, she has given additional thought to the young white couple she observed in the early morning hours approximately three weeks ago. She is now certain that this incident occurred at approximately 3:30 a.m., on the morning of May 16, or May 17, 1974. She is certain that the incident occurred prior to the Symbionese Liberation Army shoot-out on the afternoon of May 17, 1974.

Interviewed on 6/7/74 at Hollywood, California File # Los Angeles 7-1627
by SA [REDACTED] /pnl Date dictated 6/10/74

470 The white female she observed that morning was approximately 5'2" - 5'3", medium build, with very blonde hair, which appeared to come to the middle of her neck. She was wearing a heavy coat with the collar up and [REDACTED] could not tell if the unknown female's hair was actually longer than it appeared and concealed by the jacket. This unknown female was wearing slacks. The unknown white male she observed was approximately 5'8" - 5'9", medium build, and appeared to have dark hair. He also wore a heavy jacket which concealed his neck. [REDACTED] estimated that this couple remained in front of [REDACTED] door for approximately three to four minutes. At first they rang the door bell several times and then banged on the door. She overheard what she thought to be an attempt to turn the doorknob. When this couple turned away from the door, they walked south on [REDACTED] in the direction of their van, which was parked on the east side of the street. Just as the couple turned from the door [REDACTED] obtained her best view of the couple from the rear.

She heard these individuals entering a vehicle and shortly thereafter, she heard the distinct sound of someone starting the engine. She then observed a solid colored van proceeding north on [REDACTED] with its headlights out. She is certain that this was not a Volkswagen.

On June 8, 1974, SA [REDACTED] made
a tape recording of the tape received by KPFK, 3729
Cahuenga Boulevard, Los Angeles, California. Attached
is a transcript of the tape.

To those who would bear the hopes and future of our people that the voice of their guns express the words of freedom. Greetings to the people, the Black Liberation Army, the United People's Liberation Army, the Black Guerrilla Family, the Weather Underground, and all freedom fighters of the United Symbionese Federation and the New World Liberation Front. This is Tieko speaking. Yolanda, Tanya and I extend profound feelings of revolutionary love and solidarity to General Field Marshal Cabrilla and all the soldiers of the United People's Liberation Army, to B Team Commander and all elements of the Anti-Aircraft Forces of the SLA, to Combat Unit Number Four of the Black Liberation Army, to Comrade Martin Sastra and all other Comrade brothers and sisters in America's concentration camps, to our beloved comrades in arms and prisoners of war Oseola and Bo, we echo the words you have often left us with La Luca Con Tu Luca Venceremos. We have come together in many different cells, squads and military political units. We have taken many different meaningful names, but we are not hung up on names for as comrades in arms we are one in our struggle for freedom. The determination to eliminate our common enemy by force of arms has united us. To our comrade sisters and brothers of the Black Liberation Army and all other fighters let it be known that the Malcolm X Combat Unit of the Symbionese Liberation Army proudly picks up the banner of the New World.

Liberation Front. The Malcolm X Combat Unit of the Symbionese Liberation Army left the San Francisco Bay area in a successful effort to break a massive pig encirclement. It had become clear through intelligence reports from other SLA elements and from the people in the community that the pigs were preparing to trap us on the San Francisco Peninsula. We knew that there was a great risk in setting up a base of operations in San Francisco which is a natural defile, a trap. The area is very small surrounded by water and with limited choices for breaking a major encirclement. However we accepted this potentially dangerous condition because we saw the importance of making solid contacts in the oppressed communities of the city. We considered ourselves to be an underground unit, however, the majority of our units' members moved about freely and in the five months we were there we made many good contacts. We decided to move our base of operations to Southern California concentrating on the greater Los Angeles area an with its vast oppressed communities and more favorable terrain. In April the War Council dispatched an Intelligence and Reconnaissance Team to Los Angeles. Its mission; to make some additional contacts and survey the area. Based on the favorable results of this mission and the concentration of pig activity in the San Francisco Bay area, our unit slipped out of San Francisco and into Los Angeles on May Day 1974. On Thursday, May 16, 1974, three members of the Malcolm X Combat Unit of the

SLA were sent out to buy a number of items needed by the unit. At Mel's Sporting Goods Store in Inglewood, a pig agent clerk named Tony Sheperd, attempting to show his allegiance to his reactionary white bosses, falsely accused me of shoplifting. It was impossible to allow a verifying search by a store security guard because I was armed, and therefore, we were forced to fight our way out of the situation. The pigs originally said that a \$.49 pair of socks were stolen and that this was what caused the shootout at the store. The people found this very difficult to believe when it was pointed out that we had already purchased over thirty dollars worth of heavy-duty wool socks and other items. This apparently became equally confusing to the pigs who later charged that an ammunition bandolier was the item taken, supposedly to make the accusation more believable. The policy of the Symbionese Liberation Army has always been to avoid shoplifting because of the heavy risk involved to the whole unit. We cannot afford to have soldiers busted on humbug charges. However, we realize that the combat and support elements run a great risk of being jammed whenever we move about above ground. The most unfortunate aspect of this situation was that the pigs then learned that SLA elements were in the Los Angeles area. It appears that even with this knowledge the pigs would not have located our comrades if a collaborator named Mary Carr had not snitched to the enemy. On Friday, May 17, 1974, the CIA directed force of FBI Agents, Los Angeles City, County and California State pigs with air

support and reserve assistance from the United States Marine Corps and the National Guard and encircled elements of the Malcolm X Combat Unit of the Symbionese Liberation Army. The result of the encirclement was that the people witnessed on live television the burning to death of six of their most beautiful and courageous freedom fighters by cowardly, fascist insects. In most cases when an urban guerrilla unit is encircled by the enemy it can expect to take great losses especially if the enemy has time to mobilize a massive force. Our six comrades were not on a suicide mission as the pigs would have us believe. They were attempting to break a battalion-sized encirclement. By looking at the diagram of where their bodies were found, it is clear that they had split into two teams, moved to opposite sides of the rear of the house and were preparing to move out of the house by force. The heavy automatic weapons fire from the front of the house was a diversionary tactic to force the pigs to concentrate some of their forces in the front. The two dynamite loaded pipe bombs were to be used as fragmentation grenades to clear a path through the cringing pigs who had started the blaze by firing incendiary grenades into the house. Cin, Vicisa, Zoya, Kujo, Jalena and Gopi (phonetic) died of smoke inhalation and burns before they could get outside. The pigs want us to believe that the fire was started by the SLA; that it was caused by SLA molotov cocktails or by accident from pig tear gas grenades. This is pig shit. The SWAT squads, FBI, and LAPD would have had

to go into the house themselves to clear it out. They showed their true cowardice by using incendiary grenades to cause the fire that killed our comrades. For those who don't know incendiary grenades burn at such an incredible temperature that they melt steel and armor plate in a matter of seconds and are impossible to extinguish. The pigs want the people to believe that the bad ass tactics of the SLA guerrillas drove the fascists to use such barbaric force, but we say the SLA is a reaction to fascism. The SLA uses automatic weapons and homemade bombs because the pigs have automatic weapons, artillery, and hydrogen bombs. Pigs want the people to believe that General Field Marshal Cinque en Toomi (phonetic) committed suicide. To this absurdity the SLA responds by quoting our beloved comrade brother. He often said "We must not fear death for to fear death is to put our fear of pig terror before our love of the children and the people's struggle for freedom." The pigs have historically focused on eliminating Black leaders. Many have been murdered or imprisoned in America's concentration camps. For over a year the pigs couldn't find Cin to murder him so they attempted to isolate him from the people with pig propaganda. First, they work on the most blatantly racist whites with their traditional crazy Black nigger escaped convict rapist routine. Next, we learned that Cin was a plum wine alcoholic. This obviously was

the white racist liberal answer to the logic that a Black revolutionary leader could order and assist in the assassination of a jive ass pig agent school superintendent. It followed that the white supremacists and bourgeois Black elements of the revolutionary left so-called leadership would be pimped with ridiculous tales of links between the SIA and the CIA; that Cin was and had been a paid informant for the Los Angeles Police Department and the California Attorney General's Office. If this were true we dare these fools and collaborators to explain Cin's reward for his deeds--a life term in California's concentration camps. White, sickeningly liberal paranoid conspiracy freaks and spaced out counter-cultured dope fiends prove their naivety in amateurish research skills as they rambled on and on and on about the California Department of Corrections. Bazaar stories about Cin having been programmed and electrodes implanted in his brain while at Vacaville began to appear in the so-called underground press. Cinque en Toomi--the name means fifth prophet. Cin was indeed a prophet. The pigs would have the people believe that Cin was just as they would say another dumb nigger. They continually attempted to undermine his leadership by propagandizing that Cin was being fronted off by whites; that he wasn't smart enough to be the brains behind the planning and execution of

the successful SLA actions. To this display of racism we say go on into the Black community and ask the people if Cinque en Toomi was not a prophet. Ask the people if they think he was being used by whites. The people know that a Black man in America does not need conscious whites to push him into leading a revolution. Racists cannot believe that middle and upper middle class whites and a daughter of a super fascist ruling class family would ever have reason to follow the lead of a beautiful Black genius revolutionary warrior and give their lives for the people. Sick ass racists would have us believe that white women who follow the lead of Black revolutionaries are only mindless cunts enslaved by gigantic Black penises. The cringing pigs who face the fire power of Jalena, Gopi, Vicisa and Zoya know much better. Racists believe that it is impossible for white men to denounce white racism and follow the revolutionary leadership of Black men, but the SLA proved this theory to be a sick delusion. Cinque en toomi was himself the spirit of Frederick Douglas, Gabriel Prothos (phonetic), Denmark Visi (phonetic), Marcus Garvey, the Scottsboro Boys, Medger Evers (phonetic), William E. Burkhardt Du Bois (phonetic), Malcolm X, Martin Luther King, Emmett Till, Little Bobby Hutton, Fred Hampton, L. D. Barkley, Johnathan

and George M. Jackson, Mark Essex, and every other Black freedom fighter who came before him. To racists slander the SLA and all the people say "Death to the fascist insect that preys upon the life of the people." And now after our comrade brother fought valiantly against a battalion of pigs, a battle witnessed by millions, these same chicken shit pigs are trying to have us believe that General Field Marshal of the Symbionese Liberation Army Cinque en toomi, killed himself. Cin was so determined to kill pigs that as long as his heart was beating and that there was any air in his lungs at all, he would fight even if his only weapon was his own body. We all know that revolutionaries do not kill themselves. Revolutionaries kill the enemy. Cin was the baddest member of the SLA and therefore our leader. Our five white comrades who died with him were among his students and had learned well. They too showed incredible determination and courage. Kujo, Jalena, Vieisa, Zoya and Gopi did not commit suicide. The pigs would have us believe. Pigs tell us it is suicidal for whites to join blacks and other oppressed people in making revolution. To this oinking we say it is suicidal for the ruling class and all of its pig agents to believe that they can continue to oppress, exploit, murder and imprison an undivided revolutionary army of the people.

White Americans who follow the example of our beautiful comrades and join the fight for the freedom of all oppressed people will not do so because they wish to die, but because they wish to be free. The pigs boast that they have broken the back of the Symbionese Liberation Army, but to do this the pigs would have to break the back of the people. The military political leader of the SLA and five top cadre (phonetic) have been killed by the fascists; however, the SLA is not dead and will not die as long as there is one living, fighting member of any oppressed class, race, sex or group left on the face of this earth. The pigs have won a battle, but the war of the flea is not over. As our dear comrade Ho Chi Minh once wrote from an Imperialist prison, "Today the locust fights the elephant, but tomorrow the elephant will be disemboweled."

(EMILY):

Greetings of profound love to the people, to all comrades in arms, to all comrades in the concentration camps of fascist America and to all the children. This is YOLANDA speaking. When we say revolution we do not use the word loosely, a revolution meaning violent fight for freedom; freedom that can be gained in no other way than by fighting. People do not fight because they enjoy it, or because they relish the thought of their own death or the death of their beloved comrades. They fight to survive because they understand the violence of fascism, and that violence means germicidal (phonetic) death at the hands of dictators who mass five hundred pigs armed with military weapons, fragmentary grenades and incendiary grenades to burn six people to death. Dictators who imprison over twenty-two thousand brothers and sisters in the State of California alone. Dictators who take jobs away from those who are begging to work. Dictators who take food from the mouths of those who are starving. Dictators who take joy from the hearts of those who love the people. The military

Industrial state of the ruling class can only survive to repression. These fascist dogs must destroy truth in the minds of the people to keep them pacified they must make people afraid so they will do nothing. They must make people feel isolated from each other and powerless. Fascism tries to do all these things through the brutal violence of the military police force. The lurking big brother presence of the FBI, CIA, and their computer files through media propoganda. Fascism tries to tell us we are fools to resist because we will in the end be destroyed. If we were only six people, they would be correct for they can destroy the lives of six or nine or even one hundred people; but the truth the pigs try so desperately hard to repress is one the people are coming to understand only too well. People are ridding themselves of the bourgeois desire to lead a long life and instead wish to fight for a better more human life. Yes, repression breeds resistance. It is proven to be true as each day goes by, as dark eyes grow darker with hate and strong muscles grow stronger with

3
LA 7-1627
/lkp

rage and cold steel grows colder in the firm grip of the hand that loves the people. We must face the inevitable truth that repression will grow more intense as the power hungry pigs see their grip slipping. Whites in this country have historically had a tendency to back off when repression intensified feeling they could escape the viscous tentacles. For this reason black, brown, Asian, and Indian brothers and sisters have not trusted whites, feeling that they would desert the fight as it was just beginning in order to save their own skins. These brothers and sisters were often proven correct. That is why we say anyone who loves freedom must prove this love through action not words and only after they have fought can they speak. So, we are freedom fighters. We may be murdered but whether we live or die the day is close at hand when the people will join together in an army because they wish to survive on their own terms; and the people will change the course of history, through their courage and determination. To all those whose fear is stronger than their hatred of the

4
LA 7-1627
/lkp

pig, I must say that the freedom fighters do not bring repression to your door. The fascist pig is responsible for this and soon even those of you with white skins will lose your privileges. The pig will no longer knock and be very polite. He will shoot to kill, he will burn and rape, he will imprison and starve. He does this already in the ghettos of this country and will expand his efforts to stay in his greed filled position of power. And, if people wish to survive they will have to defend themselves with as much rage as the pig would use against them. Only in this way can the people of this country avoid the mass genocide (phonetic) that occurred to Jews in Germany and left us in Chile' (phonetic). All these things have been said before, but I would continue to say then and too the reality is so clear we no longer need to repeat the words; that will be the day when our mind accepts what we see with our eyes. To those who have attempted to express their love for us by calling for our surrender we say we must express our feelings of love only by continuing the fight. We have renounced our class and race privilege

5

and say that we love no individual more than we love freedom. Fight has cost us of the SLA eight comrades, six dead and two in concentration camps as well as the death and imprisonment of our comrades in arms of the BLA, the BGF, and the Weather Underground. We clearly understand that the reality of revolution will include death and imprisonment, suffering and violence, as well as victory. The price is high, but we accepted this reality when we picked up the gun for the first time and nodded yes to freedom, to love, to living. Because we must endure the suffering does not mean we have any doubt in the beauty of the victory. Our comrades died the way they chose to live, fighting courageously. They did not compromise to the hundreds of insects crawling the community who resorted to burning them to death rather than facing in battle the ruthless strength and courage of freedom fighters. Fifty-fourth street is not an end but a beginning. People are gathering on the street, they are feeling the strength of their own bodies. They are clearing the fear and blind ignorance from their

6
LA 7-1627
/lkp

eyes. SINQUE, FANEZA (phonetic), ZOYA, KUJO, JANENA (phonetic), and GARBE conquered the fear and will never die in the minds of those who have, who see the monster and know he will be destroyed. All comrades dead and alive, in prison and out, underground and on the streets are calling on all the people to conquer the fear and join the battle, realizing what can happen when five hundred pigs surround a house and then are surrounded by fifty or one hundred or five hundred irate Niggers firing from their houses, alley ways, tree tops, and walls, with a straight and fearless shot, to bring down the helicopter, the SWAT squad, the LAPD, the FBI, the neighborhood snitch. Consider the day when the pig won't even enter the communities of the armed people. We got to make the pig fear for his life, because he knows every eye behind every curtain in the ghettos, barrios, and poor communities is setting down the barrel for peace, ready to pull the trigger at any moment. There has been a lot of talk about wasted lives, referring to the six dead bodies of our comrades and to TANJA, TIKO, and myself. The ironies of racist, fascist, America are

7
LA 7-1627
/lhp

once again reflected with sickening reminder. There are no editorials written for the wasted lives of the brothers and sisters daily gunned down in the streets and prisons. The present uproar of white America over the fate of PATTY HEARST was barely a murmur as hundreds of young men, mostly black and brown, went off to die in Vietnam. We of the SLA hate the historical reality that requires young people to struggle to survive and to die violent deaths. We hate the reality in this country that murdered our six comrades, sisters and brothers, and daily continues to murder throughout the world. Because we hate this reality we must fight to destroy it by any means necessary. Yes, history might be different if they had lived, but revolution is not made by saying, if only. We do know that the lives of revolutionaries will never be wasted. Right now there are men and women, young and old, black, brown, Asian, Indian, and white, who are filled with fighting spirit of KING, of MALCOLM, of GEORGE, of CINQUE, of

LA 7-1627
/lhp

their mothers, fathers, sisters, and brothers who have died at the hands of the pig. And these are a new breed of the baddest mother fuckers alive. Yes, we hate the pig, and we are at war with the pig, and we will kill the pig as violently as he has killed comrades of ours for centuries. We will do this because we love the people we are lucky enough to know, and we love the people we will never know; the beautiful babies, the angry young men and women, the understanding mothers and fathers, who have seen the rising tides for as long as they have been alive. Our past as middle class white Americans was meaningless. It was truly wasted potential, full of desperate pessimism that could feel the emptiness of capitalist America, even before we could understand it. Our lives now are not easy or full of joy. We may die, but our lives are real because we see the truth in the future. Right now the people are igniting the sparks of a great prairie fire and the fire fighters will soon be helpless against the freedom fighters because the flames will be far too hot and deadly for their weak world to endure.

and their evil spirit will die with them in the ashes.
Once again, my love to all the comrades.

Transcription of voice #3 on tape

Greetings to the people. This is Tania. I want to talk about the way I knew our six murdered comrades, because the Fascist pig media has, of course, been painting a typically distorted picture of these beautiful sisters and brothers. Kujo (phonetic), was the gentlest, most beautiful man I've ever known. He taught me the truth as he learned it from the beautiful brothers in California's concentration camps. We loved each other so much, and his love for the people was so deep that he was willing to give his life for them. The name Kujo means unconquerable. It was the perfect name for him. Kujo conquered life, as well as death by facing them and fighting. Neither Kujo or I had ever loved an individual the way we loved each other, probably because our relationship wasn't based on bourgeois fucked up values, attitudes, and goals. Our relationship's foundation was our commitment to the struggle, and our love for the people. It's because of this that I still feel strong and determined to fight. I was ripped off by the pigs when they murdered Kujo. Ripped off the same way that thousands of sisters and brothers in this Fascist country have been ripped off of the people they love. We

mourn together and the sound of gunfire becomes sweeter. Julena (phonetic) was beautiful. Fire and joy. She exploded with the desire to kill the pigs. She wrote poetry; some of it on the walls of Golden Gate, all of it in the L.A. pig files now, that expresses how she felt. She loved the people more than her love for any one person or material comfort, and she never let her mind rest from the strategies that are the blood of revolution. Julena would have yelled "Fire Power" to the people if there wasn't the necessity to whisper the words of revolution. We laughed and cried and struggled together. She taught me how to fight the enemy within through her constant struggle with bourgeois conditioning. Gabi (phonetic) crouched low with her ass to the ground. She practiced until her shotgun was an extension of her right and left arms; an impulse; a tool of survival. She understood the evil in the heart of the pig, and took the only road that could demoralize, defeat and destroy him. She loved to touch people with a strong, not delicate, embrace. Gabi taught me the patience and discipline necessary for survival and victory. Zoya (phonetic) wanted to give meaning to her name, and on her birthday, she did. Zoya, female guerilla, perfect love and perfect hate reflected in stone cold eyes. She moved viciously and with caution, understanding the peril of the smallest mistake. She taught me, keep your

ass down and bad. Faiza (phonetic) is a beautiful sister who didn't talk much, but who was the teacher of many by her righteous example. She, more than any other, had come to understand and conquer the putrid disease of bourgeois mentality. She proved often that she was unwilling to compromise with the enemy, because of her intense love for freedom. Faiza taught me the perils of hesitation; to shoot first and make sure the pig is dead before splitting. She was wise and bad, and I'll always love her. Cinque loved the people with tenderness and respect. They listened to him when he talked, because they knew that his love reflected the truth and the future. Cin knew that to live was to shoot straight. He longed to be with his black sisters and brothers, but at the same time, he wanted to prove to black people that white freedom fighters are comrades in arms. Cinque was in a race with time, believing that every minute must be another step forward in the fight to save the children. He taught me virtually everything imaginable, but wasn't liberal with us. He'd kick our asses if we didn't hop over a fence fast enough, or keep our asses down while practicing. Most importantly, he taught me how to show my love for the people. He helped me see that it's not how long we live that's important, it's how we live; what we decide to do with our lives. On February 4,

Cinque Entou (phonetic) saved my life. The Malcolm X combat unit of the SLA was a leadership training cell under the personal command of General Field Marshal Cinque. General Ticko (phonetic) was his second in command. Everything we did was directed toward our development as leaders and advisors to other units. All of us were prepared to function on our own, if necessary, until we connected with other combat units. The idea that we are leaderless is absurd as long as any SLA elements are alive and operating under the command of our General Field Marshal. It's hard to explain what it was like watching our comrades die; murdered by pig incendiary grenades. A battalion of pigs facing a fire team of guerillas, and the only way they could defeat them was to burn them alive. It made me mad to see the pigs looking at our comrades' weapons, to see them holding Kujo's .45 and his watch, which was still ticking. He would have laughed at that. There is no surrender. No one in that house was suicidal, just determined and full of love. It was beautiful to hear Gabi's father. He understands. Gabi loved her father, and I know that much of her strength came from the support he gave her. What a difference between the parents of Gabi and Kujo and my parents. One day, just before the last tape was made, Kujo

and I were talking about the way my parents were fucking me over. He said that his parents were still his parents, because they had never betrayed him, but my parents were really Malcolm X and Asata Chokeur (phonetic). I'll never betray my parents. The pigs probably have the little old mack monkey that Kujō wore around his neck. He gave me the little stone face one night. I know that the pigs are proud of themselves. They've killed another black leader. In typical pig fashion, they've said that Cinque committed suicide. What horse shit. Cin committed suicide the same way Malcolm, and King, and Bobby, and Fred, and Jonathan and George did. But no matter how many leaders are killed, the pig can't kill their ideals. I learned a lot from Cin and the comrades who died in that fire. And I'm still learning from them. They live on in the hearts and minds of millions of people in Fascist America. The pigs' actions that Friday evening showed just how scared they really are. They would have burned and bombed that entire neighborhood to murder six guerillas. The SLA terrifies the pigs, because it caused all the oppressed people in this country to arms, to fight in a united front to overthrow this Fascist dictatorship. The pigs think that they can deal with a handful of revolutionaries, but they know they can't defeat the

incredible power which the people, once united, represent. It's for this reason that we get to see, live and in color, the terrorist tactics of the pigs; the pigs saying, you're next. This kind of display, however, only serves to raise the peoples' consciousness, and makes it easier for our comrade sisters and brothers throughout the country to connect. I died in that fire on 54th street, but out of the ashes I was reborn. I know what I have to do. Our comrades didn't die in vain. The pig lies about the advisability of surrender have only made me more determined. I renounced my class privilege when Cin and Kujo gave me the name Tania. While I have no death wish, I've never been afraid of death. For this reason, the brainwash duress theory of the pig Hearsts has always amused me. Life is very precious to me, but I have no delusions that going to prison will keep me alive. And I would never choose to live the rest of my life surrounded by pigs like the Hearsts. I want to see our comrades in this country's concentration camps, but on our terms, as stated in our declaration of revolutionary war, not on the pigs' terms. Putaria um muerte. Venceremos. Death to the Fascist insect that preys upon the life of the people.

WILLIAM LEWIS, Station Manager, KPFK Radio Station, 3729 Cahuega Boulevard, was interviewed in the presence of his attorney, DAVID FINKEL. LEWIS advised that his telephone number at the station was 877-2711. He advised that his counselor's telephone number is 380-6707. LEWIS advised that at 6:30 a.m., June 7, 1974, an employee at this company received a telephone call from an anonymous individual stating that a recording from PATRICIA HEARST had been placed behind a mattress at the rear of the station at this location. The anonymous caller stated that the recording was in a manila envelope and the voice directed that the recording be played over the air.

LEWIS was questioned whether the voice was male or female and he stated he could not answer at this time. He was questioned as to who received the call and he consulted with attorney FINKEL and was advised that he likewise should not answer this question.

LEWIS was asked to turn the original tape and the manila envelope in which it came over to the FBI at this time and he stated that he had been instructed by his counsel to refuse to release the tape except through court channels by means of subpoena. He stated that after the recording came, it had been recorded on tape and he had a copy of the recording available. He made a copy of this recording available during this interview.

WILLIAM LEWIS, Station Manager, KPFK Radio Station, 3729 Cahuenga Boulevard West, was interviewed in the presence of his attorney, DAVID FINKEL, in a conference room at the KPFK Radio Station.

After identifying themselves to Mr. LEWIS as SA's [REDACTED] they requested the details concerning the alleged receipt of an anonymous phone call and the subsequent finding of a tape recording by members of the KPFK Radio Station. Mr. LEWIS advised that on the advice of his attorney, he would answer absolutely no questions concerning the matter whatsoever. He stated that it was the position of his radio station that sources of information must be protected, and that therefore under no circumstances would he divulge any of the details concerning the above matter. 6

C

At this point in the interview of Mr. LEWIS, his attorney, DAVID FINKEL, volunteered that he might recommend to Mr. LEWIS that the station furnish the necessary information to the FBI if they could be assured that the original tape recording which they received and which contained statements by individuals claiming to be PATRICIA HEARST and WILLIAM and EMILY HARRIS would never be subpoenaed by the Federal Government. SA [REDACTED] advised Mr. LEWIS that he was not in a position to comment as to whether or not the tape would ever be subpoenaed by the Federal Government.

SA [REDACTED] specifically requested of Mr. LEWIS to insure that the original tape recording and the container in which it allegedly came, were preserved for later physical examination by the FBI. Mr. LEWIS refused to comment again as to whether or not there was in fact a tape recording, but through his attorney, Mr. FINKEL, he advised that the normal operation of his station involving potential evidence required that the article be handled to the minimum extent.

At this point, the interview was terminated.

[REDACTED] Credit Security Insurance, 3737 Cahuenga Boulevard, North Hollywood, California, advised he believes he was the last person to leave the office at 6:00 p.m., June 6, 1974, and he did not notice any suspicious activity or persons behind the KFFX radio station.

[REDACTED] Credit Security Insurance, 3745 Cahuenga Boulevard, North Hollywood, California (building located next to [REDACTED] office building with a parking lot between the two buildings belonging to Credit Security), advised he closed the office at 6:00 p.m., on June 6, 1974, and did not notice any suspicious persons or activities in the alley behind KFFX at that time. [REDACTED] advised however that the alley behind his office where many of the employees park is the dividing line between North Hollywood Division and Hollywood Division of the Los Angeles Police Department (LAPD) and there are patrol vehicles that go through the alley about every 20 minutes at night. The reason for this is that there is a "gay" club, The Corral Club, at 3747 Cahuenga, and they have had a lot of vandalism in their property. [REDACTED] also advised a black man and his wife and two or three children are custodians for the Credit Security buildings and they usually arrive to clean up after the employees depart. The following investigation was conducted by
SA [REDACTED] b7c

On June 10, 1974, discussion was had with Assistant U. S. Attorney (AUSA) ROBERT L. BROSIO and AUSA ARTHUR W. VANCE, JR., Los Angeles, California, with regard to issuance of the subpoena to WILLIAM LEWIS, Manager, Radio Station KPFF - FM, 3729 Cahuenga Boulevard West, Hollywood, California, concerning the SLA tape allegedly received by the station on June 7, 1974. Discussion was also had with regard to the earlier receipt by the station of a copy of a three-page "communique" received from the Weather Underground wherein information was set forth that the Weather Underground had bombed the offices of the California Attorney General EVELLE YOUNGER on May 31, 1974, in solidarity with the SLA.

AUSA VANCE immediately took this matter up with the Department of Justice and authorization was received to issue a subpoena duces tecum to WILLIAM LEWIS.

At 2:53 p.m., on June 11, 1974, the below listed Special Agents arrived at Radio Station KPFK-FM, 3729 Caluenga Boulevard West, announced their identities to the switchboard operator and requested to speak with WILL LEWIS, the Station Manager.

At 2:57 p.m., WILL LEWIS appeared in the lobby, acknowledging his identity by name. He was advised of the identities and official capacities of the Special Agents through display of credentials. A KPFK employee who was recognized through previous contact by SA [REDACTED] as being JIM BERLAND was present and held a tape recorder microphone to record the conversation. b7c

SA [REDACTED] asked Mr. LEWIS if he would prefer talking in private to which he replied that there was no necessity. SA [REDACTED] then served Mr. LEWIS with a subpoena directing his appearance before a Federal Grand Jury at Los Angeles, California, at 10:00 a.m., on June 12, 1974. Mr. LEWIS read the subpoena out loud into the microphone, which subpoena directed that at the time of his appearance before the Grand Jury to bring with him the original copy received of a communique from the Weather Underground, entitled same, consisting of three pages dated May 31, 1974, and envelope received therein; and the original of the tape recording which radio station KPFK played at about noon on June 7, 1974, on its station, purported to be a message to the public from PATRICIA HEARST, EMILY HARRIS and WILLIAM HARRIS.

Present during the above proceedings were approximately six other unidentified persons, one of whom was recognized by SA [REDACTED] through previous contact as being station employee TIM ROSENFELD. Mr. LEWIS indicated he understood the contents of the subpoena requiring his appearance before the Federal Grand Jury the following day.

Special Agents left the radio station at 2:59 p.m., June 11, 1974.

On June 12, 1974, WILL LEWIS appeared with his attorney, DAVID FINKEL, on a motion to quash the subpoena. U. S. District Court Judge A. ANDREW HAUKE held a brief hearing, denied the motion without prejudice, and directed that LEWIS appear forthwith before the Grand Jury.

Assistant U. S. Attorney (AUSA) ARTHUR W. VANCE, JR., Los Angeles, California, advised that LEWIS acknowledged his identity, acknowledged that he knew the location of the subpoenaed letter and tapes and acknowledged that he had not brought the subpoenaed items with him. Prior to answering virtually every question, LEWIS emerged from the Grand Jury room and consulted with his attorney. He declined to answer any questions concerning the tapes or how he came into possession of them claiming privileges under the First, Second, Fourth, Fifth, Ninth and Tenth Amendments to the Constitution.

At 2:00 p.m., on June 12, 1974, LEWIS was taken before Judge HAUKE. Judge HAUKE raised the issue as to whether it would have been more appropriate to subpoena the KPFK Corporation rather than LEWIS personally. Judge HAUKE ordered a hearing on the motion to quash for 3:00 p.m., June 17, 1974.

The Sacramento Division was requested to determine the status of KPFK Corporation (Pacifica Foundation) and to determine the officers thereof.

On June 13, 1974, the Sacramento Division furnished the following information:

The corporate index of the Department of Corporations, Secretary of States Office, Sacramento, California, revealed the following information:

Pacifica Foundation was incorporated in the State of California on August 24, 1946, with an address of 2217 Shattuck Avenue, Berkeley, California. In November 1973, Pacifica Foundation merged with WBA - FM of New York City. The following is a list of officers:

Vice-President	JONAS ROSENFELD, JR. 1545 Umeo Road Pacific Palisades, California

Treasurer	GEORGE A. FOX 262 Central Park West New York City, New York

No statutory officers of this corporation are listed since all officers of the corporation are not listed as living outside the State of California.

On June 13, 1974, AUSA VANCE was furnished the foregoing information. He said that it had been concurred to continue proceeding with LEWIS personally with regard to the subpoena. He also advised that he had requested Departmental authority to grant LEWIS immunity for appearance before the Grand Jury.

On June 17, 1974, at a hearing before Judge HAUKE the motion to quash the subpoena was dismissed. The court signed an order granting LEWIS immunity in answering questions before the Grand Jury and he was ordered to report to the Grand Jury on June 19, 1974, and provide the items as requested in the subpoena duces tecum.

On June 19, 1974, LEWIS made the Grand Jury appearance and again refused to answer questions, and refused to provide the subpoenaed items. He was immediately taken before Judge HAUKE at which time the Grand Jury proceedings were read to the court. The court denied LEWIS' motion for a hearing and ordered LEWIS to jail in civil contempt. He denied bail and denied a stay of execution. Judge HAUKE further ordered that this matter was not to be discussed with the press by anyone present in the courtroom.

LA 7-1627

Attorney DAVID FINKEL, on behalf of LEWIS, filed an immediate appeal which was heard within the hour by Judge SHIRLEY M. HUFSTEDLER, Ninth Circuit Court of Appeals, Los Angeles, California. This hearing was held in chambers. AUSA VANCE advised that Judge HUFSTEDLER refused to disturb the order of Judge HAUKE relating to the relinquishment of the subpoenaed items. Judge HUFSTEDLER directed that LEWIS remain in custody until he complied with the order to provide the subpoenaed items. She did advise that if he provided the subpoenaed items, he was to be released from custody and a hearing was set for July 1, 1974, before the Ninth Circuit Court of Appeals as to whether LEWIS would be obliged to answer the questions presented to him before the Federal Grand Jury which questions he had previously refused to answer.

LEWIS remains in custody.

AUSA VANCE advised that Attorney FINKEL had raised the issue that the subpoena had arisen as a result of electronic surveillance of LEWIS. AUSA VANCE was advised that there was no such surveillance. It was determined from the secretary of the Grand Jury that LEWIS furnished his home address as 1625 Sunset Avenue, Santa Monica, California. It was determined from telephone directory assistance that a telephone is listed for WILLIAM LEWIS at this address with number 392-5843.

On July 2, 1974, AUSA VANCE advised that on July 1, 1974, a three-member panel of the U. S. Court of Appeals (USCA) for the Ninth Circuit at Los Angeles adopted the order issued by USCA Judge HUFSTEDLER on July 19, 1974. This order was to effect that WILL LEWIS must stay in jail until he produces the subpoenaed tapes and letter, and that if and when he did comply with that order of the District Court, he would be granted a stay with regard to the issue as to whether or not he had to answer Grand Jury Questions.

On July 1, 1974, the USCA directed that LEWIS must stay in jail until 3:00 p.m., July 19, 1974. Meanwhile, the USCA directed that LEWIS file a brief with the court by July 8, 1974, and the Government file an answer by July 15, 1974.

4
LA 1627
JM/cw/jah

There are to be no extensions of time concerning the filing of briefs. On July 18, 1974, the USCA will hear oral arguments, if any.

AUSA VANCE advised that a collateral issue had arisen. On June 19, 1974, U. S. District Court Judge HAUKE had issued a "gag order" that neither LEWIS, his attorneys or the Government was to discuss this matter with the press. In further implementation of this order, Judge HAUKE had directed Warden JACK WISE, Federal Correctional Institution (FCI), Terminal Island, California, that LEWIS could not have access to the telephone and uncensored mail was to be restricted. On his own initiative, Warden WISE had ordered that LEWIS could not have press interviews on a specific basis, this being in compliance with a recent Supreme Court ruling.

On June 26, 1974, LEWIS filed a civil suit against Judge HAUKE and Warden WISE to lift the gag order. On June 26, 1974, USCA Judge HUFSTEDLER had granted a stay on the gag order until July 8, 1974, with the result that LEWIS is allowed telephone use and use of uncensored mail. AUSA VANCE advised that the U. S. Attorney's Office will defend Warden WISE in this civil suit. The Department of Justice has not yet advised as to whether or not the U. S. Attorney in Los Angeles will defend Judge HAUKE in this civil suit. AUSA VANCE said that it has not yet been decided as to whether or not to support the gag order, and it is presently unknown when an answer will be filed with regard to the civil suit vs. Judge HAUKE and Warden WISE. This issue may be decided by the USCA on July 18, 1974, contemporaneously with the other issues. However, the U. S. Attorney at Los Angeles would prefer to segregate the issues, and have a separate hearing on the gag order.

On July 5, 1974, AUSA VANCE advised that on July 4, 1974, Associate Justice WILLIAM O. DOUGLAS issued an order directing the release of WILL LEWIS on bail, pending results of his appeal to the Ninth Circuit Court of Appeals. The order was served on the U. S. Bureau of

5
LA 7-1627
JM/lw/jah

Prisons, Washington, D. C., this date, and LEWIS was released from FCI, Terminal Island, at 9:00 a.m., July 5, 1974. The results of LEWIS' appeal with the Ninth Circuit should be known at 3:00 p.m., July 19, 1974.

AUSA VANCE advised further that on July 3, 1974, U. S. District Court Judge HAUKE vacated his previous "gag order" prohibiting communications by either the defendant or the Government with the news media. By July 8, 1974, AUSA VANCE will respond to the previously-filed civil suit against Judge HAUKE and FCI Warden WISE, pointing out that the suit is now moot in view of the vacation of his previous order by Judge HAUKE.

On July 8, 1974, AUSA VANCE advised that Attorney PHILLIP LEHMAN, Washington, D. C., for the Reporters Committee for the Freedom of the Press, has filed an amicus curiae brief with regard to appeal of WILL LEWIS to the Ninth Circuit concerning the issue of LEWIS' refusal to turn over SLA tape (s) received at RPIK.

On July 22, 1974, AUSA VANCE advised that on July 19, 1974, the Ninth Circuit Court of Appeals at San Francisco, California, affirmed the judgment of the U. S. District Court in Los Angeles, which held LEWIS in contempt for failure to respond to subpoena duces tecum and to answer Federal Grand Jury questions.

The Ninth Circuit directed that the mandate above should issue on the tenth day following the date of the opinion. AUSA VANCE explained that therefore on July 29, 1974, Judge HAUKE can order LEWIS back to jail. However, during this ten-day period, the defendant will be able to file a writ of certiorari with the U. S. Supreme Court, which VANCE assumes he will do. VANCE assumes that if and when the writ is filed, the Supreme Court will be asked to grant a stay until such time as the Supreme Court decides whether or not to grant certiorari.

6
LA 7-1627
CCJ/jah

On August 27, 1974, AUSA PAUL FLYNN, Los Angeles, California, advised he had been informed that date that the Solicitor General had sent pertinent papers to Associate Justice WILLIAM O. DOUGLAS requesting he reverse his stay of the Ninth Circuit mandate ordering WILLIAM LEWIS to comply with the subpoena. Justice DOUGLAS had returned the papers, reaffirming his position in granting the stay.

In view of Justice DOUGLAS' reaffirmation of the stay, AUSA FLYNN advised no further action can be taken until the Supreme Court reconvenes in October 1974.

AUSA FLYNN advised the term of the Grand Jury before which LEWIS originally appeared was due to expire in September 1974. AUSA FLYNN had the life of that Grand Jury extended for six months so that it can act when the Supreme Court makes its decision concerning the stay granted by Justice DOUGLAS.

At one point the girls moved to another part of the room and they spoke in hushed tones. [REDACTED] overheard them discussing some phone calls they planned to make. One of the girls, believed by [REDACTED] to have been [REDACTED] told the others she was going to call Bill and the others.

[REDACTED] recalled that she was with [REDACTED] each time. To the best of her recollection, WILLA BROADNAX made one of these trips and [REDACTED] was present the other time. The importance of finding these SLA members was discussed with [REDACTED] and she was reminded of the reward offered by the RANDOLPH HEARST family. After an unexplained period of silence, [REDACTED] asked for the Agents' names and telephone number. She stated she would contact the FBI if she learned anything.

She became acquainted with BARRON BROADNAX through writing and visited him once in the California Men's Colony at San Luis Obispo. She got his name at a "sister's rap session" which occurred on the Irvine Campus more than a year ago. She does not recall from whom she got BROADNAX's name or when she began to write him. Neither does she recall the exact date of her single visit to the prison, but believes it to have been in mid 1973. She became lax in her writing, BROADNAX did not write unless written to, and the relationship ended, perhaps before Christmas of 1973.

On the one occasion that she visited BROADNAX in prison, he had no other visitors and she did not travel with any formal group. She travelled via IELP Public Service shuttle bus which provides transportation for persons visiting prisoners. She has never met any of BROADNAX's friends or associates, and knows only that he has a mother, having never met or talked with WILLA BROADNAX.

She does not recall anyone who was present at the "rap session" at which she was given BROADNAX's name and has not associated with that group of people for more than a year. Displayed photographs of WILLIAM and EMILY HARRIS, WILLIA BROADNAX, and [redacted] she could identify none of the individuals as being familiar to her.

WILLA BROADNAX departed from her living room and went to a kitchen where she dialed her attorney, later determined to be an individual named CARSON TAYLOR. BARRON CHARLES BROADNAX was interviewed in Conference Room D, second floor, Administration Building, California State Prison, San Quentin, California. At the outset of the interview, BROADNAX was advised of the identities of the interviewing agents and that he was being interviewed in order to solicit his help in the apprehension of Symbionese Liberation Army (SLA) fugitives EMILY and WILLIAM HARRIS and PATRICIA HEARST. BROADNAX displayed a militant but curious attitude throughout the interview as exhibited in the following:

BROADNAX felt that he was being threatened by the FBI since they were visiting him at San Quentin. He exhibited anger that he had been locked up in solitary confinement because the FBI had publicly announced that he was linked with the SLA as a member. BROADNAX was told by interviewing agents that their visit with him was confidential and that only a few individuals in the present administration knew that the agents were there. BROADNAX loudly stated that he did not care who knew the FBI was there to talk to him.

At this time he voiced anger that he had missed his parole because the warden and Adult Authorities had told him that he was not being granted a parole because the FBI had identified him as an SLA member. BROADNAX was then told by interviewing agents that the FBI is searching for the remaining SLA fugitives and it is felt that he has information that might lead to their apprehension.

When conversation turned towards the relationship between BROADNAX and EMILY HARRIS, BROADNAX stated he had nothing to discuss.

BROADNAX expressed more anger and stated that he was tired of the FBI interfering with his life. He stated that his mother had been harassed in Los Angeles, as well as other members of his family.

Conversation turned to BROADNAX's present confinement and the fact that he was soon to be transferred to Vacaville to undergo stress development, a system which would prepare him for parole and adjustment in society. BROADNAX again became angry.

and stated he did not want to go to Vacaville and at this point he stood up and announced the interview was completed. At this point BROADNAX went to the door of the conference room and told the waiting guard he was ready to go. BROADNAX could be heard to say that he was going to file a complaint against the FBI for manhandling.

b7c Miss CATHERINE HEARST was interviewed by Special Agent [REDACTED] and [REDACTED] at her residence and she advised the following:

She resides at 4355 North Sepulveda Boulevard, Apartment 309, Sherman Oaks, California, and is not presently employed. She said she has never been close to her sister, PATRICIA HEARST, possibly because she is twelve years older than PATRICIA. She has not seen PATRICIA since January, 1974, when both were at the home of their parents in Hillsborough, California. She said that she is certain that PATRICIA does not have her telephone number, which is unlisted, nor her present residence. She said she has never been contacted by PATRICIA at this residence but it is conceivable, but not very practical, that PATRICIA could obtain her telephone number and address from their mother in Hillsborough, California.

She has not heard from anyone associated with PATRICIA and has no idea where PATRICIA is presently staying.

She said that the HEARST family previously resided at 701 North Canon Street, Beverly Hills, California and moved to the San Francisco area when PATRICIA was approximately seven years old. She said she is certain that PATRICIA is not familiar with the Los Angeles area nor to the best of her knowledge does she recall any friends of PATRICIA's residing in the Los Angeles area.

She said she is most concerned about PATRICIA's activities involving the Symbionese Liberation Army (SLA) and firearms and will immediately contact the FBI and Los Angeles Police Department if she is contacted or in any way learns information regarding PATRICIA.

CATHERINE HEARST, 4355 North Sepulveda Boulevard, Apartment 309, Sherman Oaks, California, telephone 986-7887, advised that she has not seen or heard from her sister, PATRICIA since they visited at their parents' residence in Hillsborough, California, in January 1974.

During the summer of 1972, PATRICIA telephonically contacted her and advised her that she was in town to look over Immaculate Heart College in Hollywood. PATRICIA stated that it would be good if the two of them could get together but this was never accomplished. CATHERINE advised that during the summer of 1972, she resided at 5345 North Sepulveda Boulevard, Van Nuys, California, but moved to her present address approximately one year ago. She maintains the same telephone number at her new address but does not feel that PATRICIA knows her new address as she has never been to her apartment. The HEARST family resided at 701 North Canon Drive, Beverly Hills, California, until 1964 when they moved to the Hillsborough, California residence. PATRICIA attended kindergarten at Buckley School in Hollywood, California, and attended the first and second grades at Mount Pleasant Elementary School in Brentwood, California. PATRICIA was only two years old when the family moved from the Los Angeles area and did not have any friends in the Los Angeles area that she maintained contact with when they moved to Hillsborough.

CATHERINE added that PATRICIA "IRISH" TOBIN is an old schoolmate of PATRICIA's from Santa Catalina High School in Monterey, California. TOBIN's father is the owner of the Hyberria Bank in San Francisco that was robbed by the Symbionese Liberation Army on April 15, 1974.

She stated that she would immediately contact the FBI upon receiving a contact from her sister or the HARRISES.

The San Francisco Division developed information that PATRICIA SOLTYSIK, an SLA member, now deceased, had rented an apartment at 1112 East 33rd Street, Oakland, California. [REDACTED] was located in Inglewood, California, on May 23, 1974.

b7c [redacted] was interviewed by SA's [redacted] and furnished the following information:

[redacted] 1112 East 33rd Street, Oakland, California. The apartments at this address changed occupancy several times a year since the general area was not considered to be an attractive residential location.

PATRICIA SOLTYSIK rented one of the apartments in person and signed a lease agreement using that name. The lease is believed to be in the possession of the apartment owner, GEORGE ISAAC, who lives in Petaluma, California. ISAAC's exact address and telephone number can be obtained from MARY HOLT who currently resides at 1112 East 33rd Street in Oakland, and is currently the landlady at that address and a friend of [redacted]

[redacted] recalled that the leasing agreement contained a list of references. SOLTYSIK told [redacted] she preferred to be called by the name MIZMOON, but did not object to signing the lease using her name, PATRICIA SOLTYSIK. SOLTYSIK's use of the name MIZMOON was somehow related to her life style as a feminist but [redacted] did not know or recall the specific association.

SOLTYSIK told [redacted] when she rented the apartment that she did not know how long she would be living in the apartment because she said she did not like to stay in one place very long. [redacted] did not recall the date nor was she certain of the month that SOLTYSIK took occupancy other than that, SOLTYSIK lived there approximately one or possibly two months and vacated the apartment shortly before the killing of MARCUS FOSTER, Oakland School Superintendant.

SOLTYSIK said she was employed as a janitor at the Berkeley Library which was located about five miles from her apartment. SOLTYSIK commuted to work in a Volkswagen utilizing a freeway.

Interviewed on 5/23/74 at Inglewood, California File # Los Angeles 7-1627

by SA's [redacted] and 209 [redacted] s/jah. Date dictated 5/24/74

67C [REDACTED] stated she had many conversations with SOLTYSIK but that SOLTYSIK spoke little about her family or friends. She appeared to be a loner, was soft spoken, polite, did not especially care for men, was a feminist, but [REDACTED] did not think she was a lesbian. SOLTYSIK's diet consisted mainly of natural foods including Tigress milk and yeast tablets. She appeared to be well educated, probably had attended college and was particularly outspoken in her criticism of the Oakland School System. The Oakland School System was one of the main topics of discussion between [REDACTED] and SOLTYSIK, [REDACTED]

[REDACTED] SOLTYSIK believed the bureaucratic structure of the Oakland School System was the cause of the bad schools and that the entire school system had to be restructured getting rid of the people at the top. She denounced the Oakland School System for inhibiting the development of students and forcing the students to accept a particular life style characteristic of the "system". At no time did SOLTYSIK give any indication of any violence being planned nor did SOLTYSIK ever give any impression of being capable of participating in violent acts.

Several days before MARCUS FOSTER was killed, SOLTYSIK vacated the apartment, apparently in a hurry during the night, and did not return.

Shortly before SOLTYSIK left, [REDACTED] had received a complaint from one of the other tenants about a loud noise coming from SOLTYSIK's apartment. [REDACTED] immediately went to SOLTYSIK's apartment and heard a loud radio playing inside. She knocked on the door several times but received no response so [REDACTED] used her pass key to enter. When she opened the door, a white young female, dark hair and somewhat shorter than SOLTYSIK, was standing inside the apartment. [REDACTED] was unable to provide any additional description of this individual and her conversation with her was very brief. [REDACTED] noted that a ceiling-to-floor length curtain had been hung just inside the entrance, preventing her from seeing anything inside the apartment. [REDACTED] does not believe that SOLTYSIK was in the apartment at this time and she did not see this individual again.

b7c The following morning, SOLTYSIK angrily complained to [REDACTED] about her having entered her apartment and asked whether [REDACTED] regularly entered apartments of her tenants without permission. SOLTYSIK stated the occupant of her apartment was her sister from back east. Shortly after this incident, SOLTYSIK vacated her apartment. [REDACTED] does not know how long SOLTYSIK had been gone before she again entered SOLTYSIK's apartment, but several days had probably elapsed. [REDACTED] was extremely hesitant to enter the apartment due to her previous confrontation with SOLTYSIK. [REDACTED] noted that the outside light to the apartment had remained on for several days. [REDACTED] contacted the owner, GEORGE ISAAK, when she realized that SOLTYSIK was gone and was instructed to clean the apartment.

[REDACTED] noted numerous empty bottles of cheap wine and liquor in the apartment and a large stock of various health foods, many in one-gallon sized containers and large economy sized items. SOLTYSIK had left many personal belongings in the apartment including sweaters, sweatshirts, pants, towels, wash clothes and a variety of other items but nothing which appeared to be of much value. [REDACTED] did not recall how she disposed of these items.

[REDACTED] noticed nothing unusual among the personal belongings other than a portion of a letter which [REDACTED] did not read before discarding.

When SOLTYSIK rented the apartment, [REDACTED] had volunteered to have the apartment painted but SOLTYSIK insisted that would not be necessary.

On one occasion, [REDACTED] replaced an old worn-out refrigerator in SOLTYSIK's apartment with a more modern one. SOLTYSIK objected to this and had some of her friends move out the new refrigerator and put back the old one.

SOLTYSIK had numerous visitors which [REDACTED] noted were mostly young black males. Seldom did [REDACTED] see any female visitors. [REDACTED] did not think that anyone else permanently resided with SOLTYSIK in the apartment.

b7c [REDACTED] did not become acquainted with any of SOLTYSIK's visitors other than very casually and did not notice any particular visitors who repeatedly returned. [REDACTED] did not know the names of any of these individuals and did not think she could identify any of them should she see them again.

[REDACTED] stated a [REDACTED] was believed to have tried to seduce SOLTYSIK but was rebuffed. [REDACTED] was unaware of any other tenants being acquainted with SOLTYSIK.

Photographs of PATRICIA HEARST, CAMILLA HALL, WILLIAM and EMILY HARRIS, WILLIAM WOLFE, ANGELA ATWOOD, NANCY LING PERRY and DONALD DE FREEZE were displayed to [REDACTED] but she did not recognize any of the individuals in the photographs as having been visitors of SOLTYSIK.

Upon conclusion of the interview [REDACTED] stated she would contact the FBI should she think of anything which might be of assistance in locating the HARRIS' and PATRICIA HEARST.

The following investigation was conducted by

67C SA [REDACTED]

AT SAN SIMEON, CALIFORNIA

On June 21, 1974, [REDACTED]

[REDACTED] was interviewed at the Hearst San Simeon State Park [REDACTED]. He stated that no further information has come to his attention concerning the location of PATRICIA HEARST or STEVEN WEED since he was last contacted. As he previously reported, PATRICIA HEARST and STEVEN WEED visited this HEARST San Simeon State Park on or about January 22, 1974, at which time PATTY and STEVE watched he and his crew prune roses and that is the closest he has ever been to PATTY HEARST. There was no conversation exchanged between them at this time. He stated he is unaware of any phone calls originating from STEVEN WEED's phone to his [REDACTED] residence in [REDACTED] however it is possible his wife may have received these calls.

[REDACTED] did state that he recalled [REDACTED] Wynton, which is an 83,000 acre spread about 15 miles east of Mt. Shasta, mentioning that he had some sort of problem with PATTY HEARST about one year ago. As he recalls, PATTY and some of her friends spent a week or weekend at Wynton which contains a Bavarian-type village along the Mc Cloud River. [REDACTED] is not sure of the difficulty, but he believes it involved PATTY and her girlfriends picking up some hippie-type hitchhikers and that [REDACTED] apparently reported it to PATTY HEARST's father who then made PATTY leave the property.

On June 21, 1974, [REDACTED] was interviewed at the HEARST San Simeon State Park [REDACTED]. She stated that she does recall receiving some long distance phone calls, exact number unknown, late in 1973 or 1974 from PATTY HEARST who called [REDACTED] to accompany her, PATTY,

2
LA 7-1627
LCB/jah

62c to the HEARST San Simeon Castle for a special visit to the library and wine cellar. She stated that it was necessary for PATTY to call her two or three times as it was impossible for [REDACTED] to accommodate PATTY upon her first or second request. She recalled that PATTY called her on or about January 20, 1974, which was a Sunday and then PATTY HEARST and STEVEN WEED came to the Hearst Castle on January 21, 1974.

On January 21, 1974, [REDACTED] spent the entire day with PATTY HEARST and STEVEN WEED on the special tour of the library and wine cellar of the Hearst Castle. [REDACTED] stated that PATTY impressed her as being a typical girl of her age, but not quite as sophisticated as she felt that PATTY should be considering her sheltered life. PATTY and STEVEN were with [REDACTED] from about 9:00 or 10:00 a.m. until about 4:00 p.m. and as she recalls, they did not even take a break for lunch. PATTY was bemoaning the fact that her family did not take more books from the HEARST Castle Library when it was permissible to do so in the past. PATTY said her mother did not care for books, but PATTY and STEVEN had [REDACTED] lay aside several original editions of books they would like to have if it ever becomes possible for the State to release them. [REDACTED] has since returned these books to the library stock, but somewhere she believes she has a list of the books that PATTY and STEVEN requested and if she can locate this list, she will turn it over to the FBI. She stated most of these books were classics, beautifully-illustrated and primarily of the children and fairytale-type books. PATTY and STEVEN spent a couple of hours in the wine cellar including time it took to pick and load some wine which they had permission to take from her father. They were driving a jeep-type vehicle and had a dog with them.

PATTY appeared to be quite upset during her visit as [REDACTED] kept calling for [REDACTED] and wanted [REDACTED] to call him back. The purpose of [REDACTED] call to [REDACTED] was to insure that PATTY and STEVEN did not remove any of the books from

3
LA 7-1627
LCB/jah

b7c | the Hearst Castle and PATTY was upset to think that [REDACTED] was going to return [REDACTED] call as PATTY felt it was not necessary since she, PATTY, intended to stop by and clear with her father concerning obtaining the books that had been layed aside. PATTY imparted the feeling that [REDACTED] was not entirely on her side in connection with her trying to obtain the books.

[REDACTED] stated she believes she is the closest staff member at the Hearst Castle to PATTY HEARST and she believes that if PATTY had any occasion to contact anyone at this State Park, it would be her at which time she will immediately notify the FBI.

b7C [REDACTED]
[REDACTED]
California, was contacted at his place of employment by SA [REDACTED]. Following his extensive review of tapes, and transcripts of those tapes, prepared by the Synchionese Liberation Army (SLA), [REDACTED] offered the following analysis:

The remaining SLA members have likely gone underground with sympathizers to regroup and gather new members, rather than going off by themselves to purely elude capture. He sees them tying in with individuals who may already have an organization, or individuals who have credibility with the new left movement (he used the example of someone like JOAN BAEZ, singer and anti-war activist of the 1960's).

He feels that the next time the SLA is heard from it will be via some urban guerrilla-type of tactic, a hit and run situation, in which they will attempt to show that "the man" or the establishment is very vulnerable. An example of this tactic would be the knocking out of a power station or destruction of a building. Random killing of law enforcement officials or the other "enemies" of the SLA is viewed to be an unlikely tactic. They consider themselves the true patriots, the last defenders of the Constitution, and they must fight the establishment to the death.

The rebuilding of the SLA at this point centers around the three original members (WILLIAM and EMILY HARRIS and PATRICIA HEARST) as symbolic leaders, with the deceased members of the SLA as martyrs. He finds no weakness in the remaining three members not feeling guilty about the deaths of the others. Since they do not feel responsible for the deaths of the others, any tactic of law enforcement aimed at working on a guilt will not yield results. On the contrary, they feel proud of the deaths. That is, they feel that their comrades have fallen in battle, the most noble gesture, and they will use that as a concept and tactic for retrenchment. In recruiting new members, they will point to the deaths of the other SLA members as an example that

Interviewed on 7/23/74 at Los Angeles, California File # Los Angeles 7-1627
by SA b7C [REDACTED] 216 ss/jah Date dictated 7/24/74

"the man" is going to kill them in the end and the only thing to do is to fight to the death.

As for PATRICIA HEARST, he is "80 percent confident" that on the first tape she was permitted to talk spontaneously after first being coached as to what to say, but toward the end was handed a document that she was reading (this section pertained to her status as a prisoner of war and the treatment she would be afforded as such a prisoner). He felt she was attempting to communicate that these were not her words.

He is of the opinion that HEARST was not part of the kidnapping, but that her own personality and thinking was at such a point when she was kidnapped that the SLA members were able to "turn her around" until she got to the point of wholehearted support for their views. She has now completely identified with the cause and she is now committed to that identity, just as much as the original members.

He does not believe that the three remaining members were involved much in the writing of any but the last tape, and in that tape, each probably wrote their own part. The philosophic proponents of the SLA (possibly the work primarily of NANCY LING PERRY) were not the HARRISEs or HEARST, and are among those dead now.

Viewing the goals and reasoning of the SLA, he feels law enforcement will best be able to locate and apprehend the individuals through any existing informant system in the counter culture, or by building some people into organizations which are most likely to be contacted by the SLA.

He suggests that in the future the person transcribing tapes for the Bureau be someone familiar with the jargon of the new left and blacks as he found several phrases which were missed by the transcriber. None of the phrases were significant, in his opinion, but a more accurate transcript might be important if future tapes are released.

Result of examination:

The photographs on Qc1883 and Qc1884 conform with respect to all observable characteristics; however, these photographs are not of sufficient quality to make it possible to reach a definite conclusion as a result of this comparison. It is also pointed out that in the comparison of the signatures on these specimens some handwriting characteristics in common were noted. Based on the observations made from the comparison of the photographs and of the handwriting, it is suggested that these two drivers licenses may be for the same person.

The photographs on Qc1881 through Qc1884 have been compared with photographs available for fugitives in this case without effecting an identification. Although the photographs on these questioned items are of poor quality, nothing of significance was noted to suggest that any of these photographs depict any of the fugitives.

Specimens Qc1881 through Qc1884 have been retained.

WITH THE EXCEPTION OF PATRICIA HEARST, THE
MEMBERS OF THE SLA IN THE PAST HAVE BEEN EMPLOYED
AT MENIAL, LOW-PAYING JOBS. SOME OF THESE JOBS
REQUIRED NO SKILL. WE ARE UNAWARE OF ANY SOURCE

EXISTS THAT THEY COULD BE RECEIVING AID FROM OR
BE EMPLOYED BY THE SALVATION ARMY OR GOODWILL

ALSO, IT IS POSSIBLE THAT THEY ARE RECEIVING

IN FURTHERANCE OF THIS PLAN, WE HAVE SUGGESTED TO THE HEARSTS THAT THEY MEET WITH [REDACTED] IN LOS ANGELES IN THE PRESENCE OF AGENTS OF THE LOS ANGELES OFFICE AND POINT OUT TO [REDACTED] THAT THEY HAVE RETAINED ATTORNEYS TO REPRESENT THEIR DAUGHTER AND THE FACT THAT THE AMOUNT OF BAIL IS NOT INSURMOUNTABLE TO THEM.

RE: DRUG STORES:

IT HAS BEEN SUGGESTED THAT ONE OF THE PLACES THAT ALMOST EVERY CITIZEN WILL PATRONIZE WHETHER HE IS IN A FUGITIVE STATUS OR NOT IS A DRUG STORE FOR SUCH THINGS AS MEDICATION, TOILET ARTICLES, AND SO FORTH; THEREFORE, IT IS SUGGESTED THAT THE POSSIBILITY OF CIRCULARIZING ALL DRUG STORES IN THE FOLLOWING STATES: CALIFORNIA, OREGON, WASHINGTON, NEVADA, ARIZONA, NEW MEXICO, MONTANA, AND UTAH, WITH A CIRCULAR LETTER CONTAINING THE INFORMATION ON WANTED FLYER 475A, BE EXPLORED.

RE: PATRICIA HEARST - FUNDS:

TO DATE, WE ARE UNAWARE OF ANY SOURCE OF INCOME OF THE THREE FUGITIVES IN THIS MATTER. WE KNOW THAT PATRICIA HEARST HAS A BANK ACCOUNT IN BERKELEY AND STOPS HAVE BEEN PLACED AGAINST THIS ACCOUNT. HER PARENTS, RANDOLPH AND CATHERINE HEARST, CLAIM THIS IS THE ONLY SOURCE OF INCOME SHE HAS ACCESS TO; HOWEVER, DUE TO THE COMPLEXITIES OF THE HEARST CORPORATION, WE ARE UNABLE TO DETERMINE IF THIS IS CORRECT.

LOS ANGELES IS REQUESTED TO APPROACH [REDACTED] b7c

--NEWS MEDIA COVERAGE--

DURING THE WEEK OF OCTOBER 14 TO 18, 1974, THE LOS ANGELES OFFICE HAS RECEIVED SIX INQUIRIES FROM MEMBERS OF LOCAL LOS ANGELES RADIO, TV AND MAJOR WIRE SERVICES FOR UP DATE COMMENTS RE THE STATUS OF CAPTIONED CASE. STATUS COMMENTS FURNISHED RE BACKGROUND AND CONTINUED INVESTIGATIVE EFFORTS WERE PRINTED AND AIRED THROUGHOUT THE LOCAL LOS ANGELES AREA BY MEMBERS OF THE MEDIA.

--REINTERVIEWS OF PERSONS AT 1466 EAST 54TH

STREET ON MAY 17, 1974--

ON OCTOBER 10, 1974, CHRISTINE JOHNSON AND ALASTINE BROOKS WERE REINTERVIEWED WITH NO ADDITIONAL INFO DEVELOPED. ON OCTOBER 15, 1974, EMMA LEE LEWIS, FORMERLY A TENANT AT 1466 EAST 54TH ST., WAS REINTERVIEWED AND INDICATED SHE NOW VAGUELY RECALLS THAT HER EX-HUSBAND, WILLIE MAIDEN, HAD BEEN BY THE 54TH ST. RESIDENCE ON THE AM ON MAY 17, 1974 TO PICK UP HIS DAUGHTER, LAVETTE, FOR SCHOOL. LOS ANGELES WILL INTERVIEW MAIDEN RE HIS OBSERVATIONS WHILE AT 1466 EAST 54TH ST.

ON OCTOBER 17, 1974, GEORGIA ANDERSON, AN INDIVIDUAL WHO HAD GONE TO 54TH ST. "OUT OF CURIOSITY", WAS REINTERVIEWED AND NOW RECALLED SPECIFICALLY THAT "CINQUE", DONALD DAVID DE FREEZE, HAD MENTIONED THAT HE HAD UTILIZED THE TELEPHONE BOOTH AT THE CORNER OF 56TH ST. AND COMPTON BLVD. OBSERVATION AT THIS LOCATION REVEALED TWO TELEPHONE BOOTHS WITH TELEPHONE NUMBERS 232-9357 AND 232-9294. LOS ANGELES WILL RECHECK ROLL RECORDS AT THESE LOCATIONS FOR POSSIBLE SIGNIFICANT

TELEPHONE CALLS AND SET OUT APPROPRIATE LEAD.

ANDERSON ALSO ADMITTED THAT SHE HAD WITHHELD THE FACT THAT BOTH HER YOUNGER BROTHER, FRANKLIN ANDERSON, AND SISTER, BARBARA ANDERSON, HAD, IN FACT, ALSO BEEN AT THE 54TH ST. LOCATION PRIOR TO THE SHOOTOUT AND HAD CONVERSED OPENLY WITH CINQUE AND OTHER SLA MEMBERS. LOS ANGELES ENDEAVORING TO INTERVIEW BOTH ANDERSONS FOR THEIR OBSERVATIONS RE ACTIVITIES AT 1466 EAST 54TH ST.

~~REDACTED~~ ~~REDACTED~~ WAS REINTERVIEWED BY AGENTS OCTOBER 17, 1974, AT HIS RESIDENCE IN WEST LOS ANGELES, CALIF. ~~REDACTED~~ ADVISED HE HAD "WASHED HIS HANDS OF THE WHOLE AFFAIR". HE STATED HE HAD BEEN RECENTLY IN TOUCH WITH MR. MC INNIS, THE HEARST LAWYER, AND ADVISED HIM HE COULD NO LONGER BE INVOLVED IN THIS INVESTIGATION BECAUSE HE WAS NOT ASSURED PATRICIA HEARST'S DEFENSE HAD BEEN PREPARED WELL ENOUGH TO PREVENT HER GOING TO PRISON. SINCE TALKING TO MC INNIS, HE HAD CEASED ALL HIS INVESTIGATIVE EFFORTS TO LOCATE PATRICIA HEARST.

~~REDACTED~~ WAS EXHIBITED A SERIES OF PHOTOS. THE FIRST PHOTO WAS A PHOTO SHOWING ~~REDACTED~~ b7c

~~REDACTED~~ IMMEDIATELY POINTED TO ~~REDACTED~~ AND SAID, "THAT'S ~~REDACTED~~" NOTED WHILE VIEWING OTHER PHOTOS THAT HE HAD HEARD OF "DOC" HOLIDAY

PAGE FIVE

LA 7-162

BUT WE DID NOT KNOW WHAT HE LOOKED LIKE. HE LOOKED AT A PHOTO CONTAINING THE PICTURES OF EMILY HARRIS [REDACTED] "DOC" HOLIDAY AND AN UNIDENTIFIED WHITE FEMALE AND OBSERVED THAT THE UNIDENTIFIED WHITE FEMALE LOOKED VERY FAMILIAR TO HIM. OF THE PHOTOS OF BLACK MALES FROM THE CLEVELAND, OHIO, AREA, [REDACTED] WAS UNABLE TO SELECT ANY WHICH APPEARED TO BE FAMILIAR TO HIM. b7c

[REDACTED] REITERATED HE HAD BEEN IN FREQUENT CONTACT WITH [REDACTED] DURING THE EARLY PART OF HIS INVESTIGATION. HE ADVISED THAT HE WAS PUT ONTO [REDACTED] BY [REDACTED]

[REDACTED] STATED HIS INITIAL CONTACT WITH [REDACTED] WAS NOT ESPECIALLY SUCCESSFUL INASMUCH AS SHE WAS VERY SUSPICIOUS AND EVEN ACCUSED HIM OF WORKING FOR THE FBI. HE ADVISED HOWEVER THAT EVENTUALLY [REDACTED] CAME TO TRUST HIM FULLY AND TALKED TO HIM IN GREAT LENGTH. HE STATED IT WAS HIS OPINION THAT [REDACTED] WAS CONTACTED BY THE HARRISES AND PATRICIA HEARST IMMEDIATELY AFTER THE SHOOT OUT ON EAST 54TH ST. IT WAS HIS OPINION [REDACTED] TOLD THEM TO LEAVE HER ALONE AND HAVE NO FURTHER CONTACT WITH HER INASMUCH AS IT WOULD JUST GET HER INTO TROUBLE AND DRAG HER DEEPER INTO THE AFFAIR. HE FURTHER STATED IT WAS [REDACTED] WHO WAS ABLE TO PUT HIM IN TOUCH WITH OTHER PEOPLE IN LOS ANGELES THAT ULTIMATELY RESULTED IN HIS CENTERING HIS INVESTIGATION IN CLEVELAND, OHIO.

PAGE SIX

LA 7-1627

[REDACTED] ADVISED THROUGH THE ASSISTANCE GIVEN HIM BY [REDACTED] HE CONTACTED THREE BLACK MALES AND ONE WHITE FEMALE SEVEN OR EIGHT TIMES. HE ADVISED THESE PEOPLE WERE FROM LOS ANGELES AND THAT ALL THE CONFERENCES WITH THEM WERE HELD IN THE BLACK SECTION OF LOS ANGELES. THE MEETING SITES INCLUDED TWO HOUSES AND TWO APARTMENTS. [REDACTED] DECLINED TO FURTHER DESCRIBE EITHER OF THE LOCATIONS OR THE RESIDENCES THEMSELVES. [REDACTED] ADVISED WHEN A MEETING WAS SCHEDULED HE WOULD BE PICKED UP EITHER BY HIS SISTER OR BROTHER-IN-LAW, TAKEN TO A DESIGNATED LOCATION AND DROPPED. HE WOULD THEN BE PICKED UP BY THE INDIVIDUALS WITH WHOM HE WAS TO CONFER. THESE INDIVIDUALS INVARIABLY DROVE A LATE MODEL, DARK-COLORED LINCOLN AUTOMOBILE. HE FURTHER ADVISED THE WHITE FEMALE WHO NEVER GOT OUT OF THE CAR, LOOKED VERY MUCH LIKE THE UNIDENTIFIED WHITE FEMALE IN THE PHOTO MENTIONED ABOVE. b7c

[REDACTED] STATED IN THE CONFERENCES HE HELD WITH THESE PEOPLE HE CAME TO THE CONCLUSION THEY DID NOT KNOW PRECISELY WHERE PATRICIA HEARST AND THE HARRISES WERE. HE ALSO STATED HE DID NOT THINK [REDACTED] KNEW THE CURRENT LOCATION OF EITHER PATRICIA HEARST OR THE HARRISES BUT DURING HIS CONVERSATIONS WITH THESE PEOPLE, THE NAME CLEVELAND WAS INADVERTENTLY MENTIONED BY ONE OF THEM. HE STATED WHEN THIS PERSON MENTIONED CLEVELAND, THE OTHER INDIVIDUALS IN THE GROUP b7c

PAGE SEVEN

LA 7-1627

LOOKED AT HIM DISGUSTEDLY AS IF HE "HAD MADE A SLIP OF THE TONGUE".

REAGAN ADVISED WHEN HIS INVESTIGATIONS BEGAN TO CENTER ON CLEVELAND, OHIO, HE CONTACTED "HIS PEOPLE UP THERE AND GOT THEM TO WORKING ON THE PROBLEM". HE WAS THEN VISITED BY THREE BLACK MALES FROM CLEVELAND, ONE OF WHOM WAS A GO-BETWEEN. [REDACTED] ADVISED THAT HE WAS CONVINCED THAT THESE PEOPLE KNEW WHERE PATRICIA HEARST WAS. HE STATED THAT AFTER TALKING WITH THEM IN PERSON IN LOS ANGELES, HE LATER TALKED WITH THEM SEVERAL TIMES BY TELEPHONE AND THAT THEY ULTIMATELY ADVISED HIM THAT THEY DID NOT FEEL THAT PATRICIA HEARST WOULD VOLUNTARILY RETURN TO HER PARENTS BUT THAT IT MIGHT HAVE TO BE DONE BY FORCE.

HE STATED WHILE THE THREE BLACK MALES FROM CLEVELAND WERE VISITING HIM, THEY WERE ALSO PUT INTO CONTACT WITH THE PEOPLE [REDACTED] HAD BEEN MEETING IN LOS ANGELES AND THAT HE, [REDACTED], FELT THAT THE PEOPLE IN CLEVELAND LOOKED DOWN ON THE LOS ANGELES PEOPLE. HE FELT THAT THERE WAS NOT A GREAT DEAL OF RESPECT ON THE PART OF THE PEOPLE IN CLEVELAND FOR THOSE IN LOS ANGELES.

[REDACTED] DECLINED TO IDENTIFY ANY OF THE PEOPLE IN EITHER THE CLEVELAND GROUP OR THE LOS ANGELES GROUP.

[REDACTED] ADVISED HE HAD "LAID OUT A GOODLY SUM OF MONEY" IN HIS DEALINGS WITH THESE PEOPLE. HE ADVISED THEY WERE AIDING HIM IN HIS

PAGE EIGHT

LA 7-1627

INVESTIGATION IN PART OF EXPECTATION OF MONETARY REWARD FROM HIM, BUT ALSO, HE FELT, OUT OF RESPECT FOR HIM AND WHAT HE COULD DO FOR THEM. HE DOES NOT FEEL HE WAS BEING "PUT ON" OR "RIPPED OFF". HE HAS A GREAT DEAL OF CONFIDENCE IN HIS PEOPLE IN CLEVELAND [REDACTED]

[REDACTED] AND FEELS IF OTHER PEOPLE WERE TRYING TO "RIP HIM OFF", HIS PEOPLE WOULD TAKE CARE OF THEM.

[REDACTED] STATED HE NOW FELT HE COULD ADVISE THE INTERVIEWING AGENTS THAT HE WAS CONVINCED THAT AS OF A WEEK AGO, PATRICIA HEARST AND MOST PROBABLY THE HARRISES WERE IN CLEVELAND, OHIO. STATED HOWEVER HIS LAST CONTACT WITH HIS CLEVELAND SOURCE DURING WHICH CONTACT HE ADVISED THE SOURCE THAT HE WAS DISCONTINUING HIS INVESTIGATION, THE SOURCE ADVISED HIS LAST CHECK OF THE LOCATION WHERE PATRICIA HEARST AND THE HARRISES WERE STAYING HAD SHOWN THAT THEY WERE NO LONGER AT THAT LOCATION. [REDACTED] TOLD HIS SOURCE THAT IT DID NOT MATTER INASMUCH AS HE WAS NO LONGER INVESTIGATING THIS MATTER. WHEN ASKED AS TO WHETHER THE FUGITIVES WERE NO LONGER IN CLEVELAND OR HAD JUST CHANGED LOCATIONS WITHIN CLEVELAND, [REDACTED] STATED HE DID NOT KNOW THE ANSWER TO THAT QUESTION BUT THAT HE WAS OF THE OPINION THAT THEY WERE NO LONGER IN CLEVELAND, OHIO.

[REDACTED] STATED THAT THE THREE BLACK MALES WHO VISITED HIM FROM CLEVELAND REFERRED TO EACH OTHER BY "FUNNY-SOUNDING NEGRO NAMES"

PAGE NINE

LA 7-1627

WHICH COULD POSSIBLY HAVE BEEN AFRICAN-TYPE OR SWAHILI. HE FURTHER ADVISED ALL OF THE INDIVIDUALS HE HAS BEEN DEALING WITH, BOTH IN CLEVELAND AND LOS ANGELES, WERE PROBABLY AFFILIATED WITH AN ORGANIZATION BUT HE DECLINED TO COMMENT FURTHER ON WHAT THE ORGANIZATION MIGHT BE.

BASED ON THE POSSIBILITY THAT [REDACTED] MAY BE RECEIVING ACCURATE INFO RE THE FUGITIVES' WHEREABOUTS AND HAS, IN FACT, "WASHED HIS HANDS" OF THE WHOLE AFFAIR, THE FOLLOWING SUGGESTION WAS MADE TELEPHONICALLY TO THE SAN FRANCISCO OFFICE ON OCTOBER 17, 1974.

THE HEARSTS CONTACT [REDACTED] TELEPHONICALLY AND REQUEST A MEETING IN LOS ANGELES BETWEEN THEM, [REDACTED] AND THE TWO BUAGENTS WHO HAVE BEEN INVESTIGATING THIS PHASE. THE PURPOSE OF THE MEETING WOULD BE TO CONVINCE [REDACTED] TO WORK WITH THE FBI OR AT LEAST MAKE AVAILABLE TO THE AGENTS ALL OF THE FACTS RE HIS INVESTIGATION. SAN FRANCISCO IS CONTACTING THE HEARSTS RE THIS MEETING.

--VENCEREMOS ORGANIZATION (VO)--

IN JULY 1974, THE SAN FRANCISCO DIVISION REPORTED INFORMATION FROM A CONFIDENTIAL SOURCE THAT [REDACTED]

[REDACTED] REPORTED THAT WILLIAM AND EMILY HARRIS AND OTHER SLA MEMBERS WERE MEMBERS OF A VO MARXIST-LENINIST STUDY GROUP THAT CONTINUED AS A NON-AFFILIATED STUDY GROUP AFTER THE EAST BAY VO SPLIT FROM THE VO IN JULY 1973. [REDACTED] REPORTED THAT THE GROUP THAT BECAME THE SLA DID NOT BELIEVE IN MARXISM-LENINISM AND WERE INTERESTED IN PRISON WORK. EMILY HARRIS BECAME ACTIVE IN ODC BECAUSE SHE BELIEVED SHE

COULD TURN THAT GROUP INTO A PRISON COLLECTIVE.

THE CDC WAS FORMED IN SAN BERNARDINO, CALIFORNIA, FOR SUPPORT OF FOUR VC MEMBERS CHARGED AND CONVICTED OF SECOND DEGREE MURDER AND ESCAPE AND RESCUE OF A PRISONER IN CASE INVOLVING THE ESCAPE FROM THE CHINO FACILITY OF RONALD WAYNE HEATY IN OCTOBER 1973. DURING HIS ESCAPE, A GUARD WAS KILLED. ALL DEFENDANTS RECEIVED A SENTENCE OF FIVE YEARS TO LIFE IN THE CALIFORNIA PRISON SYSTEM.

IN JUNE 1974, THE SF DIVISION ADVISED THAT MATERIAL FOUND BY THE OAKLAND PD IN A RESIDENCE ABANDONED BY WILLIAM AND EMILY HARRIS AND ANGELA ATWOOD CONTAINED THE NAMES AND SAN BERNARDINO ADDRESSES OF MIKE HOLMAN AND ENID HUNKELER WITH NOTATIONS INDICATING CONNECTION WITH THE CDC.

IN THE RUINS WAS LOCATED A VO MEMBERSHIP LIST FOR THE OAKLAND, CALIFORNIA, AREA AND A VO MEMBERSHIP LIST FOR SAN BERNARDINO, CALIFORNIA. ON THE SAN BERNARDINO LIST WERE THREE NAMES WHICH HAVE BEEN IDENTIFIED AS ENID MARGO HUNKELER, MICHAEL ALEXANDER HOLMAN (THE BROTHER OF ANDREA HOLAND) AND THOMAS DUNPHEY.

SUBSEQUENT TO TRIAL RESULTING IN CONVICTION OF ABOVE NOTE CHINO DEFENDANTS, KEY MEMBERS OF THE CDC, INCLUDING ENID HUNKELER, MIKE HOLMAN, BARBARA HYLAND AND VIRGINIA FALLER ESTABLISHED CDC HEADQUARTERS AT 300 NORTH BONNIE BRAE, LOS ANGELES, AND ALSO RESIDED THAT ADDRESS.

BUREAU AGENTS ARE EXAMINING THE PREMISES AT 300 NORTH BONNIE BRAE, LOS ANGELES IN AN EFFORT TO DEVELOP POSSIBLE LATENT FINGERPRINTS OF WILLIAM HARRIS, EMILY HARRIS, OR PATRICIA HEARST.

DURING A RECENT REINTERVIEW OF [REDACTED] b7c
[REDACTED] OF THE RESIDENCE LOCATED AT 833 WEST 84TH STREET, LOS ANGELES, CALIFORNIA, [REDACTED] INDICATED THAT HE COULD NOT IDENTIFY PHOTOS OF WILLIAM AND EMILY HARRIS AS INDIVIDUALS HE HAD SEEN AT THAT RESIDENCE WHILE IT WAS OCCUPIED BY THE SLA. [REDACTED] WAS UNABLE TO IDENTIFY FROM A DISPLAY OF THE PHOTOGRAPHS OF SLA MEMBERS A WHITE FEMALE HE SAW AT THE SLA HOUSE. IN PAST INTERVIEWS, HE HAD INDICATED THIS GIRL WAS PROBABLY PATRICIA HEARST, BUT HE IS NOW QUITE POSITIVE IT WAS NOT PATRICIA HEARST. LOS ANGELES IS OBTAINING BEST POSSIBLE PHOTOS OF LOGICAL CDC MEMBERS FOR DISPLAY TO [REDACTED] IN AN ATTEMPT TO IDENTIFY THIS UNKNOWN WHITE FEMALE.

A REVIEW OF INFORMATION AVAILABLE TO LOS ANGELES REGARDING THE VO AND CDC HAS IDENTIFIED APPROXIMATELY 14 INDIVIDUALS KNOWN TO HAVE DIRECT OR PERIPHERAL CONTACT WITH VO-CDC HEADQUARTERS, 300 NORTH BONNIE BRAE, LOS ANGELES. A CHECK OF THE CALIFORNIA LAW ENFORCEMENT TELECOMMUNICATIONS SYSTEM REVEALS EIGHT OF THESE INDIVIDUALS WITH ADDRESSES IN THE

LA. 7-1627

PAGE EIGHTEEN

LOS ANGELES AREA AND THE REMAINDER WITH ADDRESSES IN THE SAN FRANCISCO BAY AREA. LEADS ARE BEING SET OUT SEPARATELY TO CONDUCT APPROPRIATE INVESTIGATION REGARDING EACH OF THESE PERSONS.

SAN FRANCISCO MAY DESIRE TO REVIEW ITS INVESTIGATION TO DATE CONCERNING THE SLA, VO AND CDC IN AN ATTEMPT TO CORRELATE ANY INFORMATION CONTAINED THEREIN TO THE EVENTS WHICH TOOK PLACE IN LOS ANGELES DURING MAY 1974. SAN FRANCISCO AND THE BUREAU MAY BE AWARE OF AN INFORMANT OR OTHER INDIVIDUALS WHO MAY BE IN A POSITION TO MAKE CONTACT WITH VO-CDC MEMBERS IN AN EFFORT TO DEVELOP INFORMATION REGARDING THE FUGITIVES.

AFTER A THOROUGH REVIEW OF THE INFORMATION SET FORTH ABOVE, LOS ANGELES HAS SELECTED TWO TEAMS OF AGENTS FROM THE HEARNAP SPECIAL AND HAS ASSIGNED THEM EXCLUSIVELY TO THIS PHASE OF THE INVESTIGATION. THIS HAS BEEN DONE SINCE AT THIS POINT IN THE INVESTIGATION, IT WOULD APPEAR MOST LIKELY THAT INDIVIDUALS CONNECTED WITH THE CDC OR VO MAY HAVE ASSISTED THE FUGITIVES IN THEIR ESCAPE.

RE: HEARNAP

It is noted that on all six autopsies there was a negative finding of any drugs such as morphine, codeine, or barbiturates and also there was no finding of "tear gas" in the bodies.

Additional scientific investigations and laboratory testing are still being conducted in various phases. The results will be reported in Part II. The modes of death will not be determined until completion of the additional studies.

Above is submitted for Mr. Callahan's use.

Dear Dr. Noguchi:

I appreciate very much the document which you recently left with Associate Director Nicholas L. Callahan during your visit with us. I am sorry I was not present because I would have liked very much to discuss the report with you. I have not had time to read it in its entirety, but it appears to be well written and complete and should leave no doubt as to the condition of the subjects after the shoot-out.

I continue to get complaints about the activities of members of law enforcement who were involved in this matter, and in several such communications, great criticism is voiced about the activities of the officers. My consistent position has been that actually the SLM people were invited to surrender and the first gunfire came from them after we discharged tear gas into the home. They having fired, the issue then was resolved and necessitated return fire. The results thereafter came about as a result of their decision and not ours. It is never the intention of law enforcement to get into a shoot-out, but, on the other hand, when fired upon as we were, the only course which could logically be taken was to return the fire.

NOTE: Referenced teletype from Los Angeles, requested approval for circularization of approximately 60,000 WFs in Inglewood, California. Los Angeles has advised that it will cost \$16 per 1,000 for mailing list plus \$6 per 1,000 to address and otherwise handle. Mailing cost regarding postal rates would be at approximately six cents per 1,000. Total cost involved would be approximately \$4,400. This circularization is being undertaken based on the possibility that the fugitives in this case may have rented a residence or purchased an automobile in Inglewood, California, either prior to or subsequent to the Mel's Sporting Goods incident. This communication gives Bureau approval for the circularization.

He reportedly alleged that he had spent some time in Canada in contact with the Weatherman faction of the SDS. Inquiries at the U.S. Navy Base prior to the actual interview of [REDACTED] determined that [REDACTED] had been AWOL on several occasions and during December of 1973 surrendered himself to authorities in Ohio. He was shipped to the U.S. Navy Base in "legal hold status." After arrival at the U.S. Navy Base, Philadelphia, he became involved in a military investigation pertaining to stolen military identification cards. During questioning on this identification card matter [REDACTED] began volunteering unrelated information pertaining to his alleged knowledge of the SLA and the SDS. He initially furnished a lengthy and disjointed narrative.

Upon interview by a Bureau agent [REDACTED] recanted the original information furnished by him to military authorities. He denied that he actually knew anyone in the SLA. He stated B. A. [REDACTED] that he had been told by an individual named [REDACTED] on board a Navy ship that he was a member of the SLA, however, [REDACTED] clarified this by saying that [REDACTED] had a reputation of being a liar. He described [REDACTED] as being a Navy enlisted man, white male, age 18, 5'7", husky build, from Denver, Col. He met [REDACTED] on board the [REDACTED]. As far as he knows [REDACTED] returned to that ship after being in AWOL status. [REDACTED] advised NIS investigators that [REDACTED] may have been involved in the damage to the reduction gears of the [REDACTED] which the Navy was investigating. [REDACTED] denied any other knowledge of the SLA organization or any of its members. When questioned regarding his possession of a note, a xerox copy of which is attached to this airtel, he stated that he does not recall ever having written that note although it does appear to be in his handwriting. [REDACTED] explained that he is a regular narcotics user and would be likely to write a note of this nature and not recall having written the note.

During this same interview [REDACTED] alleged that in early 1972 he resided for several months in the town of Moose Jaw, Canada, in the province of Saskatchewan. He alleged that he lived in a house which he was unable to furnish an address for where he met an SDS member. He described this person as known only to him by the name [REDACTED]. He provided a description of TACOME and an approximate location, which is very vague, of the house where he and TACOME lived for a two month period.

[REDACTED] also advised that he had previous dealings with OSI at Minot Air Force Base, North Dakota, and that OSI at that base had confiscated his address book. [REDACTED]

PH 7-299

alleged that he had furnished considerable information to OSI regarding drug shipments from Canada to Minot Air Force Base.

At the time that [REDACTED] was questioned at Philadelphia he had in his possession several sets of false identification and considerable papers of his own. One card in his possession shows an appointment with a psychiatrist in Middletown, Ohio, for Thursday, July 12, year not shown. The psychiatrist is [REDACTED] b7c

DATE: October 9, 1974

: Regional Security Officer, Ralph F. Earl

: Suspicious Person - Male White, Approximately 30 years, 5'10", 160
Blond Hair, Blue Eyes, Blond Mustache. Claimed Norwegian Citizenship.

RE: RSO verbal report to Legatt on October 9, 1974.

On October 9, 1974, a person identifying himself as Robert SCAVRON, American citizen, employed by the Interstate Commerce Commission Bureau of Enforcement telephoned the RSO. SCAVRON stated that he wanted to report a man whom he encountered in a Paris bistro in the Latin Quarter on October 6, 1974 at 10:30 PM.

The ten minute encounter took place when this suspicious person struck up a conversation in English. This person told SAVRON that he was an expert with nitroglycerin and other explosives and had worked for Palestinian terrorists. He expressed admiration for his "friends in California who had blown themselves up, except for the girl who is now in France".

From this statement, SCAVRON inferred that the girl was Patty Hearst. For that reason, he wanted to pass the information on to an American official of the Embassy. SCAVRON's reason for not reporting the information sooner was his inability to use the French telephones.

Further data provided by the suspicious person was his claim of four years service in the Norwegian Army, an arrest and six months in jail in Denmark during the past 18 months for illegal possession of explosives and travel from Mexico to the United States (Chicago, Pittsburg and New York). No additional information was provided.

SCAVRON stated that he was traveling in Europe and expected to be in Seattle on October 21, 1974. He may be reached through his office : ICC Bureau of Enforcement, Seattle. Wash., Tel. 442.5480.

[REDACTED] WHEN INTERVIEWED MORE RECENTLY HAS STATED HE HAS WASHED HIS HANDS OF THE WHOLE AFFAIR AND HAS CEASED ALL INVESTIGATIVE EFFORTS TO LOCATE PATRICIA HEARST. [REDACTED] HAS ADVISED THAT WHEN HIS INVESTIGATIONS BEGAN TO CENTER ON CLEVELAND, OHIO, HE CONTACTED "HIS PEOPLE UP THERE AND GOT THEM TO WORKING ON THE PROBLEM". HE WAS THEN VISITED BY THREE BLACK MALES FROM CLEVELAND, ONE OF WHOM WAS A GO-BETWEEN.

[REDACTED] ADVISED HE WAS CONVINCED THAT THESE PEOPLE KNEW WHERE PATRICIA HEARST WAS. HE STATED HE LATER TALKED TO THEM SEVERAL TIMES BY TELEPHONE AND THEY ULTIMATELY ADVISED HIM THAT THEY DID NOT FEEL THAT PATRICIA HEARST WOULD VOLUNTARILY RETURN TO HER PARENTS. **FBI REQUESTS DENTISTS' AID IN LOCATING
PATRICIA HEARST, AND WILLIAM AND EMILY HARRIS**

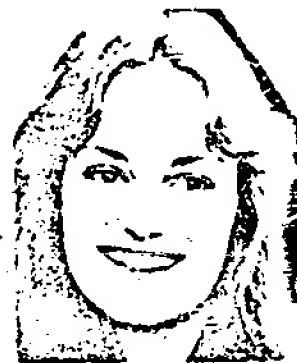

The Federal Bureau of Investigation is conducting an investigation to determine the whereabouts of Patricia C. Hearst, William T. Harris, and Emily M. Harris, whose photographs, dental information, radiographs, and one dental chart appear on these two pages.

A federal warrant charging robbery of a San Francisco bank on April 15, 1974, was issued at San Francisco for Miss Hearst, who was abducted from her Berkeley, Calif., residence on Feb 4, 1974, by a group that has identified itself as the

Symbionese Liberation Army (SLA). The participants in the bank robbery also claimed to be members of the SLA.

Federal warrants charging violations of the National Firearms Act were issued at Los Angeles on May 20 for all three. The trio, who may be traveling together, are known to be heavily armed and should be considered dangerous.

Dentists are requested to notify the nearest FBI office if they have any past or current information regarding these individuals.

PATRICIA C. HEARST

**PATRICIA HEARST HAS
28 VISIBLE TEETH**

A progressive series of right and left bitewings of Patricia Hearst's mouth is shown below. The bottom two radiographs are from 1965, and the others are from (bottom to top) 1967, 1968, 1970, and Jan 30, 1974. There appears to be possible caries in the mesial surface of the upper left first premolar.

According to the latest dental information available, Patricia Hearst has 28 visible teeth; her upper and lower third molars are present but have not erupted.

The arches are normal and occlusion is excellent. Orthodontic treatment was completed in 1967. All metal restorations have detailed carvings with very accurately finished margins and are highly polished.

Restorations are present in:

—upper right first molar: mesio-occlusal inlay stopping at the central pit;

—upper right second premolar: mesial pit amalgam;

—upper right first premolar: mesial pit amalgam;

—upper left first premolar: mesiolingual, Adaptic;

—upper left second premolar: mesiobuccal cusp pit, Adaptic;

—upper left first molar: mesio-occlusal gold inlay, stopping at the central pit;

—upper left first molar: distal pit and lingual groove inlay;

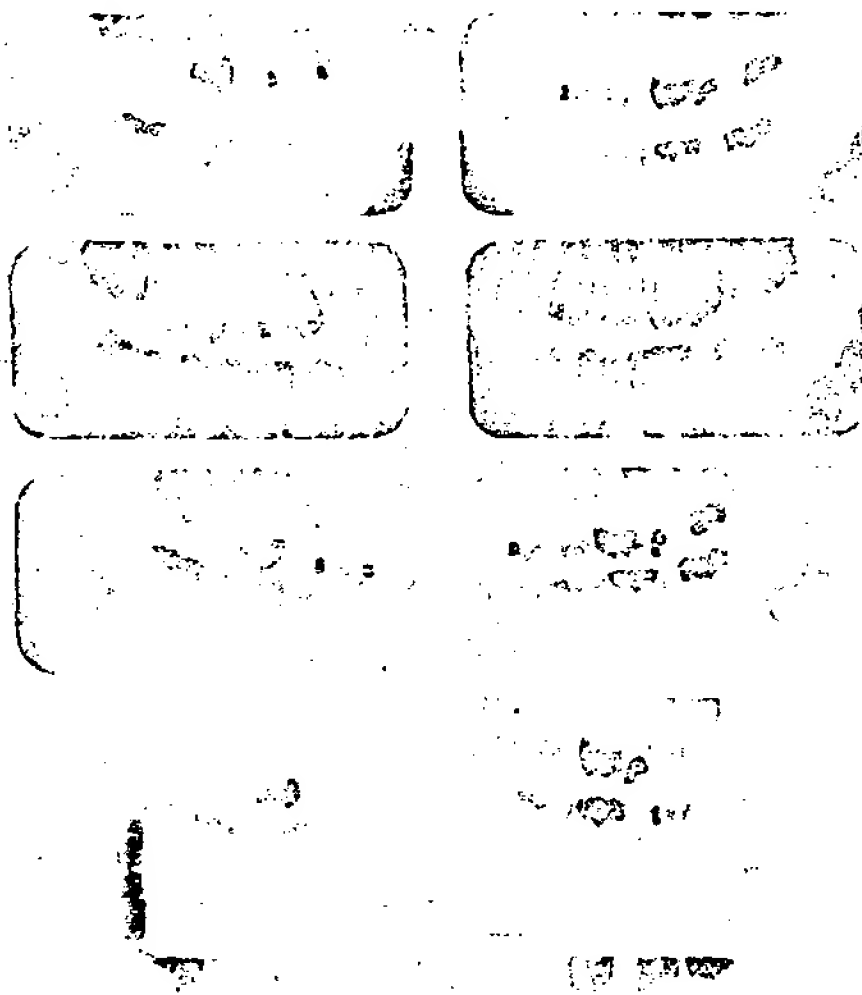

—lower left second molar: full occlusal gold inlay;

—lower left first molar: full occlusal gold inlay; and

—lower right second molar: full occlusal gold inlay.

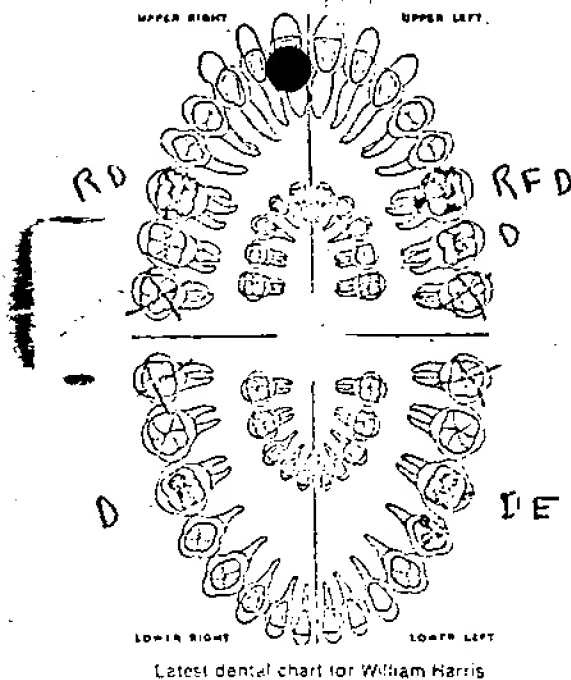

Her next dental problem may be a difficult eruption of the lower right third molar or lower left third molar.

No recent dental chart for Miss Hearst was made available.

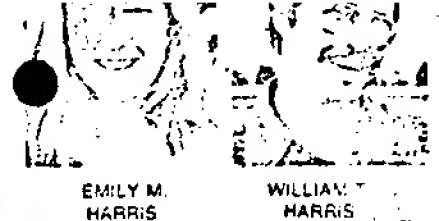

ENCLOSURE

7-15200-3332

Upper left and lower right quadrants of William Harris

WILLIAM HARRIS'S DENTAL CHART INTERPRETED

The following interpretation of the dental chart and radiographs of William Harris have been made by George A. Gwinn, a dentist from Noblesville, Ind.

The latest dental chart available was obtained in December 1963 and shows amalgam restorations in the mesiodistal (R) and occlusal (D) surfaces of the upper right first molar; three amalgam restorations in the R, D, and F (lingual) surfaces of the upper left first molar; an amalgam restoration in the D surface of the upper right second molar; two amalgam restorations in surfaces D and E (labial) of the lower left first molar; an amalgam restoration in the distodistal (S) surface of the second lower left premolar; and an amalgam restoration in the D and I (mesial) surfaces of the lower right first molar.

In addition, Dr. Gwinn advised that at age 11, Harris had slight incisal fractures to the upper left and right central incisors. He noted that these fractures might not now be discernible.

Dr. Gwinn added that all other dental conditions could have changed during the past six years.

LIMITED INFORMATION ABOUT EMILY HARRIS

Other than the right and left bite-wings shown on this page, there is no recent dental chart or dental information available about Emily Harris.

It is known that Mrs. Harris has an upper partial denture replacing the upper lateral incisors.

Right and left bitewings of Emily Harris's mouth. The periapical view indicates the congenital absence of the upper right second molar. The presence of a deciduous second molar in the bitewings indicates the possibility of congenitally missing upper left second

RE: Nationwide Publicity

Re Butel to all SAC's, 10/15/74.

Referenced Bureau teletype to all SAC's sets forth details regarding nationwide publicity in this case in national publications during November, 1974.

Captioned case is similar in many respects to the extensive national fugitive investigation conducted in 1960 in connection with the case entitled "COORNAP, OO: DENVER," Bufile: 7-9575.

Extensive circularization of wanted flyers and other information was disseminated to numerous sources without developing any information regarding the whereabouts of the subject, JOSEPH CORBETT, JR., aka. An article regarding CORBETT and his photograph was published in the "Reader's Digest". This article resulted directly shortly after its publication in the location and apprehension of CORBETT at Vancouver, British Columbia, Canada, on October 29, 1960.

On 6/19/74, DMV, Sacramento records revealed that there is no record on file for [REDACTED]. The driver's license described in report dated 6/11/74 for [REDACTED] with [REDACTED]. Records showed that this license has not been in use since at least prior to 6/23/71. This license was validly renewed 6/21/74.

Due to the differences in dates of births involved and the length of time the license has not been used, it is not felt by Sacramento that license [REDACTED] applies to the deceased infant identity.

POSSIBLE FALSE PASSPORTS OF EMILY HARRIS,
WILLIAM HARRIS AND PATRICIA HEARST--

LOS ANGELES HAS COMPLETED REVIEW OF RECORDS MAINTAINED BY PASSPORT OFFICE, LOS ANGELES, OF PASSPORT APPLICATIONS FOR THE MONTHS OF MAY, JUNE AND JULY 1974. THE RESULTS OF THIS REVIEW ARE BEING FORWARDED TO THE WASHINGTON FIELD OFFICE IN ORDER THAT A REVIEW CAN BE CONDUCTED OF PERTINENT PASSPORT APPLICATIONS LOCATED DURING THIS PERIOD. THE REVIEW OF CURRENT PASSPORT APPLICATIONS ON A WEEKLY BASIS CONTINUES. TO DATE, NO PERTINENT INFO HAS BEEN DEVELOPED FROM THIS REVIEW.

--REINTERVIEWS OF PERSONS AT 1466 EAST 54TH STREET
ON MAY 17, 1974--

BOTH BARBARA AND FRANKLIN ANDERSON, SISTER AND BROTHER OF GEORGIA ANDERSON, INTERVIEWED AND BOTH INDICATED THEY HAD BEEN PRESENT AT THE 1466 EAST 54TH STREET RESIDENCE JUST PRIOR TO THE SHOOTOUT. FRANKLIN ANDERSON SPECIFICALLY INDICATED THAT HE HAD BEEN AT THIS RESIDENCE ON TWO SEPARATE OCCASIONS EARLIER IN THE MORNING AND WAS ABLE TO IDENTIFY THROUGH PHOTOS DONALD DAVID DE FREEZE; HOWEVER, AFTER EXTENSIVE INTERVIEW, NEITHER ANDERSON WAS ABLE TO PROVIDE ADDITIONAL INFO WHICH HAD NOT BEEN PREVIOUSLY FURNISHED BY OTHER WITNESSES.

PAGE THREE

LA 7-167

EFFORTS ARE CONTINUING TO LOCATE AND INTERVIEW WILLIE MAIDEN, EX-HUSBAND OF EMMA LEE LEWIS, WHO REPORTEDLY VISITED THE RESIDENCE AT 1466 EAST 54TH ST. ON MAY 17, 1974 FOR A SHORT PERIOD.

LOS ANGELES CONTINUES TO RECHECK TOLL RECORDS OF TELEPHONE BOOTHS AND OTHER LOGICAL TELEPHONES LOCATED IN THE VICINITY OF 1466 EAST 54TH ST., AND ALSO 833 WEST 84TH ST., IN AN EFFORT TO DEVELOP INFO RE THE ACTIVITIES OF THE SLA WHILE IN THESE AREAS.

b7c [REDACTED] RESIDENCE LOCATED

AT 833 WEST 84TH STREET, LOS ANGELES, CALIFORNIA--

DURING A RECENT REINTERVIEW OF [REDACTED] INDICATED THAT HE WAS UNABLE TO POSITIVELY IDENTIFY PHOTOS OF WILLIAM AND EMILY HARRIS AS INDIVIDUALS HE HAD OBSERVED AT 833 WEST 84TH ST., LOS ANGELES, CALIF., WHILE THIS RESIDENCE WAS OCCUPIED BY THE SLA. HE WAS ABLE TO IDENTIFY DE FREEZE, HALL, SOLTYSIK, PERRY AND HEARST. HE TENTATIVELY IDENTIFIED ATWOOD ALSO. IN PAST INTERVIEWS, [REDACTED] INDICATED THAT WHITE FEMALE WITH BLOND HAIR WHO ACCOMPANIED NANCY LING PERRY ON THE AFTERNOON OF MAY 10, 1974, WAS PATRICIA HEARST. [REDACTED] NOW FEELS THAT THIS WAS DEFINITELY NOT HEARST. THIS UNKNOWN BLOND FEMALE ALSO HELPED NANCY LING PERRY, WHO WAS USING THE NAME SUSAN RIVERA, MOVE INTO THE RESIDENCE AT 833 WEST 84TH STREET.

PAGE FOUR

LA 7-1527

b7c [REDACTED] HAS BEEN SHOWN A DISPLAY OF PHOTOS DEPICTING SLA SYMPATHIZERS AND KNOWN VENCEREMOS ORGANIZATION (VO) AND CHINO DEFENSE COMMITTEE (CDC) MEMBERS, BUT HE HAS BEEN UNABLE TO IDENTIFY THE WHITE BLOND FEMALE WHO ACCOMPANIED NANCY LING PEPRY.

A LOS ANGELES PD ARTIST HAS PREPARED A COMPOSITE DRAWING OF THE UNKNOWN WHITE FEMALE OBSERVED BY b7c [REDACTED] COPIES OF THIS COMPOSITE WILL BE USED IN AN EFFORT TO IDENTIFY THIS UNKNOWN FEMALE AND ARE BEING PROVIDED TO THE SAN FRANCISCO DIV SEPARATELY.

--RE MICKEY COHEN--

THE NEWS MEDIA IN LOS ANGELES, CALIF., HAS CARRIED, ON OCTOBER 24, 1974 AND OCTOBER 25, 1974, EXTENSIVE COVERAGE INDICATING THAT MICKEY COHEN HAD IN THE PAST MET WITH THE HEARST FAMILY AND HAS BEEN ATTEMPTING TO ASSIST THEM IN LOCATING PATRICIA HEARST.

COHEN WAS CONTACTED IMMEDIATELY AFTER THESE NEWS STORIES APPEARED. COHEN DENIED THAT HE HAD BEEN THE ORIGINAL SOURCE OF THIS INFO. HE INDICATED THAT HE HAS BEEN AND WOULD CONTINUE TO ANSWER NEWS INQUIRIES IN A STRAIGHT-FORWARD MANNER, BUT HE DOES NOT INTEND TO REVEAL ANY PERTINENT INFO RE HIS INQUIRIES TO LOCATE PATRICIA HEARST. COHEN STATED HE WOULD NOT ELABORATE TO THE NEWS MEDIA ON HIS COOPERATION WITH THE FBI IN THIS MATTER.

PAGE FIVE

LA 7-1637

COHEN STATED THAT HE HAD JUST BEEN INTERVIEWED AND TAPED BY MARILYN BAKER, A SAN FRANCISCO NEWS REPORTER AND AUTHOR OF THE BOOK ENTITLED "EXCLUSIVE", RE THE PATRICIA HEARST KIDNAPING. COHEN STATED THAT BAKER HAD BECOME ANGRY WITH HIM BECAUSE HE WOULD NOT GIVE HER MORE DETAILED INFO RE THIS MATTER. COHEN REQUESTED THAT THE HEARSTS NOT ATTEMPT TO CONTACT HIM IN THE NEAR FUTURE RE THIS MATTER IN VIEW OF THE PUBLICITY WHICH HE HAD RECEIVED.

IT WAS COHEN'S DEFINITE OPINION THAT THE INFO WAS ORIGINALLY PROVIDED TO THE NEWS MEDIA BY SOMEONE CONNECTED WITH THE INTELLIGENCE DIVISION, LOS ANGELES RE, SINCE THEY OBSERVED HIS MEETING WITH THE HEARST FAMILY AT GADSPY'S RESTAURANT IN LOS ANGELES, AND BASED ON THE INFO FURNISHED HIM BY A REPORTER FROM THE "LOS ANGELES TIMES", BILL HAZLETT.

BASED ON ABOVE INFO, THE MEETING TENTATIVELY PLANNED BETWEEN THE HEARSTS, MICKEY COHEN AND BUAGENTS FOR OCTOBER 31, 1974, SHOULD BE POSTPONED. EVEN THOUGH MUCH OF THE INFO RE MICKEY COHEN'S EFFORTS TO LOCATE PATRICIA HEARST HAS BEEN PUBLICIZED, IT WOULD APPEAR HE MAY STILL HAVE INFO OF LEAD VALUE. IN PARTICULAR, IT IS FELT THAT EFFORTS SHOULD CONTINUE TO OBTAIN THE IDENTITIES OF INDIVIDUALS WHO REPORTEDLY HE WAS DIRECTED TO [REDACTED]

b7D

PAGE SIX

LA 7-1627

DURING HIS INQUIRIES. ADDITIONAL CONSIDERATION SHOULD BE GIVEN IN THE NEAR FUTURE TO A MEETING BETWEEN THE RANDOLPH HEARST FAMILY, MICKEY COHEN AND AGENTS AS PREVIOUSLY ARRANGED.

CLEVELAND SHOULD HOLD ANY INVESTIGATION RE THIS PHASE IN ABEYANCE UNTIL MORE SPECIFIC INFO IS DEVELOPED.

--VENCERENOS ORGANIZATION/CHINO DEFENSE COMMITTEE--

RECAPITULATION KNOWN FACTS INSTANT CASE INDICATES POSSIBLE SIGNIFICANT PRIOR INVOLVEMENT OF WILLIAM AND EMILY HARRIS WITH VENCERENOS ORGANIZATION (VO), AND WITH SPINOFF ORGANIZATION KNOWN AS CHINO DEFENSE COMMITTEE (CDC). SUCH RECAPITULATION IS SET FORTH AS FOLLOWS FOR EVALUATION PURPOSES AND AS BACKGROUND FOR LEADS TO BE SET FORTH.

In view of the attention being given by the news media to the involvement of Mickey Cohen in the efforts to locate Patricia Hearst, it can reasonably be anticipated that inquiries will be made at FBIHQ concerning this matter. It is further likely that representatives of "Argosy" magazine, which is currently preparing an article highlighting our efforts to locate the HEARNAP fugitives, will request a brief statement for inclusion in the article.

Set forth below is a proposed statement to be utilized in the event such inquiries are received in this matter.

In a case of this nature, we seek the full cooperation of the public, and when we receive a lead it is checked out thoroughly. Any information in this case, and that of course would include Mr. Cohen's information, is carefully evaluated and proper action taken. The matter in a nutshell is that until we have her back safely, we will look everywhere, at any time, and will check out every possibility.

RECOMMENDATION:

That the above proposed statement be approved for utilization in the event inquiries are received in this matter.

In connection with our efforts to focus greater attention on the Hearnap fugitives, on 10-9-74 Mr. Kelley met with Mr. Bert Randolph Sugar, Editor-In-Chief of "Argosy" magazine, and free-lance writer George Clifford. A general discussion ensued concerning this Bureau's search for Patty Hearst and William and Emily Harris. Thereafter, Mr. Sugar and Mr. Clifford were briefed on specific aspects of the Hearnap matter by Assistant Director Robert E. Gebhardt, and SAs Michael A. Morrow and Elroy Anthony of the General Investigative Division, and Inspector George W. Quinn and SA [REDACTED] of the External Affairs Division.

Subsequently, the Research Section, External Affairs Division, has been in direct and frequent contact with Mr. Sugar and Mr. Clifford, and has assisted them in the preparation of the Hearnap article.

The resultant article, including a statement by Mr. Kelley, has been submitted by Mr. Sugar for our review as to accuracy. Although some minor punctuation and grammar changes may be made, the attached text represents that which will appear in the December, 1974, issue of "Argosy." This issue will be on newsstands in mid-November.

RECOMMENDATION:

REC-84

That the attached article, including the statement by Mr. Kelley, concerning the Hearnap fugitives be approved for publication in "Argosy" magazine.

LEAD STORY--ARGOSY MAGAZINE--DECEMBER, 1974

The FBI needs your help.

A young girl is lost, and the FBI's 8,500 Agents--plus thousands of police officers from coast-to-coast--haven't been able to find her.

She is petite--5 feet 3 and 110 pounds--attractive, with a distinctive profile and a mole on the right side of her chin, and she is 20-years-old. She is in extraordinary danger.

Her name is Patty Hearst.

Everyone knows the story of Patty's abduction from her apartment in Berkeley last February 4. That single act gave her captors, a small and previously insignificant band called the Symbionese Liberation Army, more attention than many worthier causes could command.

The next steps in the drama--a tape of Patty's frightened voice pleading for her father to pay the millions for a food program for California's needy; Patty's strident voice on another tape announcing that she had joined the SLA; her participation in a bank robbery; her apparent role as a gunslinger in a petty larceny case; the shoot-out in Los Angeles that killed six of her companions-in-arms; her abrupt disappearance--commanded more attention than the plight of the poor she said she wanted to help.

Now she has vanished. No one outside the tight circle of the revolutionary left knows where she is. As the object of one of the greatest searches by law enforcement authorities in history, she can easily become the prey of unscrupulous people who, for their own ends, may seek further use of her name, her family's position and diminished fortune, and even sacrifice her life.

It doesn't have to be that way.

We know that people on the run often read stories about themselves. For example, Albert Nussbaum and Bobby Wilcoxson, the notorious bank robbers who were the subject of the FBI story in last month's issue, both had copies of an earlier ARGOSY with them when they were captured. The magazine contained a story of the search for Nussbaum and Wilcoxson.

Patty Hearst is probably reading this article now. There are some things she should know.

No matter how many people are with her, she is still alone in a difficult and often hostile world. She can't sleep or eat, or even live, without the constant, gnawing fear that someone will turn her in. And there are people waiting to do just that. Patty's father has posted a \$50,000 reward. It can be tempting, particularly in these times when it is so hard to come by a dollar.

Wherever Patty is hiding, she is, as one FBI Agent put it, "in her own prison." She can remember the places she used to like to go, and the people she used to like to see, but all of that is cut off from her now. Unlike justice in the real world, the sentence in Patty's private prison has no end. There is no time off for good behavior.

Patty is unquestionably aware of what happened to her SLA friends in Los Angeles and still may believe the authorities want to kill her, too. She might be, as one FBI Agent put it, "afraid of the, well, 'pigs'."

FBI Director Clarence Kelley has assured ARGOSY that he "absolutely" wants Patty alive and well.

"This is not a situation of good guys against bad guys," Kelley said. "It is an effort to bring Patty to justice. We're not out on a vendetta."

It's highly possible, of course, that Patty and the two people who were with her when she was last seen, William and Emily Harris, believe they are destined to be martyrs. But that's counter-productive. Dead people don't accomplish anything. Even Che Guevara's enshrinement as a hero among many young people in this country passed with the speed of today's fads. Human lives are worth more than that.

And Kelley doesn't want Patty's tragedy to bring any more killings--to FBI Agents, to police or to Patty and her friends.

"We just don't want any shoot-outs," he said. "Let's not have any violence."

Patty probably doesn't realize that by remaining a fugitive she is giving indirect assistance to certain criminals across the nation who are supposed to be her sworn enemies. Look at it this way: in the first four months of the search for her, the FBI alone invested 98 Agent-years (the equivalent of one person's work for almost a century) and an estimated \$2.6 million. Although accountants have not totaled up the additional expenditures, FBI spokesmen believe it has more than doubled in the ensuing months.

This work could have been channeled into other areas," Kelley said, "such as investigations of white collar criminals and organized crime." So, instead of fighting against corruption, Patty is helping it. That's not much of a revolution. She's wasting her own energy, as well as the FBI's, by running.

Patty has probably learned by now that life on the run isn't much fun. Many of the former members of the FBI's "Most Wanted Fugitives" list can attest to that. "Running is a bitch," said Donald Harvey, who was hiding out to escape murder charges for three-and-a-half months before his arrest last March. John Cooke, wanted on kidnaping charges, said "it is a relief to be caught. I knew it was coming, but I didn't know when." Francis Brannan, another murder suspect, said "I'm tired of running." And John William Clouser, known as "the Florida Fox," said "running is a helluva game."

Patty could probably say it better than anyone. It wasn't so long ago that she had clean sheets, and adequate clothes and good food. But it all probably seems far in the past for her. Now she would probably settle for a day's peace, or a lock on her door, or the ability to say "no" to one of her friends.

The toughest things, perhaps, for a revolutionary in hiding is the loss of a forum. If Patty really believed the things she said--and there is no reason to doubt it--the ideas she learned from her captors in just two months must have impressed her. With her friends dead, and only herself and Bill and Emily Harris left to spread their message, it seems unfortunate that they are now afraid to speak out. If people are willing to die for an idea, others should have the opportunity to hear it, and then decide whether or not to accept it.

An arrest would not necessarily silence Patty and her friends. Other revolutionaries have used courtrooms as effective forums. It was in a court in Santiago de Cuba that Fidel Castro defended his attack on an army barracks and won converts with his promise, "history will absolve me."

Patty probably doesn't even know how the public feels about her. She isn't hated, either by Americans in general or by the authorities. "There is no intensity of feeling against her," said FBI Director Kelley.

The nation, too, is compassionate about her predicament. There is no evidence to indicate she was anything but an unwilling prisoner of the SLA when she was kidnaped, and the Harrises were considered "fringe people" by the FBI. "Before the May shoot-out, we couldn't charge them with anything," an FBI spokesman said.

It seems natural to wonder why, with all these factors and such an enormous effort, Patty Hearst and her two companions are still at large.

Part of the problem, Kelley states, is because part of the public--those key witnesses and sympathizers--have not cooperated with the FBI in this case. Kelley is a big-shouldered man with a square jaw and eyes that are constantly probing behind

his dark-rimmed glasses. He projects the manner of a smart, tough cop, but there is a disarming gentleness in his voice when he talks about Patty.

The men who work for Kelley seem equally compassionate. It is almost unbelievable to find people directing a hunt of virtually unparalleled scope and intensity who talk about the target of their efforts with such understanding. It is almost like they are brothers, looking for a lost little sister. It is possible that law officers have never behaved quite like this. It is certain that there has never been a case quite like this.

"This is a crime that fits 1974," one FBI Agent said. "It was the first political kidnaping in this country. In a classic kidnaping, the kidnapers want to get the victim back as soon as possible. The victim is a stone around their neck. It all changed, though, when they made their ransom demand. They didn't want money. They wanted to feed every welfare family in California."

The strange dips and twists of the case have often left Agents frustrated. "There is no rational explanation for some of the things that have happened in this case," said one Agent. For example, it is rare, Agents said, for bank robbers to escape unnoticed.

"With even just two men, they are lucky if they can make the switch (change from their get-away car to another vehicle) without being seen. Usually, there are half a dozen people who see them. But after the April 15th robbery in San

Francisco, nine people--that's the entire San Francisco Giants baseball team--made the switch into two cars. Yet, we could only find one guy, a tradesman making a delivery, who saw it."

Agents are also dismayed by the unevenness of the SLA group's actions. The bank robbery is considered something of a tactical wonder, with five people carrying off the operation--including shootings inside and outside the bank--in two minutes, far quicker than the average time for a bank robbery. Yet Harris's attempt to steal a pair of socks smacked of raw amateurism. Professionals would never risk a confrontation while on the run.

And the absence of any confirmed sightings of Patty and her friends since early June is another bizarre turn. Although the FBI has had hundreds of thousands of tips in the case, and all have been checked out, the people who have actually seen Patty and the Harrises are keeping quiet. Normally, no place is safe for known fugitives. The answer may be the mystique of the new left, a movement that has been particularly baffling to the FBI. Daniel Berrigan and Angela Davis were located with great difficulty, while other wanted persons, like Bernardine Dohrn of the Weather Underground, have been able to evade the FBI for several years.

Kelley believes that Patty and her friends "really and truly are accepted as folk heroes by some people." He said that it is not uncommon for such fugitives to candidly

identify themselves to the residents of communes and receive sanctuary. "Then," he said, "a wall goes up around them. Nobody will say anything."

"This is one of the most puzzling cases I've faced in over 33 years in law enforcement," candidly states Director Kelley. "First Patty Hearst is the victim of a kidnaping and now she is the subject of serious criminal charges. But, with all the unanswered questions, let it be understood that Patty Hearst and the Harrises are wanted fugitives."

Other FBI sources indicated that no theory as to the location of Patty or the Harrises can be rejected. They may have separated, may have gone to Canada or Mexico, or may have remained in the Los Angeles area where they were last seen. They could be hidden in a sympathizer's basement, totally withdrawn from the eyes of a citizen who could report their whereabouts. Until the search can be narrowed down, it will be nationwide.

"We live with this thing day in and day out," an Agent said. "It might be that it'll take us a while to find them, but we'll keep trying."

Current efforts include massive distribution of flyers describing Patty and the Harrises in both English and Spanish, the latter aimed at Spanish-speaking communities in the U. S. and in Mexico. Police are also being circularized. "We'd like every police officer in the country to have one of these in his pocket," an Agent said.

Many detection aids are also being used, among them dogs trained to the scent of Patty and Mrs. Harris.

But until someone spots Patty, the case is stuck in the same place it was on June 7, while the FBI keeps looking for that one decisive clue.

Maybe that one clue will be yours!

A SPECIAL MESSAGE FROM THE DIRECTOR OF THE FBI TO ARGOSY READERS

I consider this case to be a very, very important case-- one of our most important. It isn't only the FBI and our 8500 Agents who are looking for Patty Hearst and William and Emily Harris, it's all of us who are interested in justice.

The FBI and the public together can do something. I can assure you that the FBI is sparing no effort to bring these three to the bar of justice, and will continue to do so. And we will succeed in our search. I can't say where or when, but I can say that we will find Patty Hearst and the Harrises. With full public cooperation in this matter, that day will come ever so much sooner. This is not a new appeal for public cooperation. In fact, much of the credit for the apprehension of the 33,000 fugitives from justice for the twelve months ending in June can be directly attributed to the public's cooperation and concern.

This public cooperation has manifested itself by providing us with literally hundreds of thousands of tips. Two of those once listed on the "Ten Most Wanted Fugitives" list were caught because people coming through the Bureau on its tour recognized pictures exhibited as someone they had only recently seen. We need this sort of cooperation again. I am now asking you, the ARGOSY reader, to contact us if you think you have information which

could assist us in our quest to capture Patty Hearst and William and Emily Harris.

The FBI has built its reputation through sound and solid performance. It was only through this performance that we could hope to gain both your support and that of the media.

We realize we must succeed in the Hearst case and we will. We've already expended much time and effort on this case and will continue to pursue it until that time when we succeed. But in order to succeed I must ask you, the ARGOSY reader, to

cooperate with us as you have so many times in the past.

I would like to ask each one of you personally to help. Study the photographs on the accompanying pages. Have you seen these three fugitives? Reconsider recent unusual happenings--no matter how trivial you think they were. Might they have some bearing on this important case? If you think that you may have some information, won't you either call us or write me directly. You may be the one to help us bring these three fugitives to justice.

Please feel free to write to me, Clarence M. Kelley, Director, FBI, Room 7000, Washington, D. C., 20535, or call me at (202) 324-3000 if you have information that will help us bring this case to a successful close. We need you and your help!

Clarence M. Kelley

CHRONOLOGY

February 4, 1974--Patty Hearst is kidnaped from her Berkeley, California, apartment at 9:20 p. m. by two men and a woman, who carry her screaming to a stolen car.

February 7, 1974--A letter sent to Berkeley radio station KPFA by the Symbionese Liberation Army (SLA), claims responsibility for the kidnaping, calling it "arrest and protective custody and, if resistance, execution" and warning that "should any attempt be made by authorities to rescue the prisoner, or to arrest or harm any SLA elements, the prisoner is to be executed."

February 12, 1974--The first of many taped messages from the SLA is delivered to the Berkeley radio station, featuring Patty Hearst's voice to reassure her parents and the voice of a spokesman, identified as Field Marshal Cinque, demanding "seventy dollars' worth" of food for every needy Californian as an act of "Good Faith."

February 13, 1974--Patty's father, Randolph A. Hearst, says he can't meet the demands of his daughter's kidnapers for a multimillion-dollar food giveaway.

February 16, 1974--In another tape recording, delivered to the Hearst family, Patty's captors ease their demands, saying they will "accept a sincere effort on your part" in meeting their demands.

February 18, 1974--Randolph A. Hearst announced formation of a People-In-Need food distribution program to win the release of his daughter, pledging \$2 million to feed the needy.

February 21, 1974--Another tape recording calls the Hearst offering "a few crumbs" and demands that an additional \$4 million be added within 24 hours.

February 22, 1974--The first food distribution program in the Bay Area breaks down in chaos as thousands fight for food and Hearst puts a limit on the SLA demands, but only if Patty is "released unharmed."

February 23-March 3, 1974--The People-In-Need program distributes \$1 million in food.

March 9, 1974--In a tape recorded message, Patty Hearst accuses her parents of indifference to the poor and the SLA demands an expanded food program.

March 23, 1974--An expanded food program gives away another \$1 million in food, completing the program.

April 2, 1974--A communique is delivered to "The Phoenix," an underground newspaper, promising that it will reveal the time and place of Patty Hearst's release within 72 hours.

April 3, 1974--In a tape recording delivered to radio station KSAM Patty Hearst announces that she has "chosen to stay with the SLA and fight for the freedom of all oppressed people"

and that she can never go back "to the life I lived before."

April 15, 1974--Patty Hearst is positively identified as one of five participants in the \$10,000 robbery of a branch of the Hibernia Bank in San Francisco, in which two bystanders are shot. Patty Hearst is named in a Federal indictment as a material witness.

April 24, 1974--In a tape delivered to a San Francisco policeman, Miss Hearst, as "Tania," boasts that "My gun was loaded" and that she was a willing participant in the bank robbery.

May 2, 1974--An abandoned debris-cluttered apartment in San Francisco is raided by the police and FBI only days after it was used as the original hideout for the nine members of the SLA and the possible location of the abducted Miss Hearst.

May 3, 1974--The deadline expires for the \$4 million food ransom offered for the return of Patty Hearst and the offer is withdrawn.

May 3, 1974--The Hearst family offers a \$50,000 reward for information leading to the safe return of their daughter.

May 16, 1974--Two women and a man, subsequently identified as William and Emily Harris and Patty Hearst, get away from Mel's Sporting Goods Store in Inglewood, California, after shoplifting an 89¢ pair of socks and spraying the store with a machine gun to effect an escape in their van.

May 17, 1974--Developing a lead from parking tickets left in the abandoned van, police and FBI Agents track six members of the SLA to a house at 1466 54th Street in Los Angeles, where they ignored the warning to come out and engaged the police and the FBI in a pitched battle. After an hour, the house caught on fire, possibly from a tear-gas cannister striking one of the SLA's bombs and all six died, either by gunshot wounds, burns or smoke inhalation.

June 6, 1974--Patty Hearst is indicted by a Federal grand jury for armed robbery and use of a weapon during a felony with the two charges carrying maximum prison sentences of 35 years.

June 7, 1974--Radio station KPFK in Van Nuys, California, receives a tape in which Patty Hearst, now calling herself "Tania," calls the six slain SLA members her "beautiful sisters and brothers" and vows that her "comrades didn't die in vain" but that she "died in that fire and was reborn."

June 8-November 18, 1974--No further word is received from Patty Hearst nor any substantive lead on her whereabouts supplied to the FBI.

November 19, 1974--The FBI asks that ARGOSY readers assist in locating Patty Hearst and William and Emily Harris.

WASHINGTON, D.C. 20535

HEARNAP

The Symbionese Liberation Army (SLA) came to our attention when they claimed credit for the killing of black Oakland School Superintendent Marcus Foster on November 6, 1973. On January 10, 1974, Joseph Remiro and Russell Little were arrested in Concord, California, following a shooting in the vicinity of a house believed to be occupied by Nancy Ling Perry, Russell Little, and at times, Donald David DeFreeze. Little and Remiro have since been charged with the Foster shooting.

At approximately 9:30 p.m., on February 4, 1974, Patricia Campbell Hearst, daughter of Randolph Hearst, was kidnaped from an apartment at 2603 Benvenue in Berkeley, which she shared with her fiancée, Steven Weed. She was kidnaped by two males, at least one of which was black and a white female. These individuals were armed with automatic weapons and in the getaway, shots were fired from these weapons. The SLA on February 7, 1974, in a letter to a radio station in Berkeley, claimed credit for the kidnaping of Patricia Hearst.

In the following weeks, the SLA communicated with the public and the victim's parents by letters and/or cassettes and made a demand for a massive food give-away program. In tapes received February 16, February 20, March 10, and April 3, 1974, the voice of Patricia Hearst was heard on the tapes.

In the April 3, 1974, tape, Patricia Hearst indicated that she had the option of being released or joining her captors, and she elected to join her captors.

Investigation by the FBI determined that in addition to Remiro and Little, the following individuals were central core members of the SLA, and some of them undoubtedly participated in the kidnaping of Patricia Hearst:

Nancy Ling Perry
Donald David DeFreeze
Patricia Michelle Soltysik
Camilla Christine Hall
William Lawton Wolfe
Emily Montague Harris
William Taylor Harris
Angela Atwood

ENCLOSURE

HEARNAP

On April 15, 1974, Donald David DeFreeze, Nancy Ling Perry, Camilla Christine Hall, Patricia Michelle Soltysik, and Patricia Campbell Hearst held up the Sunset Office of the Hibernia Bank in San Francisco obtaining \$10,692.51. During the robbery, they fired automatic weapons wounding a number of people in and about the bank. They escaped in rental cars. During the robbery, they apparently had a cover car occupied by four individuals with rifles waiting across the street.

Investigation at San Francisco reveals that the subjects remained in San Francisco following the kidnaping until approximately May 9, or in the early morning of May 10, 1974, when they departed for Los Angeles.

On May 16, 1974, William and Emily Harris, while shopping in Mel's Sporting Goods Store in Los Angeles, became involved in a scuffle following a shoplifting by William Harris. As the scuffle moved to the street and a revolver was displayed, an individual believed to be Patricia Hearst fired approximately 27 rounds from an automatic weapon from a van parked across the street from the sporting goods store. The three escaped in the van and subsequently kidnaped at least two individuals and ultimately disappeared on the afternoon of May 17, 1974, on the fringe of the Griffith Park area in Los Angeles after releasing their last hostage.

On the evening of May 17, 1974, Nancy Ling Perry, Camilla Christine Hall, Patricia Michelle Soltysik, Angela Atwood, Donald David DeFreeze and William Lawton Wolfe became involved in a shoot-out with the Los Angeles Police Department and the FBI at 1466 East 54th Street, Los Angeles, and all the above individuals perished.

The Harrises and Hearst were believed to have been in Los Angeles on May 19, 1974. Their whereabouts since that date is unknown; however, another tape containing their voices was received by a Los Angeles radio station on June 7, 1974.

OBSERVATIONS

Miscellaneous

With one exception, the SLA hardcore was composed of college educated Caucasians from the East Bay area of San Francisco who lived in a frugal style holding down menial jobs. The group was active in prison reform and directed the majority of their contacts with black inmates.

HEARNAP

VEHICLES

The general mode of transportation utilized by the members of the SLA was either rental cars or used vans.

FALSE IDENTIFICATION

Members of the SLA have been known to obtain birth certificates of individuals who are deceased and also birth certificates of individuals who are legitimate living people. They primarily have used identification of living people which was stolen. The Harrises are known to obtain false driver's licenses in fictitious names.

HOUSING

In the Fall of 1973, and up until approximately January, 1974, the SLA members resided in apartments and houses which were middle-income class areas and following the kidnaping of Patricia Hearst, they resided in extremely low-income areas in apartments and houses that were sometimes without water and electricity. They invariably either boarded up the windows or nailed drapes or other material across the windows so that no light was permitted into the dwelling. They also, on many occasions, installed additional security locks. The houses were generally without furniture and they utilized old mattresses or sleeping bags.

CLOTHING

The members apparently attempted to dress in a quasi-military manner. The girls generally wore blue jeans and peacoats or similar-type jackets and hiking boots. Upon many occasions, they wore two sets of clothing. Most of the SLA pads they abandoned contained wigs, indicating that the women could easily change hair color and styling.

WEAPONS

Our investigation indicates that the members of the SLA have practiced at at least one firearms range in the Berkeley area and possessed automatic pistols, revolvers, sawed-off shotguns, and M-1 carbines, which had been engineered so as to be capable of an extremely high cyclic rate of fire. When last seen, the Harrises and Patricia Hearst were known to have been in possession of at least two automatic carbines and handguns.

HEARNAP

THE FUGITIVES

The cohesive factors of the SLA in the beginning appeared to be DeFreeze and Nancy Ling Perry. Since these individuals are dead, the possibility certainly exists that the Harrises may have separated themselves from Patricia Hearst. It should be borne in mind that one of the fugitives could be encountered by himself. For this reason, a two-phase fugitive investigation should be conducted; namely, one phase focusing on Patricia Hearst and the second on the Harrises.

PROCESS AND DESCRIPTIONS

The details of the Federal process outstanding for Patricia Hearst, Emily Harris and William Harris and their descriptions, may be found on Wanted Flyer 475A.

INASMUCH AS THE FUGITIVES IN THIS MATTER ARE
KNOWN TO BE CARRYING AUTOMATIC WEAPONS, THEY
SHOULD BE CONSIDERED ARMED AND DANGEROUS.

A definite conclusion was not reached whether the questioned writing on Q1892 was prepared by any of the writers of the unidentified questioned writing, known writing or purported known writing on items previously submitted in this case and in case captioned "Symbionese Liberation Army (SLA) EM", due to the presence of unexplained variations and the lack of sufficiently comparable writing. However, nothing of particular significance was observed in comparing the questioned writing on Q1892 with the previously submitted unidentified questioned writing, known writing or purported known writing.

[redacted] was not in possession of the envelope at the time of this interview. He said he had no idea why [redacted] wrote him and the content of the letter could easily be fictitious. [redacted] denied having anything to do with the writing of the letter and during the course of the interview did not request anything in return for the letter except a copy.

The following is the letter furnished by [redacted]

Aug. 30, 1974

Hey Man, I'm on a Greyhound
rolling toward the big city, New
York. You're not gonna believe
what I've been up to for the
past few months when I tell you
but then on the other hand you
might believe it since you know
all the wild things I get into.

Would you believe that your old
pal was in the S.L.A.? Right!
The same S.L.A. that all the pigs
are looking all over the world
for. I'm the last one and I've got
all the loot or what is left of it
and I've got the name of a dude
in the city who has a close
connection with some Cubans.
I think he said Cubans some
Screw-up guy.

Let me give you the story
I was walking down the
strip in my old Volkswagen
when I see this dude sitting
and I pull over to get him
a lift and all of the sudden
there are 2 chicks with him
and he says something like
we are the S.A. and he
threws down on me with a
38. I just about shit but I
dove off on down the road
and they tell me they can't
gonna blast me if I'm cool
so I tell them I'm cool and
he puts the gun in his belt
which showed how dumb he
was because I could have
jumped out or grabbed for it or
anything. We rapped awhile
and I can see the guy is
nervous as hell and begin

3

to think maybe these chaps
are the S.L.A. so I've been
hearing a lot of shit on the
radio about it so I ask them
if they are interested in getting
kid because I agreed with the
S.L.A. and would help them out if
they really are who they say and
not some weirdos. I guess they
were real desperate because it
only took them a couple of minutes
to agree after I told them about
an old miner shack I'd found
up in the hills and had fixings
for hunting and ducking out. Did
you ever go up there with me to
that little place in the Klamath
mountains? I guess Redding is about
the biggest place around up there
and there are a lot of little towns
but who'd look up in those hills
for the S.L.A.? Nobody did!

With that in the air they
quit interviewing themselves
and being asked to wait, and
I met Patty (TAM) Heart and
Bill and Emily Harris and they
were telling me about all the
shit they had pulled off but
now things were getting hot
so they had to quit. They were
putting nice but real uptight on.
I passed around a few joints
and in a little while life was
a groove again.

They had all kinds of packed
money! I hauled our (5 mph)
up the interstate and never got
checked by the pig. We bought
about a ton of food, clothes,
blankets, ammo and some guns
for hunting and rolled on up
into the mountains the next
day and that is where I

been in the last few months. Me and Bill would go down to Radding for supplies occasionally and one time we got some dynamite grass too. The shack was just one room so we were all kinda on close quarters there and I got real friendly with Tania and one thing led to another and pretty soon we was fucking almost everyday. Huh! She was a good piece of ass and we hit it off good but she was moody too and like independent and that pissed me off because we was like living so close and all like too many rats in a box and we were all getting edgy and one day I asked Bailey if he was gonna turn some pig ass for what they did to the other SLA people and Patty's lover Willie. She'd

6

get depressed about that clown
and that bothered me, after
all he was blunnaury and
she was fucking me, who not
him. Anyway, Harris said
they were all washed up and
it would be suicidal to try to
pull something now. I told him
he was a chickenshit because
they had said they'd kill five
pigs in reprisal for each SIA who
was killed. I wanted to get some
action! They were all so damn
deflated and it was getting
worse all the time. So about a
week ago I say, Look I'm
tired of sitting around doing
nothing and I guess I'll split
pretty soon. You can imagine
that the dude got paranoid as
hell and said I couldn't leave
and I said that I wasn't gonna

spend winter freezing my ass
off even if Heart chose to fuck me
to death! So later that night
Harris and his old lady are outside
while me and Heart are getting it on
and the night is real quiet and I hear
Harris say we might have to get rid
of [redacted] and then I get nervous.
I feel like a trapped animal all of a
sudden. Well now. So later when
me and Heart get done Harris
and his old lady come back in
and they want to fuck so me and
Heart do outside for awhile.

We sit out on the rocks and top
and soon Heart says she is
going to use the shotgun and
I remember my kit in the
bus and I shoot up some
really hot crystal and I'm
expecting and I think about
what Harris said and I'm

8

getting super paranoid so I
am one of the 33's under my
jacket and after maybe 10
minutes Tania comes back and I
ask her about her future plan -
and she is as usual noncommittal
like she don't know or don't say if
she does know. Well, am I the
pig? She won't tell me anything.
So I tell her that I think Harris is
gonna waste me and she says,
No he wouldn't do that unless
you crossed me or something.
And I ask you [redacted] What's
a cross? Leaving when she
don't want me to - maybe. I start
freaking out in my head. After
some more time Emily comes out
and heads for the shithouse
and Tania goes inside - maybe
she's telling Harris what I said.
Then Emily comes back and

670

go in and I'm alone out there
with my mind racing telling
me I'm gonna get zapped any
minute so I get up and go in
and Harris is sitting on a box
loading his own .38. We had
three nice Coleman lanterns and
the whole inside was lit up.
I say, Jesus! and I pull out
my roscow and blast him off
the stool. Then I sort of went
nuts and I shot everyone until
I ran out of bullets. I took up
Harris' gun and looked around to
see if anyone was gonna get me
and Hearst was moaning and
trying to get up and get to me so
I blasted her about 3 slugs in
the chest and just finished her.
The other two was dead already.
What could I do? Did I have any
choice really? No, not really.

I was really pushing and I no
way could stop now so I started
packing the bus and getting ready
to move out. By morning I had
all the shit packed and I put
the tops of them in the bus and
shit they were stiff as fuckin
boards by morning and I had to
drive about an hour to this old
mine I know about which goes
practically straight down about a
mile it seems where I could
dump them. Then I had to haul
them about a quarter of a mile
from the dirt road I was on to
get them there and that was a
hell of a job in itself. Shit
seems to weigh a ton and they are
ridiculous to have to carry. I spent
all day dragging them up to the
mine and I dumped them in
and I heard them splash at the

bottom which was a big win.
When I went back to Ray
and sold the bag and all the
shit we had left and when I
went through my gear
found some more cash
than the cop had. I got
some. I never knew she had it.
It was a lucky find. After I sold
the pills, gear and bus I had
about \$1 grand. I figured I'd have
got rid of everything.

Then I met a dude I had known
in school with and he put me on
to a coke deal. When I told him I
had some money to invest, I
can get a bag in Mexico for about
2-3 thousand bucks. This is pure
high grade coke! I know I can
dump it around town for about
2500 a bag. Can you do that?
I get 3-bags for \$2 grand each.

5
a letter of a couple of I get at
home OK. I want each day 3
times so I want 4 times a day
lately and there which I ask for
a cut rate of 15 grand each
that gives me a \$135 per album
on my original six or so and I
will complete many of the S.R.
If I get trusted - well - that's
like but it's worth the risk
and I'll have almost \$4000. for
cash money, payoffs and
expenses. I hear they have a
couple of custom made in
their pocket and maybe I can
hook out some or something. I
can rent a plane and fly the
shit out if I have to. I still
have my license.

So listen [redacted], when you
get out see if you can - let me
up somewhere and if I'm flush
b7D

(B)

Will help you out. Baby, I wish
it for me if she never shows
one. If things go right I may
not see one of those big soldiers
we talked about and just cruise
around and keep ourselves to
ourselves. We could sail around the
world and get an ad girl too.

b7c Will I hope you get out soon.
I saw [redacted] and she had your
address. You move around so much
I hope this finds you. Write me
place you can write me to now.
I'll have to catch you.

Love show this letter around. I just
know you're crazy like me and won't
enjoy hearing the story. You know me
good enough to know I don't blurt it about
like this, right?

When I long drove the eastern
slope now leading into Denver.
Good-bye to the Rockies, fellows

In the mountains.
They are now all busy
working down the foot.

ENCLOSURE

CHRONOLOGY

SYMBIONESE LIBERATION ARMY

The Symbionese Liberation Army (SLA) is reported by police sources to have originated in the prisons of California through association of college educated Caucasians with black inmates under the auspices of the Black Cultural Association.

Prison to the Fall of 1973 and up to January, 1974, the SLA was given direction by black prisoner inmates; however, thereafter, the nominal head was DONALD DAVID DE FREEZE, aka Cinque, who escaped from Soledad Prison March 5, 1975.

b7D

[REDACTED] confidentially reported that there was a eight man organizing committee heading the operation of the SLA. These included three black inmates of California Penal System, CLIFFORD JEFFERSON, ROY SPARKS*, Chief of Staff, and JAMES "Doc" HOLLIDAY. The remaining members of the committee were NANCY LING PERRY, a field commander, WILLIAM WOLFE, Treasurer and Chief of Information, CINQUE, a field commander, THERO WHEELER**, a lieutenant field commander, and RUSSELL LITTLE, a lieutenant field commander.

* death by suicide

** fugitive - escaped

On the evening of February 4, 1974, three individuals, described by witnesses as two black males and a white female, entered the apartment of PATRICIA HEARST, daughter of RANDOLPH A. HEARST, President of the "San Francisco Examiner" Newspaper. At approximately 9:30 p.m., although the ruse of claiming car trouble, the female prevailed on STEVEN WHEED, Miss HEARST's fiancé, to open the door of the apartment at 1603 De Venice, Berkeley, California, to allow her to use the telephone. Two black males carrying automatic weapons entered, upon opening of the door, and after firing shots, proceeded to physically assault STEVEN WHEED, who occupied the apartment with Miss HEARST.

PATRICIA HEARST was forced into the trunk of a Chevrolet convertible, stolen earlier that evening from PETER BENENSON, 1304 Josephine Street, Berkeley, and driven away, the convertible being recovered abandoned approximately nine blocks from the site of the kidnaping. BENENSON was held hostage in his car until after the kidnaping, at which time he was released unharmed.

Until receipt of the first communication from the Symbionese Liberation Army (SLA), the only indication that

the SLA might have been involved in the kidnaping was the discovery of a box of 9mm cartridges containing quantities of potassium cyanide at the kidnap scene the day following the kidnaping.

The SLA, in letters to newspapers marked Communiqué #1 on November 7, 1973, had claimed credit for the killing of Dr. MARCUS FOSTER, Gallena, California Superintendent of Schools on November 6, 1973. FOSTER was killed with bullets drilled and filled with cyanide. Arrest of JOSEPH BENTRO and RUSSELL LITTLE on January 10, 1974 by local authorities and subsequent search of SLA residences substantiated SLA claims of responsibility for the killing of Dr. FOSTER.

Intimations of SLA responsibility for the kidnaping of PATRICIA HEARST were confirmed on February 7, 1974 by receipt of a letter sent to Radio Station KPFA, Berkeley, together with a Mobil Credit Card of RANDOLPH HEARST. The letter dated February 4, 1974 and captioned SLA Communiqué #3 stated that an arrest order had been served on PATRICIA CAMPBELL HEARST by combat elements of the SLA, and she was now in protective custody. If any attempts to rescue PATRICIA

HEARST or harm or arrest any SLA elements were made, it was stated that the prisoner would be executed. The letter added that further communications would follow.

On February 12, 1976, Radio Station KPFA was the recipient of a second note for RANDOLPH HEARST. The note demanded a symbolic gesture of the furnishing of \$70 worth of food to all people in California with welfare cards, Social Security Cards, pension cards, food stamp cards, disabled veteran cards, medical cards, parole or probation papers, and jail or bail release slips.

The SLA also demanded that their emblem, demand, aims, and purposes be widely published in their entirety in newspapers and other media. The demand was coupled with a threat that if these demands were not met, no further negotiations would be conducted and Miss HEARST would be executed.

A cassette containing the voice of PATRICIA HEARST accompanied the note to establish the authenticity of the claim she was being held by the SLA.

RANDOLPH HEARST, on February 15, 1974, made a public statement that he would respond publicly to the SLA demand as soon as he could study the logistics of attempting to distribute such a large supply of food.

Before HEARST could respond with the result of his study of the problem, another tape communication containing the voices of PATRICIA HEARST and CINQUE, General Field Marshal of the SLA, was received on the afternoon of February 16, 1974.

This tape, delivered through Reverend CECIL WILLIAMS of the Glide Memorial United Methodist Church, San Francisco, was left at the San Francisco Airport bus terminal, Reverend WILLIAMS' church being advised telephonically where a key to the bus terminal locker in which the tape cassette was found could be located.

The tape contained a statement by PATRICIA HEARST to the effect that she was being well treated, efforts to gain her freedom might endanger her life, and the SLA would accept a reasonable attempt by her father to comply with SLA demands as satisfactory. The voice of CINQUE then reiterated the SLA's willingness to accept a reasonable attempt by RANDOLPH HEARST to comply as satisfactory.

On February 18, 1974, RANDOLPH HEARST gave a statement to the news media to the effect that \$2,000,000, \$500,000 of which represented his own funds, would be utilized in connection with meeting SLA demands. He stated the balance would be provided by the Hearst Foundation and would be delivered to a tax exempt charitable organization approved by the Attorney General of California.

On February 19, 1974, RANDOLPH HEARST announced that an organization known as "People In Need" (PIN) had been formed to administer the distribution of food.

RANDOLPH HEARST's statement of February 18, 1974 to the effect that \$2,000,000 would be spent on the food distribution program was responded to by a fourth communication from the SLA on February 20, 1974 in the form of another tape sent to Reverend WILLIAMS. The tape containing the voices of PATRICIA HEARST and CINQUE demanded an additional \$4,000,000 be spent on the food program.

On the occasion of PATRICIA HEARST's birthday, February 20, 1974, Mr. and Mrs. HEARST made a public statement to the news media to the effect they felt sure she was all right and expressing their hope for a further reassuring communication from their daughter.

The first distribution of food by PIH occurred on February 22, 1974 and was the occasion of unruly crowds and attacks on police and distribution centers by recipients of the food. Later distribution was of a more orderly nature.

February 22, 1974 was also the occasion of a press conference by CHARLES GOULD, Hearst Corporation executive, at which the contribution of \$4,000,000 to the food program, \$2,000,000 to be released immediately and \$2,000,000 in January, 1975 by the Hearst Corporation was announced.

A prerequisite of release of the money to PIH was the release of PATRICIA HEARST unharmed. It was noted that if the offer was not acceptable by the SLA, no other funds would be committed by the corporation or Hearst Foundation under any circumstances.

Subsequent to the receipt of the February 20, 1974 tape from the SLA, no further communication was received until March 9, 1974, when a tape accompanied by a California State Automobile Association Membership Card of PATRICIA HEARST was sent to Radio Station KSAN,

San Francisco, California, a telephone call directing
then to a women's restroom at Foster's Restaurant, Polk
and Susan Streets, San Francisco.

The female voice on the tape accused the HEARST
empire of distributing poor quality food to the people, of
failing to publish all SLA communications and documents in
the media in full, and of lying to the people as to the
effectiveness of the PTH operation.

The speaker stated that PATRICIA HEARST would be
allowed to communicate with her family only after arrange-
ments were made for RUSSELL LITTLE and JOSEPH PENIRO to
speak on live television to the SLA and the people relative
to the conditions of their confinement.

The voice of PATRICIA HEARST then spoke criticizing
her parents, accusing the FBI of lack of regard for her
safety, and indicating her parents had not done all within
their power to run a proper food distribution program. Two
additional female voices spoke for a short period commenting
in the usual SLA rhetoric on the aims of the SLA. The voice
of CINQUE then spoke urging all oppressed people of all
races to arm themselves to wage war against corporations.

A duplicate of this tape was sent to Radio Station KPIX late on the evening of March 11, 1974, being left in the woman's washroom at Foster's Restaurant, 99 First Street, San Francisco.

A third tape, similar to the tapes received on March 9 and 10, 1974, was received by Radio Station KSAN on March 11, 1974 being left taped to a seat at the Metro I Theater, San Francisco. This tape differed only in that an additional female voice spoke at the end of the tape stating that the tape on which she was speaking had been sent as the FBI was attempting to stop SIA communications from reaching the public and to prevent this, the SIA was sending a duplicate communication.

On March 11, 1974, RANDOLPH HEARST gave a press statement in which he stated the PIN Program would be reorganized in an effort to comply with SIA demands, he would do all he could to gain permission for JOSEPH PERIRO and RUSSELL LITTLE to appear on television, and he reiterated his belief the FBI would do nothing to endanger his daughter's life.

On March 25, 1974, KPFA Radio Station received a letter for release over KPFA from JOSEPH PERIRO and RUSSELL

LITTLE complaining of the conditions of their confinement, lack of access to the public, and expressed the hope that PATRICIA HEARST would be released unharmed. The letter was replete with SLA rhetoric and philosophies.

On March 30, 1974, RANDOLPH HEARST released a statement from CLIFFORD JEFFERSON, aka "Death Row Jeff", a former and admitted SLA member, and two other inmates of the California State Prison System urging the release of PATRICIA HEARST as in the best interests of the poor and oppressed.

RANDOLPH HEARST on April 2, 1974, issued a further press release in which he set out the revised terms for contribution of the additional \$4,000,000 to the PLH Program. A deadline of May 3, 1974 was set as the termination of this offer, first made on February 22, 1974. The statement set a precondition of the release, unharmed, of PATRICIA HEARST prior to May 3, 1974, after which the offer would be terminated.

Subsequent to RANDOLPH HEARST's press release on April 2, 1974, the "San Francisco Phoenix", an underground newspaper of San Francisco, was the recipient of SLA

Communique #7, a letter dated March 29, 1974, stating that within 72 hours further communications regarding the release of PATRICIA HEARST could be made. The letter stated that the communication would set forth the state, city, and time of release.

The hopes raised by receipt of this letter for release of the kidnap victim were soundly crushed by the receipt by Radio Station KSAH on April 3, 1974 of a tape and photograph of PATRICIA HEARST standing before an SLA flag, dressed in a dungaree uniform, carrying an automatic weapon with a scope.

The tape, commencing with the voice of PATRICIA HEARST, claimed the voluntary nature of her following statement, criticized her parents and fiancé for failing to obtain the release of JOSEPH REMIRO and RUSSELL LITTLE on bail, stalling for time while the FBI attempted to assassinate her and her guards, and the sham of the PIN Program. She stated that she had been given a choice of being released or joining the SLA, and had made her decision to join the SLA and fight, adopting her new name, that of a female guerrilla fighter who had died fighting in Bolivia with CHE GUEVERA. She stated she now would be known as TANIA.

Other voices then spoke praising the leadership of CINQUE and philosophies of the SLA, followed by the voice of CINQUE thanking those who had aided in the PIN Program and pronouncing death sentences on three individuals accused by CINQUE of working with the enemy. He also stated that in the future, no further prisoners would be taken, all enemies of the people would be shot on sight. The tape closed with CINQUE announcing suspension of all further negotiations for the release of PATRICIA HEARST, inasmuch as it was now a moot issue.

On April 15, 1974, FBI conclusions as to the identity of the members of the SLA were confirmed in part by the robbery of The Hibernia Bank, 22nd and Noriega Streets, San Francisco. In this obviously well-planned robbery, witnesses and photographs taken by concealed cameras definitely established the identities of DONALD DAVID DE FREEZE, PATRICIA SOLTYSIK, CAMILLA HALL, NANCY LING PERDY, and PATRICIA HEARST, while four unidentified members waited outside of the bank in a protected vehicle. In a spray of gun fire, the nine members departed in two rented cars discovered abandoned several blocks from the bank scene a short time later.

The continuing controversy over whether PATRICIA HEARST was a willing or unwilling adherent to the SLA was only exacerbated by the robbery as witnesses differed on whether she appeared to be acting as a voluntary participant and photographs were interpreted on the bias of the observers as to whether or not they indicated she was a forced participant in the robbery.

On April 24, 1974, another tape from the SLA was received and made mention of the bank robbery, identifying it as an operation to expropriate funds to be utilized by the SLA in its operations. It contained the voice of PATRICIA HEARST, at which time she stated she was a willing participant in the bank robbery, disassociated herself with family and friends, and indicated she would be engaged in further operations of the SLA.

It was not until the discovery of the abandoned apartment at 1827 Golden Gate Avenue, San Francisco, on May 2, 1974, that had been rented on March 20, 1974, that knowledge of the whereabouts of the SLA since the bank robbery was uncovered. The former presence of PATRICIA HEARST in the apartment was confirmed, but again no conclusive evidence of the status of her presence was unearthed.

It was further determined the SLA moved to 1808 Oakdale, San Francisco, California, began May 1, 1974, departing for Los Angeles May 6, 1974.

It was not until the events of May 11 and 17, 1974 in Los Angeles, could even, connected with the attempted abduct of WILLIAM HARRIS and confirmation of the death of the six SLA members in the hearing before the Sub Committee that any doubt as to the nature of PATRICIA HEARST's participation with the SLA was resolved. The successful attempt of the former kidney victim to free WILLIAM HARRIS from his captors by a burst of gun fire resolved beyond any doubt the issue of whether or not she had now joined her former captors in their attack on the "fascist state".

The death of the six SLA members, DONALD DAVID DE FREEZE, PATRICIA "Blazmoon" SOLTYSIK, CARILLA HALL, ANGELA ATWOOD, WILLIE WOLFE, and NANCY LING PERRY, confirmed previous investigation identifying the handiwork of the SLA and the kidnapers of PATRICIA HEARST as eight in number, including WILLIAM and EMILY HARRIS.

Fugitive investigation is presently being conducted to locate WILLIAM and EMILY HARRIS and PATRICIA

HEARST who were all charged May 20, 1974 at Los Angeles, California with violation of the National Firearms Act. Bond was recommended at \$500,000 each.

On June 6, 1974, PATRICIA HEARST was indicted by the Federal Grand Jury, San Francisco, California with one count of Armed Bank Robbery and one count of Possession of Firearms in Commission of a Felony.

On June 7, 1974, a tape was received by Radio Station KPFK in Los Angeles. On the tape was the voice of TECC (WILLIAM HARRIS) who commented about the shooting on May 17, 1974, and the shoplifting which led up to the shooting. Next was the voice of VOLANDA (EMILY HARRIS) who also commented about the shooting. The voice following was that of TANIA (PATRICIA HEARST) who commented about the shooting and who expressed her love for CUJO (WILLIAM WOLFE) and her dissatisfaction with her parents and the type of life for which they stood.

MEMBERS OF THE SYMBIONESE-LIBERATION ARMY

PATRICIA CAMPBELL HEARST,
aka Tania

PATRICIA CAMPBELL HEARST, Caucasian female, was born February 20, 1954, in Los Angeles, the third of five daughters to the wealthy RANDOLPH and CATHERINE HEARST. PATRICIA was reared in Los Angeles until 1964 when her father moved to the Bay Area of California to become President of the "San Francisco Examiner". Since that time, the family has resided in Hillsborough, California. PATRICIA attended private, elementary, and high school and in 1970, transferred to the Crystal Springs School for girls. During her junior year, she met STEVEN WEED, a teacher in the school, who she began to date and to whom she later became engaged. During the summer of 1972, she travelled to Europe with a student group from Menlo Park College where she had enrolled. Returning to California for the school year of 1972, she enrolled at the University of California at Berkeley and began to share an apartment in that city with WEED, who was now a graduate student.

On February 4, 1974, HEARST was abducted from her apartment in Berkeley by members of the Symbionese Liberation Army (SLA). She was next seen participating in a bank robbery of The Hibernia Bank, Sunset Office, San Francisco, California. She has claimed that she freely became a member of the SLA. On May 16, 1974, she utilized an automatic weapon to free other SLA members who were being detained by store security guards in Los Angeles. She is now believed to be in the company of WILLIAM and EMILY HARRIS.

She has been charged with a violation of the National Firearms Act and the Federal Bank Robbery Statute.

WILLIAM TAYLOR HARRIS
aka Teco

HARRIS is a Caucasian male, who was born on January 22, 1945, in Fort Sill, Oklahoma. His mother and stepfather reside in Carmel, Indiana, and WILLIAM HARRIS attended high school in that city. He was a fraternity man at the University of Indiana, attending from September, 1963 to June, 1965, when he entered the United States Marine Corps. He received an honorable discharge in 1967, re-enrolling at the University of Indiana in February, 1968. HARRIS received a BS Degree in Education in 1970 and was awarded a Master's Degree in Education in 1973.

HARRIS married EMILY SCHWARTZ in late 1971, and the couple travelled for some two months in the Summer of 1972 before settling in Oakland, California. Since that time, WILLIAM HARRIS has been engaged in mainly menial jobs, working for REA Express, a day care center, and for the United States Post Office. He and his wife, EMILY, apparently planned on going underground, and they abruptly deserted their apartment after an Symbionese Liberation Army shoot-out in Concord, California on January 10, 1973. WILLIAM HARRIS was very active with prison inmates and working on prison reform.

HARRIS and his wife are believed to be presently in the company of PATRICIA HEARST.

EMILY MONTAGUE SCHWARTZ HARRIS
aka Yolanda

HARRIS is a female Caucasian, who was born on February 11, 1947 in Baltimore, Maryland. She attended grade school and high school in Illinois and her parents reside in Clarendon Hills, Illinois.

EMILY HARRIS entered the University of Indiana in Bloomington, Indiana in September, 1965, and received an AB Degree in English in June, 1969. After graduation, she taught school in Bloomington, Indiana until June, 1972.

EMILY married a former fellow student and Marine Corps veteran, WILLIAM TAYLOR HARRIS, in late 1971, and in the Summer of 1972, the pair travelled for some two months before coming to Oakland, California where the pair made their home until January, 1974. EMILY HARRIS, while in Oakland, worked as a secretary at the University of California at Berkeley from the Fall of 1972 until the time she went underground in January, 1974. Both EMILY HARRIS and her husband were deeply involved in prison reform and made regular visits to several black inmates. The pair apparently had planned on going underground for some time. EMILY is believed to be involved in the actual kidnapping of PATRICIA HEARST, inasmuch as one of her gloves was found in the car used in the abduction. EMILY comes from a well-fixed middle class family and was a sorority member at the University of Indiana. Symbionese Liberation Army members ROBYN STEINER and ANGELA ATWOOD have both lived with the HARRISES.

EMILY and WILLIAM HARRIS are presently believed to be with PATRICIA HEARST.

DONALD DAVID DE FREEZE
aka "Cinque"

DE FREEZE was a relatively uneducated black male, who, under the name of "CINQUE", was the nominal head of the Symbionese Liberation Army (SLA), an organization whose other members were college educated Caucasians. DE FREEZE was born on November 16, 1943 at Cleveland, Ohio, and has been a delinquent since an early age. When he was 13 he ran away from home and was placed in a detention home. At the age of 14, he stole from a parking meter in Buffalo, New York and was sent to a reformatory. In 1965, DE FREEZE was arrested in the West Covina Area of California with a gas bomb and sawed-off rifle. He was again arrested in 1967 with a homemade bomb and gun, and in December of the same year, was arrested on suspicion of robbery of guns. While he was being taken to his home, apparently to obtain the weapons, he attempted to escape from officers. He was placed on three years probation for this offense.

DE FREEZE married a woman who already had three children. The marriage resulted in another three children, and the mother and six children remain in Cleveland, Ohio. She was attempting to divorce DE FREEZE.

DE FREEZE was again arrested in Los Angeles, California on November 17, 1969, and was found Guilty of robbery in the first degree and assault with a deadly weapon. He began serving his prison term on December 23, 1969, and, for a time, was imprisoned at the California Medical Facility, Vacaville, California, where he was active in the Black Cultural Association and came to know several of the Caucasians who later joined him in the SLA. DE FREEZE escaped from Soledad on March 5, 1973, and made his way to Berkeley, California, where he was harbored by PATRICIA SOLTYSIK.

DE FREEZE was believed to have been involved in the actual abduction of PATRICIA HEARST, apparently directed the robbery of The Hibernia Bank by the SLA in San Francisco on April 15, 1974, and died in the Los Angeles shoot-out in May, 1974.

ANGELA DE ANGELIS ATWOOD
aka Gelina

ATWOOD WAS a Caucasian female, who was born on February 6, 1949 in Paterson, New Jersey. Her father is a Teamster official in North Haledon, New Jersey.

ATWOOD attended the University of Indiana in Bloomington, Indiana, graduating in 1970, with a major in speech and honors in theatrics. She has also taken dancing lessons for some 13 years. ATWOOD attended graduate school at the University of Indiana from 1970 to 1971, and married GARY DEAN ATWOOD in Bloomington, Indiana in May, 1971.

The ATWOODs were closely associated with the HARRISEs, both in Bloomington, Indiana and in the Oakland-Berkeley area. The ATWOODs came to the Berkeley area in 1971, GARY attending school and ANGELA working as a waitress. The pair separated in May, 1972, with GARY returning to Bloomington, Indiana and ANGELA taking up as a girl friend of JOSEPH PENIPO, a Symbionese Liberation Army (SLA) member. ANGELA ATWOOD, thereafter, lived with the HARRIS couple and was active in prison reform work and made visits to black inmates. ANGELA went underground immediately after the SLA shoot-out at Concord, California on January 10, 1974, and was killed in the SLA shoot-out in Los Angeles, California in May, 1974.

CANTILLA CHRISTINE HALL
aka Gabi

HALL was a Caucasian unmarried female, who was born on March 24, 1945, at Saint Peter, Minnesota. She is the daughter of a Lutheran Minister and spent some of her early school years in Africa with her parents and also lived, for a time, in South America.

HALL graduated from Washburn High School, Minneapolis, Minnesota, in June, 1963. She attended Gustavus Adolphus College at Saint Peter, Minnesota, for a year, and thereafter enrolled at the University of Minnesota. She earned a BA Degree in Humanities in 1967. After graduation, HALL worked as a welfare case worker in Duluth and Minneapolis, Minnesota, until 1970 when she came to the Berkeley-Oakland area.

HALL established a lesbian relationship with PATRICIA MICHELLE SOLTYSIK, and during this time, worked as an artist. In the Fall of 1972, the couple quarreled and HALL left California for Europe. In early 1973, she returned to California and renewed her friendship with SOLTYSIK but apparently the couple did not continue their lesbian relationship. At this time, HALL worked as a gardener.

HALL was one of the last Symbionese Liberation Army (SLA) members to go underground, not quitting her job or abandoning her apartment in Berkeley until the middle of February, 1974. When she went underground,

670 [REDACTED] HALL joined the SLA in the April 15, 1974 robbery of The Hibernia Bank in San Francisco and was killed, along with her former lover, SOLTYSIK, in the SLA shoot-out in Los Angeles in May, 1974.

PATRICIA MICHELLE SOLTYSIK
aka Piznoon Honique Soltysik

SOLTYSIK was an unmarried female Caucasian, born May 17, 1950 in Santa Barbara, California. She graduated from Goleta, California High School in 1967 and attended the University of California at Berkeley from 1967 to 1971. From 1969 to 1971, she was employed under the student work program at the Berkeley YMCA and after leaving school, like many of the other well-educated Symbionese Liberation Army (SLA) members, she took a menial job as janitor at the Berkeley City Library.

SOLTYSIK was bisexual and interested in the woman's liberation movement. She apparently had a number of male and female lovers, but maintained a close relationship with SLA member CAMILLA HALL from 1970 to 1972. SOLTYSIK changed her name to PIZNOON HONIQUE SOLTYSIK after her lover, CAMILLA HALL, dedicated a poem to her.

After DONALD DAVID DE FREEZE, aka "Cinque" of the SLA escaped from Soledad Prison in March, 1973, he lived with SOLTYSIK in her Berkeley apartment. SOLTYSIK quit her employment in September, 1973, going underground, and it is believed that SOLTYSIK and DE FREEZE were probably residing in the SLA hideout in Clayton, California, prior to January, 1974.

SOLTYSIK participated in the April 15, 1974 SLA robbery of the Hibernia Bank in San Francisco and died, along with her lovers, CAMILLA HALL and DONALD DAVID DE FREEZE, in the SLA shoot-out in Los Angeles in May, 1974.

NANCY GAIL LING PERRY
aka Fahizah

PERRY, a female Caucasian, was born on September 19, 1947 at Oakland, California and raised in the small town of Santa Rosa, California. She was the daughter of a furniture store owner. PERRY attended Whittier College, and later the University of California at Berkeley, graduating in 1969 with a major in English.

In December, 1967, she married GILBERT PERRY, a Negro musician. The couple separated, but did not divorce.

PERRY previously worked in Berkeley as a telephone operator and in San Francisco as topless black jack dealer. For a time, she was a heavy user of drugs. She later gave up the drug habit and was a familiar figure on the streets near the University of California at Berkeley working in Fruity Rudy's Orange Juice Stand.

PERRY contributed a good portion of her income to California inmates and was active in the prison reform. She went underground in the Fall of 1973 and was living with Symbionese Liberation Army (SLA) member RUSSELL LITTLE in the first discovered SLA pad in Clayton, California. PERRY is generally considered to be the theoretician of the SLA. She was an active participant in The Hibernia Bank robbery in San Francisco on April 15, 1974 and was killed in the SLA shoot-out in May, 1974.

WILLIAM LAWTON WOLFE
aka Gufo

WOLFE, a Caucasian male, was born on February 17, 1951, at New Milford, Connecticut. WOLFE's family is apparently affluent. WOLFE's father, Dr. LEROY SAMUEL WOLFE, is an Anesthesiologist at Emmaus, Pennsylvania, and his mother, VIRGINIA WOLFE, resides in Richfield, Connecticut. WOLFE grew up in Connecticut, attending public high school for two years and thereafter attended the private Hermon Preparatory School at Mount Hermon, Massachusetts. He graduated in 1969, but instead of entering college, WOLFE chose to go to the Harlem section of New York City to reside with a black friend.

In May, 1970, he applied for admission at the University of California at Berkeley and attended that school from January, 1971 to March, 1972. Soon after his arrival in the East Bay Area of California, he moved into a commune in Oakland, California. That commune consisted of several individuals who later joined the Symbionese Liberation Army. WOLFE continued to reside in Oakland, California despite the fact that he dropped out of school. He worked a very short time for the SKS Dye Casting Company in Berkeley, California in 1973. He was discharged for excessive absence. He was apparently supported by his parents and received enough money to help support other Symbionese Liberation Army members. WOLFE made several trips to the East and one to Europe after coming to California in 1971. He was in his parent's home in January, 1974, when he received word of the SLA shoot-out in Concord, California, and the arrest of two of his SLA friends. He immediately left Pennsylvania and remained underground until he was killed in the SLA shoot-out in May, 1974, in Los Angeles.

 - b. Technical equipment, such as play-back tape recorders and tape recorders capable of monitoring telephone conversations
3. Office Equipment
 - a. Desks
 - b. Tables
 - c. Bulletin boards
 - d. Maps, etc.

C. Manpower

1. SAC or ASAC should be designated to head squad
2. Substantive case supervisor - manpower supervisor
3. Staff (In the HEARNAP case, it should be noted that in addition to the substantive violation, subversive ramifications were involved which necessitated utilization of an SA thoroughly familiar with subversive-type organizations)

4. Squad

- a. An appropriate number of personnel should be assigned to the special squad (supervisor responsible for manpower must insure that SAs are selected, not volunteered)
- b. In the event it is necessary to obtain personnel from other offices, an early evaluation should be made and offices furnishing personnel should be requested to supply experienced personnel with at

least three years of service. In this respect, specialized personnel may be necessary, depending upon the nature of the case, such as female agents, black agents, Oriental agents, and other individuals possessing some specialized ability. For example, in the HEARNAP case, we effectively utilized personnel in all the above categories

5. In the event it is deemed desirable to utilize the services of supervisory personnel from outside the Division, such as SACs, ASACs, Assistant Directors, this decision should be made early on in the investigation so as to enable this individual to be familiar with the investigation and maintain investigative continuity

D. Equipment

1. Automobiles - rental cars, cars from other Divisions
2. Armament - protective vests, special weapons
3. Radio Equipment
 - a. Scramblers should be utilized in delicate-type surveillance work (It is noted that in the HEARNAP case we were monitored by the news media)

b. Handie-talkies

c. Porta-mobils, Kelcom transceivers, executive,
dispatchers

4. Miscellaneous Equipment

a. High intensity lights

b. Bull horns

c. Availability of helicopter and fixed-wing
planes

d. High speed photo reproducing equipment

(It may be noted that we produced thousands
of photographs in the HEARNAP case and this
would have cut our time in half)

e. Binoculars - spotter scope, starlight scopes,
stabilized image binoculars

f. Infrared viewing devices

g. Cassette recorders

II. ADMINISTRATION OF INVESTIGATIVE RESPONSIBILITIES

The ranking officer has the all-over responsibility,
makes the assignments to the staff, and in turn the staff
reports directly to him. The staff makes assignments to
various street supervisors and/or experienced agents who
are responsible for the completion of various projects
which may arise, utilizing manpower assigned to them.
As these projects are completed, the reporting goes in

reverse so that the individual who has the responsibility in essence gets only the end results of the investigation. The point being that somebody should be in charge of the details of each project and report back to a member of the staff when this project is satisfactorily completed.

III. INVESTIGATIVE

A. Special Units Set-Up

1. Response Units in the HEARNAP case were utilized in quadrants throughout the city to respond to sightings of fugitives and/or victim. Additional Response Units were mobile to back-up these units
2. Blockade Units
 - a. K-Units were set-up at strategic locations throughout the city to block-off entrances and/or exits to the city should a major incident occur. They could also act as a back-up to the Response Units. In the HEARNAP case, we utilized a helicopter as a K-Unit with all our K-Unit cars bearing designated numbers on the top in mystic tape so they could be readily identified from the air

We found this system to be most effective since, at any given time, we had units in service who could respond to any given area in a matter of minutes. It may be noted the Response Units and K-Units were equipped with flash vests, rifles, and shotguns, as well as handie-talkie units, so they could be contacted when not in the vehicles.

IV. EVIDENCE - COLLECTION, PRESERVATION, ANALYSIS, and SUBMISSION

A. Searches

1. Assignment of SAs by quadrants
2. Tagging - identifying
3. Bagging
4. Sufficient tags and vacuum bags should be available
 - a. For example, at 1827 Golden Gate, the rooms were divided into quadrants and teams of agents were assigned a particular quadrant and responsible for that area
 - b. Diagram and photographs of rooms searched

B. Analysis

1. Upon return to the office, evidence should be photographed, reviewed for items of prosecutive evidence, and items of investigative lead material

C. Inventory - FD-302s; forwarded to FBI Laboratory

V. RELATIONS WITH LAW ENFORCEMENT AGENCIES HAVING AN
INVESTIGATIVE INTEREST

1. An Agent should be delegated as being responsible for liaison with involved police department so as to insure investigation is not duplicated and free exchange of information occurs
2. Conference between SAC and police officials at outset of investigation and frequent conferences of these officials thereafter to insure harmonious relations and to avoid duplication of work
3. Dissemination of investigative results

VI. UNUSUAL ASPECTS

1. Kidnaping without a payoff
2. Victim alive but not released
3. Subjects' politically motivated
4. Subjects converted victim to their ideology
5. Organization spawned in California Prison System
6. Majority of Subjects had no criminal record, well-educated, and substantial economic backgrounds
7. Lack of cooperation from associates and community where these individuals resided and where incident occurred
8. PIN Program (People In Need food distribution)
9. All Subjects violence oriented (gun classes, gun purchases, continually advocated killing)

10. Subjects, with few exceptions, remained secluded and utilized support people and outside contacts

VII. CONCLUSIONS

A. Technical Equipment

1. Technical equipment in our approved Title III was inefficient and in some cases, almost worthless, in that we could not understand what the individuals were saying
2. The same applies with regard to the Globe System (beeper) and also the technical audio coverage in an automobile
3. While our radio equipment is excellent, we know we were monitored continually, on all channels, by the news media and in some instances, when Response Units went to an address, the news media was already there. It is felt that a scrambling system is essential in radio communication in this type of case

B. Rental Cars

1. We found that the use of low-cost rental cars, such as Pintos, and so forth, was extremely effective, particularly when the individuals operating them were female agents or black agents, depending upon the area they were

utilized. These cars do not give the appearance of the typical "FBI Car". They were much more economical to operate and could be replaced frequently

C. Investigative Techniques Utilized

1. Although none of the various techniques utilized resulted in locating Subjects, it should be noted, however, that under normal circumstances, one or more of these techniques would have been successful in determining Subjects' location. It may be noted that HEARNAP Subjects lived like "animals" and did not utilize normal amenities, such as obtaining utilities (See Investigative Techniques Employed)

D. Administrative

1. The great majority of paper work in this case has been teletype messages. An administrative aid of inestimable value is the maintenance of copies of these teletypes numbered and in date order with the cover sheet indicating 1) the number of the teletype, 2) the office or offices to which it was directed, 3) the office sending the teletype, 4) the date and time of the teletype, and 5) an extremely succinct summary of the contents

The HEARNAP case is now above 160 volumes and when another office references a teletype that they previously sent out, it is almost impossible to locate the reference unless they give some proper indexing code; however, with the above system, we can immediately locate the teletype and know its contents.

2. In case of any magnitude, there is an absolute necessity of having a sub-reference that is capable of indexing

VIII. INVESTIGATIVE TECHNIQUES EMPLOYED

A. Survey of 1963 to 1964 Light Colored Chevrolet Station Wagons in Search of the one Believed Utilized by Unknown Subjects in Connection with the Kidnaping

1. List of 2,000 vehicles, 1963 to 1964 station wagons, obtained from private firm

RE: CIRCULARIZATION OF WANTED FLYER 475A.

RE SAN FRANCISCO NITEL TO BUREAU OCTOBER 25, 1974.

FOR INFO OF K. C., SAN FRANCISCO ADVISED IN REFERENCED NITEL AS FOLLOWS: IN VIEW OF THE FACT THAT THE HARRISES IN THE PAST, ALTHOUGH EDUCATED, HAVE WORKED IN MENIAL JOBS AS DID OTHER MEMBERS OF THE SLA, WE ARE CONSIDERING CIRCULARIZING NON-SKILLED LABOR UNIONS. THIS WOULD HAVE TO BE DONE THROUGH THEIR NATIONAL HEADQUARTERS AND FROM THE NATIONAL LABOR RELATIONS BOARD IN SAN FRANCISCO, WE HAVE ACQUIRED A LIST OF UNIONS AND OUT OF THIS WE HAVE PICKED APPROXIMATELY TEN UNIONS WHICH APPEAR TO LEND ITSELF TO THIS CIRCULARIZATION.

TWO OF THE TEN UNIONS WERE LOCATED WITHIN THE OMAHA DIVISION IN DES MOINES, IOWA, AND THEY ARE AS FOLLOWS:
INDUSTRIAL WORKERS UNION, NATIONAL (IND.), 1201 EAST COURT

RE SAN FRANCISCO TELETYPE TO BUREAU OCTOBER 23, 1974.

UNITED STATES POSTAL INSPECTOR POINDEXTER, LOS ANGELES,
OF OPINION MOST FUNCTIONAL WAY TO FACILITATE DISTRIBUTION OF
FLYERS TO MAIL CARRIERS IS TO DIRECT LETTER TO SUPERVISORS
IN EACH POSTAL STATION IN LOS ANGELES AND ORANGE COUNTIES,
CALIFORNIA. LETTER WOULD DIRECT SUPERVISORS TO POST THE
FLYER ADJACENT TO TIME CLOCKS WHERE ALL CARRIERS "PUNCH IN"
AND HAVE SUPERVISORS CALL SPECIFIC ATTENTION OF CARRIERS TO
FLYERS.

POINDEXTER OF OPINION THIS METHOD WOULD BE MORE PRACTICAL
THAN FURNISH EACH CARRIER A COPY OF FLYER, WHICH SOME WOULD
NOT RETAIN FOR MORE THAN A FEW DAYS. REC-93 / 1000-2423

DISTRIBUTION AS RECOMMENDED BY INSPECTOR POINDEXTER, NOV 11 1974

RE: SIGHTING OF PATRICIA HEARST IN

FLAGSTAFF, ARIZONA IN SEPTEMBER, 1974.

IN SEPTEMBER, 1974, THE LOS ANGELES OFFICE ADVISED
THAT SA [REDACTED] WHO IS UTILIZED IN A QUASI-
UNDERCOVER CAPACITY HAD OBTAINED INFORMATION IN CHICAGO
DURING THE WEEK OF SEPTEMBER 9 FROM "CHICAGO STREET PEOPLE"
WHICH INDICATED THAT PATRICIA HEARST WAS RESIDING AT [REDACTED]
[REDACTED] FLAGSTAFF, ARIZONA. LOS ANGELES ADVISED THAT
NO DETAILS WERE AVAILABLE. 67C

PHOENIX WAS DETERMINED THAT [REDACTED] IS
RESIDING AT THIS ADDRESS. ALSO AT THIS ADDRESS IS [REDACTED]
[REDACTED] AND THESE TWO INDIVIDUALS OPERATE A WALK-IN TYPE
RESTAURANT IN PHOENIX. A BLUE VOLKSWAGEN VAN WITH NEW YORK
LICENSE [REDACTED] HAS BEEN SEEN AT THE PHOENIX ADDRESS. WE
HAVE DETERMINED THAT THIS LICENSE IS NOT ON FILE AT THE DMV, 67C

84 DEC 2 1974

PAGE TWO SF 7-255

NEW YORK, AND THE LICENSE IS ACTUALLY MISSING AND WAS NEVER
ISSUED; HOWEVER, NEW YORK LICENSE [REDACTED] WAS ISSUED TO
[REDACTED] WITH A NEW YORK ADDRESS, FOR A 1968 BLUE
VOLKSWAGEN SUBURBAN.

IN ORDER TO RESOLVE THIS MATTER, SA [REDACTED]
AT LOS ANGELES SHOULD ADVISE IF HE HAS ANY FURTHER INFORMATION
REGARDING THE FACT THAT PATRICIA HEARST WAS AT [REDACTED]
FLAGSTAFF, ARIZONA. ALSO HE SHOULD ADVISE IF THERE IS ANY
POSSIBILITY OF CHICAGO AGENTS CONTACTING THE INDIVIDUALS WHO
FURNISHED HIM THIS INFORMATION TO OBTAIN MORE DETAILS.

LOS ANGELES SHOULD FURNISH THIS INFORMATION TO SAN
FRANCISCO, THE BUREAU, AND PHOENIX. IN THE EVENT THERE IS
NO MORE HARD INFORMATION REGARDING THE POSSIBILITY OF PATRICIA
HEARST BEING IN FLAGSTAFF, PHOENIX SHOULD INTERVIEW THE
RESIDENTS OF [REDACTED] AND CONDUCT ADDITIONAL INVESTIGATION
IN THE NEIGHBORHOOD TO DETERMINE IF PATRICIA HEARST HAS EVER
BEEN THERE.

ON OCTOBER 31, 1974, A SPECIAL AGENT OF THE SAN FRANCISCO OFFICE
IDENTIFIED THE VOICES OF VICTOR AND RA AS POSSIBLY IDENTICAL WITH
THAT OF A FORMER DOORMAN AT THE [REDACTED] APARTMENTS, SAN FRANCISCO.
(Cards)

THIS WAS VERIFIED BY THE MANAGER OF THE APARTMENTS ON OCTOBER 31, 1974,
WHO IDENTIFIED HIM AS [REDACTED] ALSO KNOWN AS [REDACTED]

HE STATED HE WAS THE ONE WHO HAD CALLED THE SAN FRANCISCO OFFICE ON SEVERAL OCCASIONS, FURNISHING INFORMATION CONCERNING THE POSSIBLE BOMBING OF A CHILEAN SHIP, THAT THE SANTOS RODRIGUEZ BRIGADE WAS RESPONSIBLE FOR THE SHOOTING OF WILLIAM CANN, AND OTHER MATTERS; THAT HE HAD DONE SO TO BE OF HELP, AND HAD NOT IDENTIFIED HIMSELF AS HE FEARED DEPORTATION. ON NOVEMBER 2, 1974 [REDACTED] b7c

[REDACTED] MARAHAN, LA., ADVISED SHE TRAVELS TO THE ISLAND OF UTILA, REPUBLIC OF HONDURAS, ONCE EVERY YEAR AS SHE WAS BORN THERE, AND MANY OTHER RELATIVES STILL RESIDE ON THE ISLAND.

ON AUGUST 19, 1974 [REDACTED] TRAVELED TO UTILA WHERE SHE HEARD RUMORS FROM RESIDENTS AND RELATIVES THAT A YOUNG GIRL, W/F, WAS PICKED UP BY THE HONDURAN AUTHORITIES ON THE ISLAND FOR QUESTIONING AS TO HER LIKENESS OF PATTY HEARST. THE GIRL WAS ALLEGEDLY IDENTICAL TO HEARST DESCRIPTION WITH THE EXCEPTION OF A BIRTH MARK WHICH COULD NOT BE FOUND ON THE GIRL'S RIGHT LEG, THEREAFTER, SHE WAS RELEASED.

[REDACTED] BEGAN ASKING QUESTIONS OF HER COUSINS AND FRIENDS ON THE ISLAND AS TO FURTHER DETAILS OF THIS YOUNG GIRL, WHO IS KNOWN ON THE ISLAND AS "PATTY HEARST". [REDACTED] WAS TOLD BY ONE OF HER COUSINS CATHY (LNU), AS CATHY MARRIED AND HAS A SPANISH NAME UNKNOWN TO MARSHALL, THAT "PATTY HEARST" WAS A GOOD FRIEND OF HERS AND SHE [REDACTED] SHOULD BE CAREFUL AS TO WHAT SHE SAYS ABOUT HER.

PRIOR TO [REDACTED] ARRIVAL ON UTILA IN AUGUST 1974, A W/M CAME TO THE ISLAND FOR A SHORT PERIOD OF TIME AND THEN LEFT FOR GUATEMALA. THIS W/M THEN RETURNED TO UTILA ACCOMPANIED BY TWO W/F'S, AND THEY HAVE BEEN LIVING AND ASSOCIATING WITH ONLY THE BLACK POPULATION ON THE ISLAND.

NO (7-1328)

PAGE THREE

ON OR ABOUT AUGUST 24, 1974, [REDACTED] ACCOMPANIED BY RELATIVES b7c AND FRIENDS WENT TO A BLACK BAR KNOWN AS "BUCKET OF BLOOD". THIS BAR ATTRACTS ONLY BLACK AND LOWER CLASS WHITES, AND VERY FEW TOURISTS. WHILE IN THE BAR [REDACTED] OBSERVED A W/F, 5'3" OR 4", LONG BROWN HAIR, VERY WELL BUILT, AND WEARING A SHORT DRESS; HOWEVER, SHE DID NOT SEE THE GIRL'S FACE. THIS GIRL WAS ACCOMPANIED BY A W/F, AGE 20'S, 5'4", 125-135, BONG SANDY BLOND HAIR (WORN PAST WAIST), AND ALSO WEARING A SHORT DRESS, AND A W/M, AGE 30'S, 5'4", 135-140, BLOND HAIR (WORN LONG BUT NOT TO SHOULDERS), AND WEARING A FULL BEARD (BLOND IN COLOR). ALL THREE APPEARED TO BE DRESSED IN OLD, WORN CLOTHES, AND THEY WERE ASSOCIATING WITH NUMEROUS BLACK INDIVIDUALS.

SINCE THAT TIME [REDACTED] OBSERVED THE ABOVE THREE INDIVIDUALS ALMOST DAILY FROM HER HOUSE ON THE ISLAND, HOWEVER, THE W/F, KNOWN AS "PATTY HEARST", WOULD ALWAYS WEAR A MEXICAN SOMBRERO MADE OF STRAW WHICH OBSTRUCTED [REDACTED] VIEW OF HER FACE. THEY WOULD PASS [REDACTED] HOUSE ENROUTE TO THE "POINT", A POPULAR BEACH ON UTILA, AND THE W/M ALWAYS CARRIED A SPEAR GUN. [REDACTED]

[REDACTED] TALKED WITH [REDACTED]

[REDACTED] STATED "PATTY HEARST" AND HER TWO FRIENDS [REDACTED]

[REDACTED] "HEARST" USES ANOTHER NAME AND WEARS GLASSES.

THIS NAME WAS GIVEN TO [REDACTED] BUT SHE COULD NOT RECALL IT. b7c

[REDACTED] LEFT UTILA DURING MIDDLE OF OCTOBER 1974 AND RETURNED TO NEW ORLEANS, AND TO HER KNOWLEDGE THE ABOVE THREE INDIVIDUALS ARE STILL ON THE ISLAND.

[REDACTED] STATED THE POPULATION ON UTILA IS APPROXIMATELY 1,000 WITH THE MAJORITY BEING BLACK, AND ANY NEWS OR RUMORS TRAVEL FAST. THE ISLAND OF UTILA IS LOCATED APPROXIMATELY 15 MILES NORTH OF LA CEIBA, HONDURAS, AND CAN BE REACHED BY BOAT ONLY AS THE AIRPORT WAS PARTIALLY DESTROYED BY HURRICANE "FIFI".

[REDACTED] WAS DISPLAYED WANTED FLYER 475A DEPICTING PHOTOGRAPHS OF WILLIAM TAYLOR HARRIS; EMILY MONTAGUE HARRIS, AND PATRICIA CAMPELL HEARST; HOWEVER, SHE WAS UNABLE TO EFFECT AN IDENTIFICATION ON ANY OF THE ABOVE THREE INDIVIDUALS.
